

# Jeep®

## 2008MY Jeep Cherokee

## Whats New in 2008

### Performance/Functional

- All-new UniFrame body
- All-new Selec-Trac® II active full-time four-wheel-drive system with electric shift operation
- Hill Start Assist
- Hill Descent Control<sup>(3)</sup>
- All-new short/long arm (SLA) independent front and five-link solid axle rear suspension

### Exterior

- All-new exterior design
- Available industry-exclusive Sky Slider™ full-length power-retractable roof
- Choice of 16" and 18" wheels
- Body-colour fascia and fender flares (Sport and Limited)
- Liftgate with flipper glass window
- Exterior colours: Stone-White, Bright Silver Metallic, Brilliant Black Crystal Pearl, Inferno Red Crystal Pearl, Jeep Green Metallic, Red Rock Crystal Pearl, Modern Blue Pearl, Light Greystone Pearl

### Interior

- All-new interior design
- Two trim levels available: Racine Cloth with Yes Essentials® in Light Slate Grey/Slate Grey or Light Pebble Beige/Dark Pebble Beige.
- Leather trim in Pastel Slate Grey and Pastel Pebble Beige.
- Low-back reclining bucket seats with height-adjustable head restraints
- ∞Infinity® 368-watt premium Sound System with nine speakers including subwoofer (Limited)
- Available MyGIG™ Multimedia Infotainment System with Navigation
- Automatic temperature control with air filtration system
- Fold-flat front-passenger seat
- Reversible waterproof cargo tray
- Available Memory System — driver's seat, radio presets and driver-side mirror (Limited)
- Rear Park Assist System<sup>(1)</sup>
- Supplemental side-curtain air bags<sup>(2)</sup> with roll-sensing technology

# SUVPS Highlights

## SAFETY/SECURITY

- Electronic Stability Programme (ESP)<sup>(4)</sup>
  - Comprised of ABS, electronic throttle control, all-speed traction control and Electronic Roll Mitigation
  - Includes Brake Assist
- Air Bags<sup>(2)</sup>
  - Advanced multistage driver and front-passenger air bags and supplemental side-curtain air bags with roll-sensing technology for outboard passengers
- Tyre Pressure Monitoring Warning Lamp on Sport
- Premium Tyre Pressure Monitoring Display on Limited
- Rear Park Assist System<sup>(1)</sup>
  - Alerts driver to potential obstacles when backing up

## UTILITY

- Up to 2270kg Towing Capacity
- Fold-Flat Front-Passenger Seat
  - Ideal for carrying longer items
- 60/40 Split-Folding Rear Seat
  - Rear seat reclines for more comfort
- Large Cargo Capacity
  - 1404L with rear seat folded, 419L with rear seat up (measured floor to headliner)
- Increased Storage
  - Features larger glove box and improved full-length centre console that includes cup holders, padded armrest and covered storage
- Reversible Rear Cargo Tray
  - Doubles as a flat floor or waterproof tray

## VALUE

- High Level of Standard Features
  - Includes power windows/locks/mirrors, remote keyless entry, Sentry Key,<sup>®</sup> air conditioning, MW/FM/CD/MP3 6-disc sound system with auxiliary jack
- YES Essentials<sup>®(5)</sup> Stain Resistant, Odour Resistant, Antistatic Seat Fabric
  - Resists stains and is perfect for customers with children, pets or active lifestyles
- Available MyGIG<sup>™</sup> Multimedia Infotainment System<sup>(6)</sup> (Limited)
  - GPS Navigation and real-time traffic, including 20GB hard disk drive, MW/FM radio with MP3 input, CD/DVD player, UConnect, voice dialogue system and integrated 6.5" touch-screen display

## PERFORMANCE

- 2.8L DOHC CRD Turbo Diesel I-4 Engine
  - 130 kW and 460 Nm of torque
  - Paired with a 5-speed automatic transmission
- 3.7L SOHC Petrol V6 Engine
  - 151 kW and 314 Nm of torque
  - Paired with a standard 4-speed automatic transmission
- All-New Front and Rear Suspensions
  - Short/long-arm independent front suspension and 5-link, solid-axle rear suspension provide extraordinary on-road refinement and rugged off-road performance
- All-New Selec-Trac<sup>®</sup> II Active Full-Time 4WD
  - Automatically transfers torque between the front and rear axles as needed for maximum traction
  - Features electronic transfer case shifter
- Hill Start Assist
  - Uses the vehicle brakes to aid in climbing hills or other steep inclines
- Hill Descent Control<sup>(3)</sup>
  - Aids controlled descent down steep hills
  - Active in 4LO only

## STYLE

- New Rugged Design
  - Features classic Jeep brand styling with an aggressive stance, seven-slot grille and high beltline
- 16" or 18" Wheels
  - A choice of cast-aluminium wheels in two different sizes and styles
- Available Industry-Exclusive Sky Slider<sup>™</sup> Full-Length Power Retractable Roof (Limited)
  - Adds exposure to the outdoors for an open-air Jeep vehicle experience
  - Opens 3.5 times larger than typical sunroofs

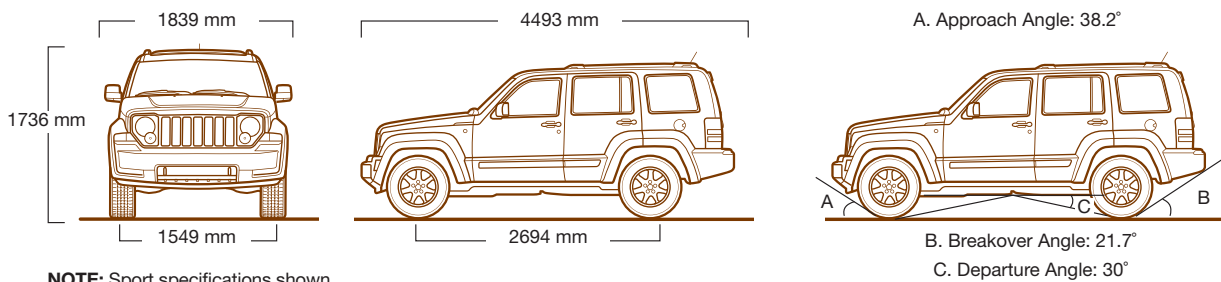

<sup>(1)</sup> Detects most obstacles. As with all electronically controlled systems, care is advised. <sup>(2)</sup> Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in a backseat correctly using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight. <sup>(3)</sup> With automatic transmission. <sup>(4)</sup> No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt. <sup>(5)</sup> Not compatible with aftermarket fabric-protecting coatings.

<sup>(6)</sup> MyGIG<sup>™</sup> in-dash DVD capability is not available in all locations. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. See your dealer for details.
