

**LANCER**

**LOVE THAT CAR**

Lancer has a long list of advanced safety features. But it's the way they all work together that makes Lancer such a safe vehicle for the driver and occupants.

Lancer has seven **SRS airbags**. Side airbags to protect occupants against thorax injuries. Curtain airbags to give protection from side collisions, and driver and front passenger airbags and a driver knee airbag for protection in head on collisions.

A **reversing camera** appears automatically whenever reverse gear is engaged. The Mitsubishi Multi Communication System (MMCS) available on VRX will display the rear view camera's view on its screen.

While on LX and GSR it appears on the audio system display.

Staying connected in a Lancer is easy with minimal interruption to the driver. **The Mitsubishi Multi**

**Communication System** is an integrated communication and media system that provides satellite navigation, voice activated Bluetooth®, audio control, iPod connectivity and a host of other features, controlled via a 7" full colour in-dash touch screen.

In addition to the integration with the 9-surround sound speaker Rockford Fosgate® audio system, MMCS (VRX only) allows USB connectivity so you can easily access your music through the audio system – whether it's on an iPod, smartphone MP3 player or USB stick.

### RISE Body

Mitsubishi's Reinforced Impact Safety Evolution (RISE) body system with integrated chassis is a highly rigid, one-piece shell. RISE integrates a rigid ladder frame, side impact bars with collision absorbing joints. This super strength cabin cocoons you and your passengers with outstanding protection in the event of an accident.

Crushable zones teamed with a straight frame chassis and octagonal section frames are designed to absorb and dissipate energy from the passenger compartment. In addition, curved floor panels reduce vibration and further add to body strength, keeping you and your passengers protected in the event of an accident.

For more information on the Lancer range scan the QR code or visit [mitsubishi-motors.com.au](http://mitsubishi-motors.com.au)

### ASC

#### Active Stability Control (ASC)

ASC maintains stability and minimises loss of control when cornering by automatically recognising understeer and oversteer. It then applies the brakes to the appropriate wheels to keep you on line and in control through corners.

### ATC

#### Active Traction Control (ATC)

ATC helps maintain traction on slippery surfaces. When sensing loss of traction in an independent wheel, ATC applies braking force to that wheel and sends extra power and torque to other wheels that have traction to keep you moving and in control.

### ABS

#### Anti-lock Braking System (ABS)

Lancer is ready to perform if you're faced with the unexpected. ABS helps the driver maintain steering control and avoid hazards by adjusting the braking pressure to prevent the wheels from locking up under hard braking or during an emergency stop.

### EBD

#### Electronic Brakeforce Distribution (EBD)

EBD helps you to stay in control should you need to stop quickly. When carrying passengers or heavier loads, EBD distributes braking force between the front and rear wheels to ensure optimum braking and reduce stopping distance.

For over 20 years, Lancer has been one of Australia's favourite small cars due to its stylish design, modern technology and legendary performance. With a wide range of models, including sedans and hatches, there's a Lancer to suit every individual need.

VRX shown

**A spacious cabin** setting makes the Lancer range a pleasure to drive with everything designed conveniently around your fingertips. Lancer has the latest in-dash MP3 player compatible audio system, with iPod and USB connectivity. The Mitsubishi link system also allows you to make and receive phone calls hands free with Bluetooth®. **Smart Key** gives you complete keyless operation. Lancer LX, VRX and GSR models recognise the key within a 70cm radius, so you can lock and unlock the doors, open the boot all with the smart key safely tucked in your pocket or bag.

**A rain sensor** in the VRX and GSR models automatically detects moisture on the windscreen and, according to the amount of rain falling, will activate the wipers at the appropriate speed, while further sensors automatically switch on the headlamps when it gets dark or when travelling through a tunnel. That's fewer things to distract you from the road ahead.

**Your Lancer is powered by the latest in engine technology**, the Mitsubishi Innovative Valve Timing Electronic Control – MIVEC. 2.0 litre petrol in ES SPORT and LX models or 2.4 litre petrol in VRX and GSR. MIVEC minimises fuel consumption without sacrificing power and performance.

**Continuously Variable Transmission (CVT)** offers infinitely variable gear ratios that allow the engine to always operate at optimum RPM, irrespective of the vehicle's speed. This maximises power and economy helping to ensure a smooth, stable ride with seamless gear changes. Sports Mode allows you to switch between the ease of a CVT automatic and the control of a manual transmission without a clutch.

Rain Sensing Wipers

## LANCER ES SPORT

### Mechanical

2.0L DOHC 16 valve MIVEC engine  
5 speed manual transmission or optional  
Continuously Variable Transmission (CVT) with  
Sports Mode  
Electric power steering (ES SPORT & LX only)

### Exterior

16" Alloy wheels 5 spoke (205/60R16 92H tyres)  
Colour-coded door handles  
Colour-coded electric door mirrors  
High mount stop lamp  
Rear sports spoiler  
Ralliart style front chrome grille surround  
Black Ralliart style radiator grille  
Chrome exhaust tip  
Side air dam

### Interior

Leather wrapped steering wheel  
Soft touch front door trim with leather insert  
Rear adjustable cargo floor (sportback only)  
Rear room lamp  
Boot room lamp  
Front map lamps  
Chrome inside door handles

### Comfort & Convenience

Keyless entry central door locking with 2 transmitters  
Steering wheel audio & phone controls  
Cruise control with steering wheel remote controls  
Tilt adjustable steering wheel  
Climate control air-conditioning  
Pollen filter  
Power windows – front and rear with auto up and  
down for driver  
Rear window demister  
Digital clock

Accessory 12V socket on console  
Multi-information display  
– Average speed and fuel consumption  
– Engine coolant temperature and odometer  
– Distance until empty  
– Maintenance schedule  
– Outside temperature  
Twin trip meter  
Low fuel warning

Seatbelt warning lamp with buzzer – driver and front  
passenger  
Coat hook (rear driver's side)  
Sunvisor with mirror, lid and ticket holder – driver and  
front passenger  
Day/Night rear vision mirror  
Driver's foot rest

### Storage

Glovebox  
Floor console with storage box and lid  
Cup holder with lid for front seats  
Door pockets for front and rear doors with bottle  
holders for front

### Seating

Cloth seat trim  
Front bucket seats  
Driver seat slide, recline and height adjust  
Front passenger, seat slide and recline adjust  
Front passenger's seat back pocket

60/40 Split fold rear seat  
Rear centre arm rest with cup holder x 2  
Height adjust head-restraint – front and rear

### Audio & Media

Single CD with MP3 and AM/FM radio  
iPod connectivity  
USB connectivity  
4 speakers  
Bluetooth® with voice activation and audio streaming\*

### Safety

Reinforced Impact Safety Evolution (RISE) body  
Driver and front passenger SRS airbags (dual stage)  
Side and curtain SRS airbags  
Driver knee airbag  
Active Stability Control (ASC)  
Active Traction Control (ATC)  
Anti-lock Braking System (ABS) with Electronic  
Brakeforce Distribution (EBD)  
Brake Override System (Smart Brake)  
Hill Start Control (HSC) ES & LX CVT only  
Driver and front passenger seatbelts  
– 3 Point ELR  
– Force limiters  
– Pretensioners  
– Adjustable shoulder anchor  
– Rear seatbelts  
– 3 Point ELR x 3/ALR x 2  
Childproof rear door locks  
Child restraint tether anchor points x 3  
ISO-Fix attachments for outer rear seats x 2

### Security

Anti-theft encrypted engine immobiliser

\*Bluetooth® phone connectivity depends  
on your phone compatibility.

## LANCER GSR

### Mechanical

2.4L DOHC 16 valve MIVEC engine  
5 speed manual transmission or optional  
Continuously Variable Transmission (CVT) with  
Sports Mode  
Steering wheel mounted gear paddle shifters (CVT  
only)  
Power steering  
Sport tuned suspension

### Exterior

18" 10-spoke Alloy wheels (215/45R18 89W tyres)  
Colour-coded handles  
Colour-coded electric door mirrors  
High mount stop lamp  
Rear sports spoiler  
Ralliart style front chrome grille surround  
Black Ralliart style radiator grille  
Front fog lamps  
Chrome exhaust tip  
Side airdam  
Privacy glass rear & side

### Interior

Leather wrapped steering wheel  
Leather wrapped shift knob  
Alloy sports pedals  
Adjustable cargo floor  
Soft touch front door trim with leather insert  
Rear adjustable cargo floor  
Cargo cover  
Rear room lamp  
Boot room lamp  
Front map lamps  
Chrome inside door handles  
Chrome parking brake lever button  
Instrument panel and door trim garnish – gloss black  
High contrast instrument meter

### Comfort & Convenience

Smart Key – keyless operating system with 2  
transmitters  
Steering wheel audio & phone controls  
Cruise control with steering wheel remote controls  
Tilt adjustable steering wheel  
Climate control air-conditioning  
Pollen filter  
Power windows – front and rear with auto up and  
down for driver  
Rear window demister  
Digital clock

Accessory 12V socket on console  
Automatic rain sensing wipers  
Automatic dusk sensing headlamps
