# LOVE THAT CAR.

HERE AT MITSUBISHI, WE LOVE OUR CARS. WE LOVE THEIR

## SUPERIOR QUALITY-

WHAT THEY STAND FOR, AND WHAT THEY'RE  
CAPABLE OF. AND WE WANT YOU TO FEEL THE  
SAME WAY. IT'S WHY WE STRIVE FOR THE

## HIGHEST STANDARDS

IN EVERYTHING WE DO, AND IT'S WHY WE BACK ALL OUR VEHICLES WITH  
OUR MITSUBISHI DIAMOND ADVANTAGE, AUSTRALIA'S BEST NEW CAR  
WARRANTY, CAPPED PRICE SERVICING AND CUSTOMER CARE.

#### STREET PRESENCE

We'll design attention-grabbing vehicles with real street presence and genuine performance.

#### ADVANCED TECHNOLOGY

We'll continue to develop ground-breaking technology that focuses on better control, performance and lifestyle. This includes innovations such as our MIVEC engine technology and our leading Mitsubishi Multi Communication System.

#### DRIVER CONFIDENCE

We're committed to raising the bar in terms of safety, which gives peace of mind to all occupants. Our Mitsubishi Reinforced Impact Safety Evolution (RISE) body design remains at the heart of our vehicle safety philosophy.

#### SUPERIOR VALUE

We'll constantly strive to deliver the ultimate customer experience at all times. This is reflected by the Mitsubishi Diamond Advantage, Australia's best new car warranty, capped price servicing and customer care, by our feature-packed vehicles, and our ongoing commitment to making our vehicles more cost effective and fuel efficient.

## OUR PROMISE

When you buy a Mitsubishi Lancer, or any vehicle from our range, you're buying a vehicle that's backed by world-class research, technical innovation, and leading performance. In every area of our business we're continually focussed on four key values, we never fail to create superior vehicles that people love.

# ATHLETIC LANCER

WITH ATHLETIC, PURPOSEFUL STYLING AND AN  
**ENVIABLE** MOTOR SPORT HERITAGE,  
THE MITSUBISHI LANCER DELIVERS AN  
**EXHILARATING DRIVING  
EXPERIENCE.**

Its looks and performance may have been forged in competition, but its road manners are utterly refined.

At the heart of Lancer is a stylishly sleek, bold design combined with the latest engineering technology. Every Lancer within the range offers its own unique personality, there's the stylish sedan, the versatile, fun sportback through to the refined Aspire.

Mitsubishi delivers the latest and greatest in technology, style, sophistication and unquestionable reliability. With eight exciting models to choose from, you're certain to find the Lancer sedan or hatch that suits you perfectly. With every choice you're guaranteed a bold, stylish design that's sure to turn heads, with the reliability born from over 35 years of testing in the world's toughest rallies.

# ENHANCED EXPERIENCE

LANCER IS PACKED WITH NEXT-GENERATION FEATURES  
TO ENHANCE YOUR DRIVING EXPERIENCE.

Race inspired paddle gear shifters offer instant response while Bluetooth® phone connectivity enables you to use your mobile hands-free without taking your concentration off the road ahead. Lancer is ready to put the fun back into driving and put you in control behind the wheel.

#### MITSUBISHI MULTI COMMUNICATION SYSTEM (MMCS)

MMCS is an integrated communication and media system that provides satellite navigation, audio control, DVD function and a host of other features, controlled via the 7" full colour in-dash touch screen.

In addition to iPod connectivity and integration with the 9-speaker Rockford Fosgate® Premium Audio System, MMCS allows you to customise features such as dusk sensing headlamp sensitivity, wiper speed, and room lamp shutdown delay.

#### ROCKFORD FOSGATE® PREMIUM AUDIO SYSTEM

The Rockford Fosgate® Premium Audio System is designed to provide crystal clear, low-distortion fidelity to make any type of music come to life. A 6 stacker CD player, with MP3 compatible auxiliary input and 9-surround sound speakers, including a 10-inch subwoofer, delivers an impressive 710 Watts.

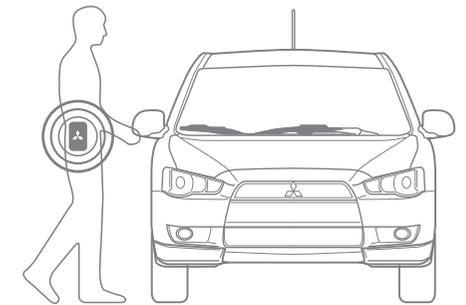

#### BLUETOOTH®2.0 PHONE CONNECTIVITY

Drive safely. Talk freely. The latest hands-free Bluetooth®2.0 technology allows you to make and receive calls at the touch of a button and wirelessly stream music from your Bluetooth® compatible devices, all integrated through the vehicle's audio system.

#### MULTI INFORMATION DISPLAY

The colour LCD Multi Information Display provides handy vehicle information such as fuel consumption, a trip computer and outside temperature functions. You can configure the display to show you exactly the information you want.

#### SMART KEY

Smart Key is Mitsubishi's advanced security transmitter, giving you completely key-less operation. Smart Key recognises when you are within a 70cm radius of the front doors and boot lid. You can lock and unlock the doors, open the boot and even start the engine, all whilst the Smart Key is still tucked in your pocket or bag.

# ADVANCED TECHNOLOGY

EXHILARATION BEHIND THE WHEEL;

IT'S BEEN THE PHILOSOPHY OF EVERY GENERATION OF LANCER.

## ENGINE AND TRANSMISSION

From the powerful MIVEC engines to the sporty responsiveness of the transmission, you'll discover the true essence of performance and technology in this rally-bred car.

### MIVEC ENGINES

The Lancer range features two powerful yet fuel efficient MIVEC (Mitsubishi Innovative Valve timing and Electronic Control) engines. ES and VR models feature a 2.0 litre engine while VRX and Aspire models deliver more power thanks to the 2.4 litre engine.

MIVEC offers the latest technology in the form of a lighter engine with intelligent valve timing technology to deliver excellent fuel efficiency and lower emissions, while providing improved drivability. It matches your driving style to minimise fuel consumption at lower revs, while increasing airflow at high revs for greater power and performance.

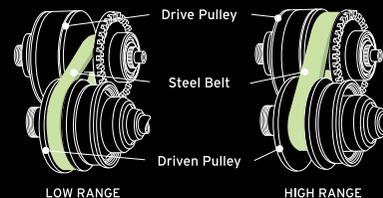

### CONTINUOUSLY VARIABLE TRANSMISSION (CVT) WITH SPORTS MODE

CVT automatic transmission is electronically integrated with MIVEC to ensure Lancer is operated in the best gearing for optimum revs. This ensures maximum power, excellent fuel economy and a smoother ride with seamless gear changes.

The transmission's advanced INVECS-III adaptive shift control system even tailors its response to your driving habits. The on-board computer learns and adapts to your preferences by recording engine and foot braking data. The control logic then adapts the automatic gearshift timing to suit your driving style. That makes for a better driving experience – and a more efficient one.

Sports Mode allows you to switch from the ease and convenience of an automatic to the control and performance of a manual. Combine this with paddle gear shifters for sporty, lightning fast gear changes. Driving just got a whole lot more fun.

Driving enthusiasts may opt for the sporty performance of the smooth-shifting 5-speed manual transmission that offers the excitement of hands-on performance and control.

LOW RANGE

HIGH RANGE

# PERFORMANCE

POWER MEANS NOTHING WITHOUT **CONTROL**

LANCER'S ADVANCED HANDLING AND STABILITY SHOULD COME AS NO SURPRISE.  
INCORPORATING THE LESSONS OF THE

## RACETRACK AND RALLY STAGES -

LANCER FUSES QUICK-RESPONDING SUSPENSION WITH A RIGID BODY  
CONSTRUCTION FOR CONFIDENT, HIGH PERFORMANCE DRIVING.

### **RIGID BODY AND SUBFRAMES**

The Lancer body has been reinforced at key points to minimise bending and twisting, keeping everything smoothly on track through strength and stability. The flat front sub-frame helps resist flex-inducing forces, so the wheels keep their precise relationship with the road for impressive grip. The suspension is then able to provide a smoother ride over bumps and potholes. Lancer offers a truly enjoyable drive with its great road-holding ability and smooth ride.

### **SPORTS-TUNED SUSPENSION**

The suspension in VRX and Aspire was developed with handling and performance in mind. It has front and rear suspension that's as effective as it is high tech – MacPherson struts up front and the rear multi-link independent system help keep you in control.

The suspension in VRX and Aspire is more rigid with the incorporation of a front strut tower brace under the bonnet for more precise, directional handling and enhanced driving performance.

Both vehicles are also equipped with larger front and rear brakes, providing controlled stopping power for everyday performance. The brake booster further increases stopping power, especially for emergency situations. All this is matched with a muscular set of alloy wheels and high performance tyres for improved grip, cornering and overall stability.

# DRIVER CONFIDENCE

The safety of you and your family is paramount. That's why Lancer offers some of the most comprehensive active and passive safety features available. You'll enjoy peace of mind on every journey taken in the Lancer, knowing that it's built with the safety of its occupants as a top priority.

## 5-STAR ANCAP SAFETY RATING

Lancer has been awarded a 5-star rating by the Australasian New Car Assessment Program (ANCAP), the highest rating possible. ANCAP, Australia's leading automotive safety authority is supported by Australian and New Zealand automobile clubs, the state

**ASC**

**Active Stability Control (ASC)**  
ASC maintains stability and minimises loss of control when cornering by automatically recognising understeer and oversteer. It then applies the brakes to the appropriate wheels to keep you on line and in control through corners.

**ATC**

**Active Traction Control**  
ATC automatically controls and improves the stability and acceleration of the car by minimising wheel spin, maintaining traction at all times even in the most slippery conditions.

**HID/AFS**

**High Intensity Discharge Headlamps with Adaptive Front Lighting System**  
Clever self levelling HID headlamps offer brighter illumination for night time driving and AFS provides increased illumination of corners when the car is turning.

government road and transport authorities of NSW, Victoria, South Australia, Queensland, Tasmania, Western Australia, the New Zealand Government, the Victorian TAC, NRMA Insurance and the FIA Foundation.

**ABS**

**Anti Lock Braking System (ABS)**  
Lancer is ready to perform if you're faced with the unexpected. ABS helps the driver maintain steering control and avoid hazards by adjusting the braking pressure to prevent the wheels from locking up under hard braking or during an emergency stop.

**EBD**

**Electronic Brakeforce Distribution (EBD)**  
EBD helps you to stay in control should you need to stop quickly. When carrying passengers or heavier loads, EBD distributes braking force between the front and rear wheels to ensure optimum braking and reduce stopping distance.

## REINFORCED IMPACT SAFETY EVOLUTION (RISE) BODY

Lancer is safer than ever before, thanks to Mitsubishi's next-generation RISE rigid frame design. The RISE body system combines an energy-absorbing front section with a strong, rigid occupant cell to provide outstanding protection in the event of an accident.

Crushable zones teamed with a straight frame chassis and octagonal section frames are designed to absorb and dissipate energy from the passenger compartment. In addition, curved floor panels reduce vibration and further add to body strength, keeping you and your passengers protected in the event of an accident.

OVERSEAS MODEL SHOWN

**SUPPLEMENTARY RESTRAINT SYSTEM (SRS) AIRBAGS**

To provide ultimate protection in the event of a collision, Lancer comes standard with seven SRS airbags including side and curtain airbags. Lancer is the only car in its class to come equipped with a driver's knee airbag as standard across all models. In some head-on accidents, it stabilises the driver's legs and lower body. This allows the other airbags to do their job of protecting the upper body more effectively.

**REVERSING CAMERA & REVERSE PARKING SENSORS**

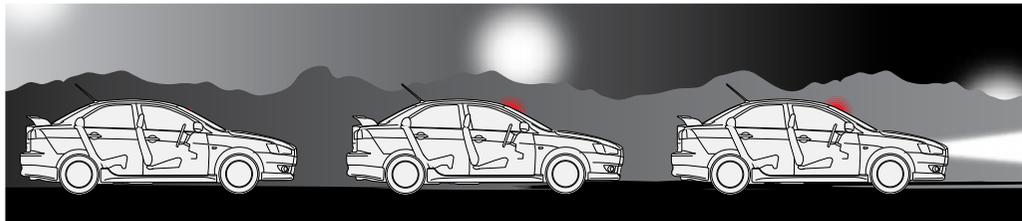

The reversing camera supplements the driver's rear field of view by automatically appearing on screen when reverse gear is engaged. In models that have the MMCS feature, the rear view will show on the MMCS screen. In models without MMCS, where reversing camera is available, the camera's view will appear in the electrochromatic rear view mirror. Combined with reverse parking sensors that alert you when objects get a little close, parking your Lancer easy.

Reversing Camera with MMCS

**DUSK SENSING HEADLAMPS**

Dusk sensing headlamps do the thinking for you. Your lights automatically come on when it gets dark outside or when you're travelling through a tunnel.

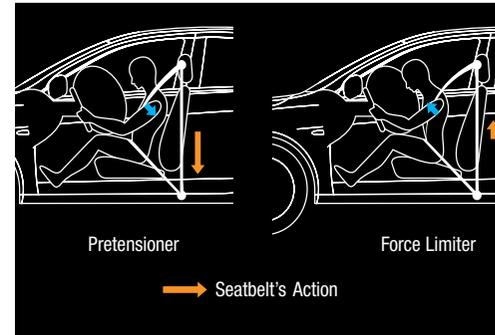

**RAIN SENSING WIPERS**

A sensor automatically detects moisture on the windscreen, activating the front wipers, allowing you to keep your hands on the wheel and stay focussed on the road ahead. This feature is especially handy when it's raining intermittently.

**ANTI-INTRUSION PEDAL SYSTEM**

In the event of a front-on collision the brake pedal automatically moves away from the driver, protecting the legs and feet from injury.

**SEATBELT PRETENSIONERS AND FORCE LIMITERS**

Designed to work in conjunction with the SRS airbags, the driver and front passenger seatbelts feature pretensioners and force limiters, which combine to help protect you in the event of an accident. The pretensioners instantly draw back the belt, maximising restraint, while force limiters help reduce the sudden impact on you and your passengers.

Reversing Camera without MMCS

**PADDLE SHIFTERS**

Take command of the driving experience in a whole new way with Lancer's racing-inspired paddle shift system. Built directly into the steering wheel, they provide the thrill of total control in your CVT automatic without taking your hands off the steering wheel.

# DESIGNED FOR LIFE

*INSIDE LANCER YOU'LL FIND A CABIN THAT IS BOTH SPACIOUS AND FLEXIBLE TO MEET THE CARRYING DEMANDS OF AN ACTIVE, BUSY LIFE.*

There's plenty of load space, aided by 60/40 split folding rear seats, in addition to loads of clever compartments throughout the cabin to keep your valuables neatly hidden away. There's also plenty of space for friends and family, comfortably seating 5 adults.

60/40 SPLIT FOLD REAR SEATS

REAR CUP HOLDERS

## CLEVER STORAGE

Intelligent interior design means there's a place for everything in Lancer. In fact, everywhere you look you'll discover a clever place for storing items. So it's easy to keep your car clutter free.

## FLEXIBLE CARGO SPACE

Carrying extra large or long items is so much easier thanks to Lancer's 60/40 split folding rear seats, giving you an even greater cargo space. The rear seats fold down automatically with one quick pull of an easy-access lever in the rear of the hatch.

Sportback also gives you the option to lower the rear floor, increasing the available storage space. The sedan includes a smartly – designed anti-intrusion hinge, providing maximum space inside your boot by keeping hinges out of the way.

AUSTRALIA'S

# BEST NEW CAR WARRANTY AND CUSTOMER CARE PACKAGE

## WARRANTY 10/5YR<sup>†</sup>

Mitsubishi Motors Australia Limited offers a 10 year/ 160,000km (whichever comes first) non-transferable Powertrain Warranty, a 5 year/130,000km (whichever comes first) New Vehicle Warranty and a 5 year Perforation Corrosion Warranty on all Mitsubishi cars and light commercial vehicles. Service conditions apply. See your dealer for details.

## CAPPED PRICE SERVICING\*

Enjoy 'no surprises' certainty when you book your Mitsubishi in for its regular service requirements. Your servicing costs will be capped for the first 4 years or 60,000km of driving, whichever occurs first up to the first four Regular Services and eight Regular Services for Ralliart and Lancer Evolution vehicles. Conditions apply.

## CUSTOMER ASSIST 24/7

We're here to help, 24 hours a day, seven days a week. So just call Mitsubishi Motors Australia Customer Assistance Centre on 1300 13 12 11 if you have any questions, or for the location of your nearest Mitsubishi Dealer.

## 200+ DEALER NETWORK

With a network of more than 200 dealers, Mitsubishi is never too far away.

## GENUINE SERVICE

Mitsubishi offers one of Australia's best service intervals of 12 months/15,000 km (whichever comes first). Regular scheduled servicing ensures the long-term reliability and safety of your Mitsubishi and our Scheduled Service Program also helps protect your car's resale value.

## FINANCE

Take the burden out of financing your new Mitsubishi vehicle with our competitive range of finance products, developed by Mitsubishi Motors Australia Limited and St. George Motor Finance Limited.

## 5YR ROADSIDE ASSIST<sup>^</sup>

Peace of mind is guaranteed anywhere in Australia with our 5 year/130,000km (whichever comes first) Roadside Assist, 24 hours a day, 365 days a year. Our fast, comprehensive roadside service offers assistance, repairs, towing and storage. Our Premium Roadside Assist clients also enjoy the added benefits of accommodation, medical and transport facilities.

## GENUINE PARTS

Your Mitsubishi will be serviced regularly by skilled Mitsubishi-trained technicians. Only genuine Mitsubishi parts are fitted to your car during scheduled servicing – parts that have been fully tested and meet Mitsubishi's stringent quality control. All these parts carry the Mitsubishi Genuine Parts 12 months/20,000 km (whichever comes first) warranty.

## INSURANCE

With the sound backing of Swann Insurance and Mitsubishi Motors Australia Limited, Mitsubishi owners can choose between vehicle and personal protection solutions including motor vehicle, gap cover and loan protection insurance as well as a range of tailored warranty policies.

# MITSUBISHI LANCER – KEY FEATURES BY MODEL

## Lancer ES

### Engine and Transmission

2.0 litre DOHC 16 valve MIVEC engine  
5-speed manual or optional INVECS III CVT with Sports Mode

### Audio & Media

Single CD with MP3 and AM/FM Radio with 4 Speakers  
USB connectivity

### Exterior

16" steel wheels (205/60R16 92H tyres)  
Colour-coded door handles  
Colour-coded electric door mirrors  
High mount stop lamp  
Rear spoiler (sportback only)

### Interior

Instrument panel and door trim garnish-dark silver  
Chrome air outlet knob  
Soft touch front door trim with leather insert  
Boot carpet  
Rear adjustable cargo floor (sportback only)  
Cargo Cover (sportback only)  
Rear room lamp  
Boot room lamp  
Chrome plate inner door handles

### Safety

Reinforced Safety Evolution (RISE) body  
Driver and front passenger SRS airbags (dual stage)  
Side and curtain SRS airbags  
Driver knee SRS airbags  
Active Stability Control (ASC)  
Active Traction Control (ATC)  
Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD)  
Smart Brake (Brake Override System)

Driver and front passenger seatbelts

- 3 Point ELR
- Force limiters
- Pretensioners
- Adjustable shoulder anchor

Rear seatbelts

- 3 Point ELR x 3/ALR x 2

Immobiliser  
Childproof rear door locks  
Child restraint anchor points x 3

### Seating

Front bucket seats  
Driver seat slide, recline and height adjust  
Front passenger, seat slide and recline adjust  
Front passenger's seat back pocket  
60/40 Split fold rear seat  
One touch folding rear seats (sportback)  
Rear centre arm rest with cup holder x 2  
Height adjust front head-restraint  
Height adjust rear head-restraint

### Comfort & Convenience

Air conditioning  
Pollen filter  
Electric Power Steering  
Power windows – front and rear with auto up and down for driver  
Cruise control with steering wheel remote controls  
Tilt adjustable steering wheel  
Keyless entry central door locking with 2 transmitters  
Rear window demister  
Ignition key cylinder with illumination  
Digital clock  
Accessory 12V socket on console  
Tachometer

Multi-information display

- Average speed and fuel consumption
- Engine coolant temperature and odometer
- Distance until empty
- Maintenance schedule
- Outside temperature

Twin trip meter  
Low fuel warning  
Seatbelt warning lamp with buzzer – driver and front passenger  
Coat hook (rear driver's side)  
Sunvisor with mirror, lid and ticket holder (driver and passenger)  
Day/night rear vision mirror  
Driver's foot rest  
Windscreen wiper 2-speed with variable intermittent synchronised washers

### Storage

Glove box  
Floor console with storage box and lid  
Cup holder with lid for front seats  
Door pockets for front and rear doors with bottle holders for front

### Options

#### Convenience Pack

Bluetooth® 2.0 connectivity  
Reverse parking sensors  
Reversing camera  
Electrochromatic rear view mirror with reversing monitor  
Leather wrapped steering wheel  
Steering wheel audio & phone controls  
Front map lamps

## Lancer VR (Features Additional to ES)

### Audio & Media

6 disc CD with MP3 and AM/FM audio  
6 speakers (4 speakers + 2 tweeters)

### Exterior Styling

Chrome upper grille  
Chrome side window garnish (VR and ASPIRE models only)  
Front fog lamps  
Front corner air dams  
Side air dam  
Rear lip spoiler (sedan)  
Chrome exhaust tip  
16" Alloy wheels

### Interior

Colour LCD multi-function display

### Comfort & Convenience

Climate Control Air Conditioning  
Bluetooth® 2.0 hands free phone connectivity with steering wheel controls  
Dusk sensing headlamps  
Rain sensing wipers  
Smart Key – keyless operating system with 2 transmitters  
Door mirrors with electric fold control  
Leather steering wheel  
Audio controls on steering wheel

### Safety

Reversing camera  
Electrochromatic rear view mirror with reversing monitor  
Reverse parking sensors

### Storage

Upper console box with lid  
Lower console box with lid

### Option

Rockford Fosgate® Premium Audio System

## Lancer VRX (Features Additional to VR)

### Engine and Transmission

2.4 litre DOHC 16 valve MIVEC engine

### Audio & Media

Rockford Fosgate® Premium Audio System includes 9 speakers  
(4 speakers + 4 tweeters + 1 subwoofer)

### Exterior

Ralliart style front chrome grille surround  
Black Ralliart style radiator grille  
18" alloy wheels (215/45R 18 89W tyres)  
Privacy glass  
Rear sports spoiler  
Front air dam extension

### Interior

Alloy pedals  
Instrument panel and door trim garnish – gloss black

### Comfort & Convenience

Gear paddle shifters (CVT only)  
Accessory 12V socket in console box

### Seating

Front sports seats  
Leather seat trim  
Front seat heaters  
Power driver seat with slide, recline and height adjustment

### Option

Mitsubishi Multi Communication System (MMCS) includes satellite navigation, single CD player, iPod connectivity and Bluetooth® hands free phone operation.

## Lancer ASPIRE (Sedan only - Features Additional to VRX)

### Engine and Transmission

INVECS III CVT with Sports Mode

### Audio & Media

Mitsubishi Multi Communication System (MMCS) includes satellite navigation, single CD player, iPod connectivity and Bluetooth® hands free phone operation.

### Exterior

Chrome radiator grille  
Chrome accent on boot lid  
Chrome door handles  
Delete rear sports spoiler

### Interior

Delete alloy pedals

### Safety

High Intensity Discharge Headlamps (HID) with Adaptive Front lighting System (AFS)  
Headlamp washers  
Reversing camera with reversing monitor in MMCS  
Electrochromatic rear view mirror

### Option

Electric glass sunroof

\*When MMCS is fitted, USB input and in-dash 6 CD stacker is deleted and navigation voice recognition commands replace Bluetooth voice recognition commands.

Mitsubishi is committed to complete customer satisfaction. Therefore when Genuine Accessories are fitted to your new vehicle at the time of delivery, they are covered by the Mitsubishi 3 year/130,000km (whichever comes first) Accessory Warranty. When they are fitted after purchase of your new vehicle they are covered for the remainder of the Accessory Warranty or for 12 months/20,000km, whichever is the longer. In the case of Diamond Spectrum Accessories the warranty is 12 months/20,000km (whichever comes first). Pictures shown for illustration purposes and may not be product specific. Please check with your Mitsubishi dealer for specific model applications.
