*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable and the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from January 2013 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

1. Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.
2. Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.
3. Audi Music Interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories. Connection for Apple® iPods generation 4 and higher, USB storage media and MP3 players.
4. Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.
5. MMI Navigation functional features may differ or not be available for the Australian market - sight-seeing information, city modes in 3D, points of interest, TMC, voice control destination entry as whole words or in one sentence and Audi connect services are not available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.

Please refer to the corresponding RS 4 Avant brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.
