Important Pricing Note: Due to legislation that came into effect on 25 May 2009, Land Rover Australia is unable to provide you with a published price list. This legislation is intended to ensure that the price advertised for motor vehicles includes the 'on road costs' (Drive Away Price) which are 'quantifiable' that a customer will incur, when purchasing a new vehicle. The 'on road costs' typically include the vehicle registration fee, compulsory third party insurance, State stamp duty and the dealer delivery costs. These components are not always a fixed or constant value, meaning the 'on road costs' vary according to individual circumstances. Any Drive Away price enquiries should be directed to your local Land Rover Retailer. LCT of 33% applies to the amount by which the total price of the vehicles, factory fitted optional extras and dealer delivery charges exceeds \$57,466. Models determined to be a 'fuel efficient vehicle' by achieving a fuel consumption not exceeding 7 L/100km based upon a combined rating under ADR 81/01 qualify for an LCT threshold of \$75,375 instead of the usual \$57,466.

Prices effective from December 2012 (2013 Model Year). For use in Australia only.

* Fuel consumption figures: The results given here do not express or imply any guarantee of the fuel consumption of any particular vehicle with which this information may be supplied. Vehicles are not individually tested and there are inevitable differences between individual vehicles of the same model. The vehicle may also incorporate particular modifications. Furthermore, the driver's style and road traffic conditions, as well as the extent to which the vehicle has been driven and the standard of maintenance, will affect its fuel consumption.

† Fuel range stated has been calculated using combined fuel consumption figure and usable fuel tank capacity.

RANGE ROVER EVOQUE AND RANGE ROVER EVOQUE COUPÉ

2013 MODEL YEAR PRICE LIST

Prices effective from December 2012 (2013 Model Year). For use in Australia only.

WARRANTY

A comprehensive manufacturer's warranty is a feature of every Land Rover vehicle and extends to any genuine Land Rover accessories fitted by a Land Rover Retailer. The warranty period for the vehicle is three years/100,000 kilometres. In addition, the paint surface is also covered for three years/100,000 kilometres and the body work covered for corrosion for six years.

LAND ROVER ROADSIDE ASSISTANCE

All Land Rover vehicles purchased in Australia benefit from complimentary Land Rover Roadside Assistance service for the length of the new car warranty. This covers you Australia-wide 24 hours per day every day. And because it is Land Rover Assistance, help will also be provided if you become bogged or disabled on roads that only four-wheel drives can travel.

CUSTOMER CARE

Land Rover Australia has a dedicated Customer Care Centre to assist owners who may have a general query. Owners seeking this level of assistance are invited to phone our Customer Care Centre on the toll-free number 1800-625-642 or email enquiries@landrovercustomers.com.au. Land Rover ownership includes a package of benefits designed to provide high standards of after sales care and support.

LAND ROVER FINANCIAL SERVICES

Just as Land Rover lets you tailor a vehicle to your specific requirements, we offer you the same service when it comes to finance. You can arrange to purchase and finance your Land Rover from the people who know it best – your Land Rover Dealer. Your Land Rover Business Manager can explain the full range of finance options available from Land Rover Financial Services and provide expert advice to help tailor a finance package to best suit your needs. To discover more about Land Rover Financial Services visit your nearest Land Rover Dealer, call 1800 037 711 or visit www.landrover.com.au for more information.

LAND ROVER ASSURED EXTENDED WARRANTY

Choose Land Rover Assured Extended Warranty Insurance for 12 or 24 months, up to 200,000 Kms. Land Rover Assured Extended Warranty Insurance lets you enjoy your Land Rover both on and off the road without any concerns of the cost and inconvenience of mechanical failure. For a once off payment, you can enjoy the reassurance of protection against mechanical failures for up to 24 months with qualified repairs for the life of your warranty. Consult your Land Rover Retailer for more information.

Important Pricing Note: Due to legislation that came into effect on 25 May 2009, Land Rover Australia is unable to provide you with a published price list. The legislation is intended to ensure that the price advertised for motor vehicles includes the 'on road costs' (Drive Away Price) which are "quantifiable" that a customer will incur, when purchasing a new vehicle. The 'on road costs' typically include the vehicle registration fee, compulsory third party insurance, State stamp duty and the dealer delivery costs. These components are not always a fixed or constant value, meaning the 'on road costs' vary according to individual circumstances. Land Rover Australia supports pricing transparency for our customers and is endeavouring to produce a price list without breaching this legislation. In the meantime, we kindly ask that you refer any price related inquiries to your local Land Rover retailer.

The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Land Rover is under license.

Important Notice: All details in this Recommended Retail Price list are believed to be correct as of March 2013. However, we are constantly striving for improvement and therefore reserve the right to alter price and specifications without notice. Distributors and retailers are not agents of Land Rover Australia and have no authority to bind Land Rover Australia to any expressed or implied undertaking or representation.
