'A true classic.' *'One of the world's greatest cars.'*

So, to celebrate 70 glorious years of this famous model, Morgan are manufacturing 142 Anniversary Editions – two cars for every year of its production life since its launch in 1936. Each one individually marked with the year it honours, and finished in period style.

An exclusive edition of 142 4/4s, two for every year of its production life.
