

FREELANDER 2

ABOVE AND BEYOND

THE 2015 FREELANDER 2 HAS NEVER BEEN MORE READY FOR ADVENTURE

Combining Land Rover capability and versatility with striking lines and up-to-the-minute technologies, it packs as much in as you do.

SPECIFICATIONS

Page 22

The Freelander 2 is designed and engineered to take whatever life throws at it. With Land Rover DNA at its heart, its eminent capability has been proven without question. Whether you're chasing the surf, in town or cruising down a motorway, the Freelander 2 is a fully formed SUV in a more compact form.

A glance at the vehicle's purposeful stance and contemporary looks tells you its design cues are of the moment. Sleek lines and sophisticated styling combine to create an exciting profile and silhouette.

The Freelander 2 has been tested beyond the limitations of most. It has performed in temperatures ranging from -40°C to $+50^{\circ}\text{C}$. It has been driven at altitudes of up to 14,000 feet. And it benefits from excellent approach and departure angles, coupled with generous ground clearance to tackle the toughest of terrains.

If the Freelander 2 was born to perform in the most challenging conditions, it was also created to do so on the most challenging terrains. All-terrain technologies featured in the Freelander 2 include Hill Descent Control that takes the strain out of negotiating those difficult slopes and the renowned Terrain Response® which automatically optimises traction and driveability by adapting to the demands of the terrain.

The Freelander 2 is equally at home in the city as it is on the most demanding terrains or roads. Its poised, controlled drive is sure and responsive; its fuel consumption and improved CO₂ emissions are exemplary. With a choice of engines, the vehicle has the breadth of capability and performance to match any preferences.

The interior of the Freelander 2 has been created to provide a light and airy space that is both comfortable and understated, with simple flowing lines and intuitively placed controls. A range of trim options and personal touches help emphasise individual tastes.

The Freelander 2's Command Driving Position greatly improves the view of the road ahead and provides better visibility of the vehicle's corners. The driver's seat is optimised for comfort and support with six-way adjustment so it proves even more invaluable on those longer journeys. Settle into the cockpit and you'll soon see why being above other traffic has distinct advantages.

The Freelander 2 naturally accommodates five adults with ease. Everyone benefits from generous leg, head and shoulder room. They can all enjoy the view too as the rear passengers sit in Stadium Seating that is 50mm higher than those in the front. Added to which, the loadspace is as generous as it is versatile. With a metre between the rear wheel arches and rear seats which are configured in a 60:40 split that can be adjusted with ease, it's large enough to take you and everything you need.

MODE

If you want to get closer to the music, you'll love the sound system in the Freelander 2. There are three to choose from including the premium Meridian™ Surround Sound Audio System with 17 speakers and a thundering 825W of power. Naturally, MP3 connectivity comes as standard.

The Freelander 2 is also available with a rear view camera* which displays images from behind the vehicle on the centre console screen, helping you to park and manoeuvre more easily.

* Not available for S models.

With a raft of sophisticated safety systems, the Freelander 2 has been built to take almost anything life throws at it. Firstly, its strong monocoque body and inner body cell, both of which are protected by crumple zones, are designed to absorb energy on impact.

Then, high-strength steel has been used in the build of the body and dual-phase steel is found in key components such as the front windscreen pillars and lower side sills. Such technologies help to create a safety cell providing improved protection.

SPECIFICATION

Another level of individuality. The Freelander 2 allows you to personalise your vehicle however you wish. The following pages take you through a logical series of steps to make it a true expression of your individuality. You have several choices: from selecting your engine and model to exterior and interior colours, wheels, fascia inserts and those detailed touches that define your style.

If you'd like more information or to try our online configurator, go to landrover.com

Step 1

STEP 2 CHOOSE YOUR MODEL – CHOICES

Each model has a choice of unique features. This guide will help you to select your ideal Freelander 2. On the following pages you'll see the standard features for each model.

FREELANDER 2 S

- Grille bars in Brunel with Brunel grille surround
- Side fender vents in Brunel
- Matt Black door handles
- Halogen headlamps
- Matt Black headlamp powerwash jets
- Front fog lamps.

FREELANDER 2 XS

- Grille bars in Dark Atlas with Gloss Black grille surround
- Side fender vents in Dark Atlas
- Body coloured door handles, mirror caps, headlamp powerwash jets and rear bumper valance
- Body coloured sill covers
- Halogen headlamps with LED signature
- Front fog lamps.

FREELANDER 2 SE

- Grille bars in Silver Light Atlas with Gloss Black grille surround
- Side fender vents in Silver Light Atlas
- Body coloured door handles, mirror caps, headlamp powerwash jets and rear bumper valance
- Body coloured sill covers
- Automatic Xenon headlamps with Automatic Headlamp Levelling and LED signature
- Heated windscreen including heated washer jets
- Rain sensing windscreen wipers
- Front fog lamps.

FREELANDER 2 HSE LUXURY

- Grille bars in Silver Light Atlas with Gloss Black grille surround
- Side fender vents in Silver Light Atlas
- Body coloured door handles, mirror caps, headlamp powerwash jets and rear bumper valance
- Body coloured sill covers
- Automatic Xenon headlamps with Automatic Headlamp Levelling and LED signature
- Front map reading headlamps
- Heated windscreen including heated washer jets
- Rain sensing windscreen wipers
- Front fog lamps.

STEP 2 CHOOSE YOUR MODEL – DYNAMIC EXTERIOR PACK

Personalising the exterior

For bold style to match its adventurous spirit, the optional Dynamic Exterior Pack enhances Freelander 2's distinctive design cues and confident stance.

The Dynamic Exterior Pack is available on all XS, SE and HSE Luxury models and includes the following: body kit with deeper front and rear bumpers and lower door claddings, bright tailpipe finishers, tailgate spoiler, Gloss Black finish to the front grille surround and bars, side vents, bonnet and tailgate scripts and 19 inch Gloss Black wheels.

KEY FEATURES

Loadspace

The versatile rear loadspace can be expanded by folding the 60:40 split rear seats to provide a flat load floor and up to 1,670 litres of space. With one metre between the wheel arches there's always room for more awkward loads.

Climate Control

As well as the standard climate control system*, climate control with pollen filter, humidity sensor and air quality control system**† can be specified to maintain fresh air in the cabin, keeping you and your passengers comfortable whatever the weather.

Centre Console Storage

The rear of the centre console features an additional storage box for small items, an audio socket for MP3 players and a power socket, which can be used to recharge PCs and other low-wattage electrical equipment.

Steering Wheel Controls

Steering wheel mounted controls at your fingertips for ultimate ease of use. Depending on the model, the intuitive technologies available cover cruise control, the audio system, Say-What-You-See (SWYS) Voice Activation†† and hands-free telephone operation. Freelander 2 can be Bluetooth® connectivity enabled as an option on some models.‡ You'll be able to make and take telephone calls via the vehicle's audio system (subject to telephone compatibility). Say-What-You-See (SWYS) Voice Activation†† is a useful technology which helps the driver to use and interact more easily with the Freelander 2 by displaying voice commands on the seven-inch colour Touch-screen.

Trim Materials

Elegant, high quality materials are used throughout the cabin. Choose from facings in Cloth, Partial leather with Dinamica®, Grained leather, Dynamic Grained leather or premium Windsor leather with colour co-ordinated door casing inserts. The front seats provide excellent support and have the option of electric control and seat memory.

Convenience features

Life with the Freelander 2 is so practical thanks to thoughtful technology. Available features include an electrochromatic rear view mirror for automatically minimising the dazzle of headlamps at night. There are rain sensing wipers and twin map lights conveniently located in the roof console above the rear view mirror.

*Available as air conditioning on S models **Not available on S or XS models †Available with Option Pack on SE models ††Not available on all models and only available with Option Pack ‡Standard on SE and HSE Luxury models. Please consult your Land Rover Dealer for further details.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under licence.

KEY FEATURES

Electric Sunroof

The optional electric sunroof – with a fixed rear section and electric tilting/sliding front section – adds to the feeling of lightness and airiness within the cabin. The glass is specially formulated to filter the sun's infrared rays, providing light without unpleasant heat. Both sections also include a convenient blind.

Terrain Response®

Land Rover's renowned Terrain Response® system adds to the Freelander 2's breadth of capability. Any of the four programmes – General Driving, Grass/Gravel/Snow, Mud and Ruts or Sand – can be easily selected. In addition all vehicles with Terrain Response are also fitted with Hill Descent Control and Land Rover's Gradient Release Control systems.

Stop/Start System

The intelligent Stop/Start system, fitted to TD4 diesel manual models, improves fuel efficiency and reduces tailpipe emissions to zero by shutting down the engine, in appropriate conditions, when the vehicle comes to a stop. The system is able to operate at temperatures as low as 0°C.

Satellite Navigation*

The optional satellite navigation system, with a seven-inch colour Touch-screen, easy-to-use menu and extensive point-of-interest database, makes finding your destination as simple as possible.

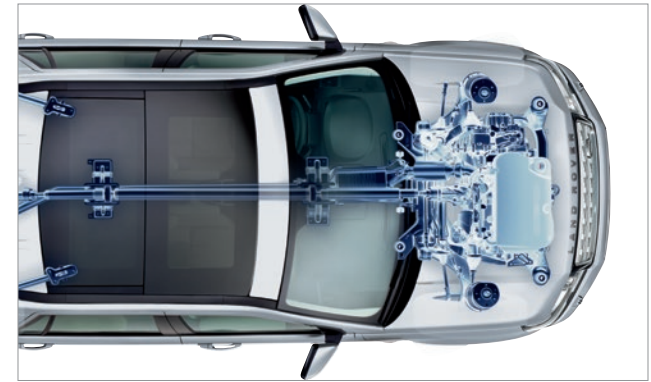

Rear View Camera*

The Rear View Camera helps reversing by displaying a wide-angled rearward view from the vehicle on the centre console screen. To aid manoeuvrability, lines representing the vehicle's predicted path are superimposed on the image. Includes Trailer Hitch Assist which overlays the predicted path of the tow ball, facilitating easy coupling of trailers.

In-Car Entertainment

An outstanding choice of in-car entertainment systems: Meridian™ is the ultimate audio specialist and creates sound just as the artist intended by benchmarking acoustic performance against real musical instruments. The Meridian Surround Sound System provides a perfect stereo image for each occupant and produces a natural, enveloping concert-like experience.

Passive Start and Start/Stop Button

The convenient Passive Start system automatically detects the close proximity of the key, allowing use of the Start/Stop button without the key being docked in the vehicle. The remote control includes the following functions: locking and unlocking of the doors and tailgate, a 30 second courtesy headlamp delay and activation of alarm.

CommandShift®

The six-speed automatic transmission with CommandShift is standard on Si4 petrol and SD4 diesel models and optional on TD4 diesel models. CommandShift provides manual sequential gear changes and Sport mode for an even livelier performance.

Performance with Efficiency

The Si4 2.0 litre petrol engine provides state-of-the-art turbocharged efficiency with refinement and performance and improved CO₂ emissions. The 2.2 litre turbo diesel engines, available in power outputs of 150PS and 190PS, come with common rail diesel technology which aids fuel economy and a variable nozzle turbocharger helping to deliver exceptional torque.

Safety

High-strength steel is used to construct a strong monocoque body and inner safety cell protected by front and rear energy absorbent crumple zones. Seven airbags are fitted as standard on all vehicles. There are separate driver and front passenger airbags for head and chest protection as well as side airbags for side impact protection. Full-length curtain airbags are designed to provide head impact and rollover ejection protection for all occupants. The Freelander 2 also features a driver's inflatable knee airbag for additional lower body protection.

Stability Control Systems

The Freelander 2 comes with a host of stability control systems as standard, designed to enhance traction by reducing engine torque and applying a unique braking force to each individual wheel where driving conditions dictate. They include: Anti-lock Braking System (ABS), Electronic Brake-force Distribution (EBD), Emergency Brake Assist (EBA), Cornering Brake Control (CBC), Electronic Traction Control (ETC), Dynamic Stability Control (DSC), Trailer Stability Assist (TSA) and Roll Stability Control (RSC).

Headlamps

Three types of headlamp are available: Halogen headlamps with impact-resistant polycarbonate lenses; Halogen headlamps with a signature LED light design; Xenon headlamps with automatic headlamp levelling and a signature LED light design.

†If towing for commercial gain, please refer to your Land Rover Dealer for information relating to digital tachograph installation.

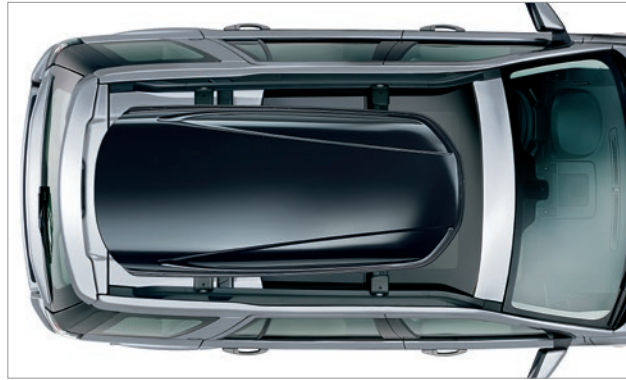

ACCESSORIES

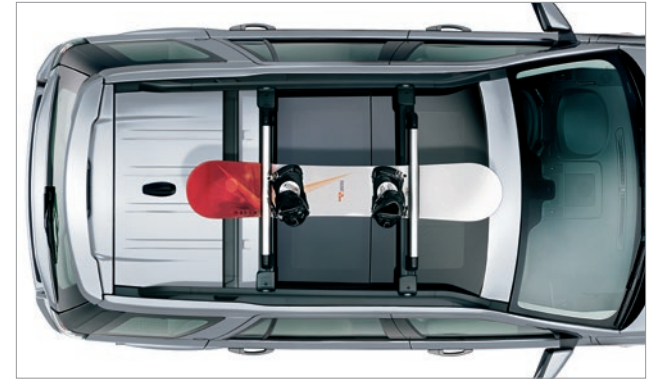

Aqua Sports Carrier*
VPLGR0107

Tilts to facilitate easy loading and unloading. Carries one surfboard, kiteboard or sailboard and mast, or one canoe or kayak. Load capacity 45kg.**

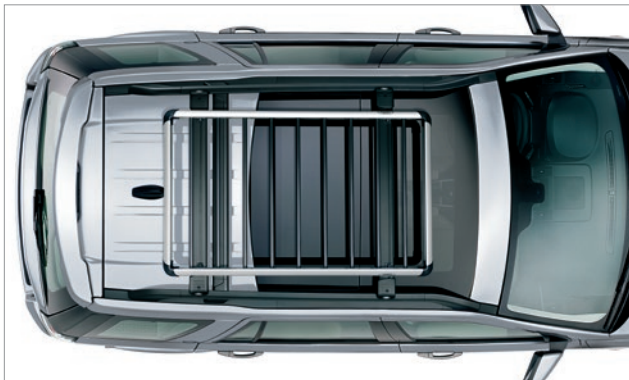

Luggage Box*
VPLVR0062

Gloss Black finish. Opens from both sides. Lockable for security. External dimensions: 1,750mm long, 820mm wide, 450mm high. Volume 410 litres. Maximum payload 75kg.†

Ski/Snowboard Holder*
LR006849

Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Lockable for security. Maximum payload 36kg.†

Luggage Carrier*
LR006848

Load capacity 57kg** on roof rails and cross bar†.

Raised Roof Rails and Cross Brace Kit*
Sunroof vehicles – LR007220
Sunroof vehicles – LR006608

Maximum payload 75kg.† Vehicle height when fitted 1,830mm. Crossbars not included.

Cross Bars*
LR002417

Easily removed when not in use. Vehicle height when fitted 1,852mm. Maximum payload 71.8kg.† Vehicle must have accessory Raised Roof Rails and Cross Brace Kit fitted. Shown above, sold separately.

Roof Mounted Bike Carrier
VPLFR0091

Lockable bike carrier designed for holding a single bike. Raised Roof Rails and Cross Bar Kit will accommodate up to three bike carriers.* Load capacity 20kg.**

*Roof Rails and Crossbars are required for all Land Rover roof mounted accessories. Objects placed above the roof mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

**Load capacity is minus roof mounted accessory weight. †Maximum payload equals the load capacity of the roof mounted accessory.

Coat Hanger
VPLVS0167
Rear seat facing, attaches to the head restraint parts.
Maximum load capacity 3 kgs.

Nutmeg Carpet Mats
VPLAS0200SVB

Ebony Carpet Mats
VPLAS0200PVJ

Rubber Mat Set
VPLFS0251

Centre Armrest Cooler/Warmer Box
VPLVS0176
Drink and food cabinet featuring leather covered top. Held in place by the centre seat belt and powered from the rear auxiliary socket.

*Protects seats from mud, dirt and wear and tear. Machine washable. Includes headrest and armrest covers. Colours may differ from actual product.
**Not compatible with leather seats or electric seats.

ACCESSORIES

Cargo Divider
LR002522

Separates luggage space into two protected sections. Lockable outer gate on one side. Must be fitted with Cargo Barrier (LR002521).

Cargo Barrier
LR002521

Easily removed. Retains cargo according to EC Regulation 17.

Cargo Barrier – Half Height
VPLFS0146 – (not shown)

Rigid Loadspace Protector
LR002424

Semi-rigid protector. Black plastic loadspace protector. May be used in conjunction with cargo barriers.

Loadspace Rubber Mat
LR002516

Waterproof with retaining lip and non-slip surface.

Rear Bumper Protector Cover
VPLVS0179

Protects the rear bumper from scuffs and scratches when loading.

Flexible Loadspace Protector
VPLFS0244

Heavy duty fabric protects loadspace up to window height. Covers loadspace floor with second row seats folded.

Luggage Net
LR003852

Secured to rear of second row seating.

Load Retention Net
VUB503130

Utilises loadspace tie down points. Includes floor net and two ratchet straps. Strap length approximately two metres.

Seat Back Stowage
Premium – VPLVS0181
Standard – VPLVS0182 (not shown)

Ski Bag
VPLGS0166
Carries up to two pairs of skis and poles up to 180cm long. Features removable shoulder straps.

iPad® Holder
VPLVS0165
Fits from iPad® 2 onwards.

iPad® 1 Holder
VPLVS0164 (not shown)

13 Pin Towing Electrics*
Petrol – VPLFT0106
Diesel – VPLFT077
Not compatible with the lighting board (STC8153).

'N' and 'S' Type Towing Electrics*
VPLFT0105

Compatible with the lighting board.

Ratchet Strap
CAR500010

Nylon tie strap for securing items to the Crossbars and Luggage Carrier. Five metres long, 20mm wide. Supplied individually.

Lighting Board*
STC8153

Four metre cable plugs into 'N' Type Towing Electrics socket.

Towing Mirror Extension
VPLVT0080

Tow Recovery Strap
STC8919AA

Includes storage bag that can be attached as a warning flag to the strap. 3,000kg maximum load capacity.

Electric Cool Bag
VUP100140L

Powered by the 12 volt auxiliary socket. Thermostatically controlled temperature. Easy clean interior surface. Height 380mm, length 380mm, width 220mm. Volume 14 litres.

Collapsible Luggage Carrier
VPLVS0175

The collapsible Luggage Carrier keeps items from shifting during transport with two durable straps.

Front Screen Shade
VPLFY0067

Reflects the sun's rays and helps to keep the interior of your vehicle cool.

Bulb Kit
VPLFV0089

Fire Extinguisher
LR002523

1kg powder extinguisher with floor mounting bracket.

Fire Extinguisher
LR002524

2kg powder extinguisher with loadspace board mounting bracket.

Warning Triangle
KCC500021

First Aid Kit
STC7642

Aids in the treatment of cuts and grazes.

Touch-up Paints

A comprehensive range of touch-up paint sticks and aerosols to help your Freelander 2 look as good as new despite those minor chips and scrapes. Please contact your Land Rover Dealer for further details.

Alloy Wheel Cleaner – 500ml Dispenser
VPLSW0066

Designed specifically for Land Rover vehicles to remove brake dust deposits without damaging the surrounding brake or wheel components.

Body coloured Door Handles
Primed Door Handle** – LR006876

Stolen Vehicle Tracking
Please contact your Land Rover Dealer for further details.

Sports Styling Pack – 2011 Model Year Onwards†
Petrol – VPLFB0071LML
Diesel – VPLFB0072LML
Spoiler – LR002464

Add even more attitude and a more individual, more personal look. Sports Styling Pack includes neat bib spoilers for the front and rear lower bumpers, smart lower door appliqué panels and distinctive elliptical single tailpipe finisher/twin tailpipe finishers for diesel and petrol models respectively. The Sports Styling Pack is available in the matching colour of your vehicle. Spoiler also available separately.

IMPORTANT NOTICE: Jaguar Land Rover Limited is constantly seeking ways to improve the specification, design and production of its vehicles and alterations take place continually. Whilst every effort is made to produce up to date literature, this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Distributors and dealers are not agents of Jaguar Land Rover Limited by any express or implied undertaking or representation.

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,600 kilometres/1,000 miles (whichever occurs first) of the handover of a new registered vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to a 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications and any query you may have.

The colours reproduced here are subject to the limitations of the printing process and may therefore vary slightly from the actual vehicle. The company reserves the right to alter or withdraw any colour finish without notice. Some of these colours may not be obtainable in your country. Please check availability of colours and current specifications with your Land Rover Dealer. Distributors and dealerships are not agents of Jaguar Land Rover Limited and have absolutely no authority to bind Jaguar Land Rover Limited to any express or implied undertaking or representation.

WARRANTY

A comprehensive manufacturer's warranty is a feature of every Land Rover vehicle and extends to any genuine Land Rover accessories fitted by a Land Rover Retailer. The warranty period for the vehicle is three years/100,000 kilometres. In addition, the paint surface is also covered for three years/100,000 kilometres and the body work covered for corrosion for six years.

LAND ROVER ROADSIDE ASSISTANCE

All Land Rover vehicles purchased in Australia benefit from complimentary Land Rover Roadside Assistance service for the length of the new car warranty. This covers you Australia-wide 24 hours per day every day. And because it is Land Rover Assistance, help will also be provided if you become bogged or disabled on roads that only four-wheel drives can travel.

CUSTOMER CARE

Land Rover Australia has a dedicated Customer Care Centre to assist owners who may have a general query. Owners seeking this level of assistance are invited to phone our Customer Care Centre on the toll-free number 1800-625-642 or email enquiries@landrovercustomers.com.au. Land Rover ownership includes a package of benefits designed to provide high standards of after sales care and support.

LAND ROVER FINANCIAL SERVICES

Just as Land Rover lets you tailor a vehicle to your specific requirements, we offer you the same service when it comes to finance. You can arrange to purchase and finance your Land Rover from the people who know it best – your Land Rover Dealer. Your Land Rover Business Manager can explain the full range of finance options available from Land Rover Financial Services and provide expert advice to help tailor a finance package to best suit your needs. To discover more about Land Rover Financial Services visit your nearest Land Rover Dealer, call 1300 555 211 or visit www.landrover.com.au for more information.

Land Rover Finance is provided by St. George Finance Limited (ABN 99 001 094 471) Australian Credit Licence 387944 to approved customers only. Credit criteria, fees, charges and terms and conditions apply.

LAND ROVER ASSURED EXTENDED WARRANTY

Choose Land Rover Assured Extended Warranty Insurance for 12 or 24 months, up to 200,000 kilometres. Land Rover Assured Extended Warranty Insurance lets you enjoy your Land Rover both on and off the road without any concerns of the cost and inconvenience of mechanical failure. For a once off payment, you can enjoy the reassurance of protection against mechanical failures for up to 24 months with qualified repairs for the life of your warranty. Consult your Land Rover Retailer for more information.

IMPORTANT PRICING NOTICE

Option prices in this specification guide are shown without Luxury Car Tax (LCT). LCT of 33% applies to the amount by which the total price of the vehicles, factory fitted optional extras and dealer delivery charges exceeds \$61,884. Models determined to be a 'fuel efficient vehicle' by achieving a fuel consumption not exceeding 7.0L/100km based upon a combined rating under ADR 81/01 qualify for an LCT threshold of \$75,375 instead of the usual \$61,884.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under license.

Important Notices:

All details in this Recommended Retail Price list are believed to be correct as of August 2014. However, we are constantly striving for improvement and therefore reserve the right to alter price and specifications without notice. Distributors and retailers are not agents of Land Rover Australia and have no authority to bind Land Rover Australia to any expressed or implied undertaking or representation.

For further pricing information contact your local Land Rover dealer or go to the Driveaway Pricing Calculator at www.landrover.com.au
