# NISSAN NAVARA

# GET IT DONE WITH AUSTRALIA'S MOST POWERFUL TRADIE. THE NISSAN NAVARA.

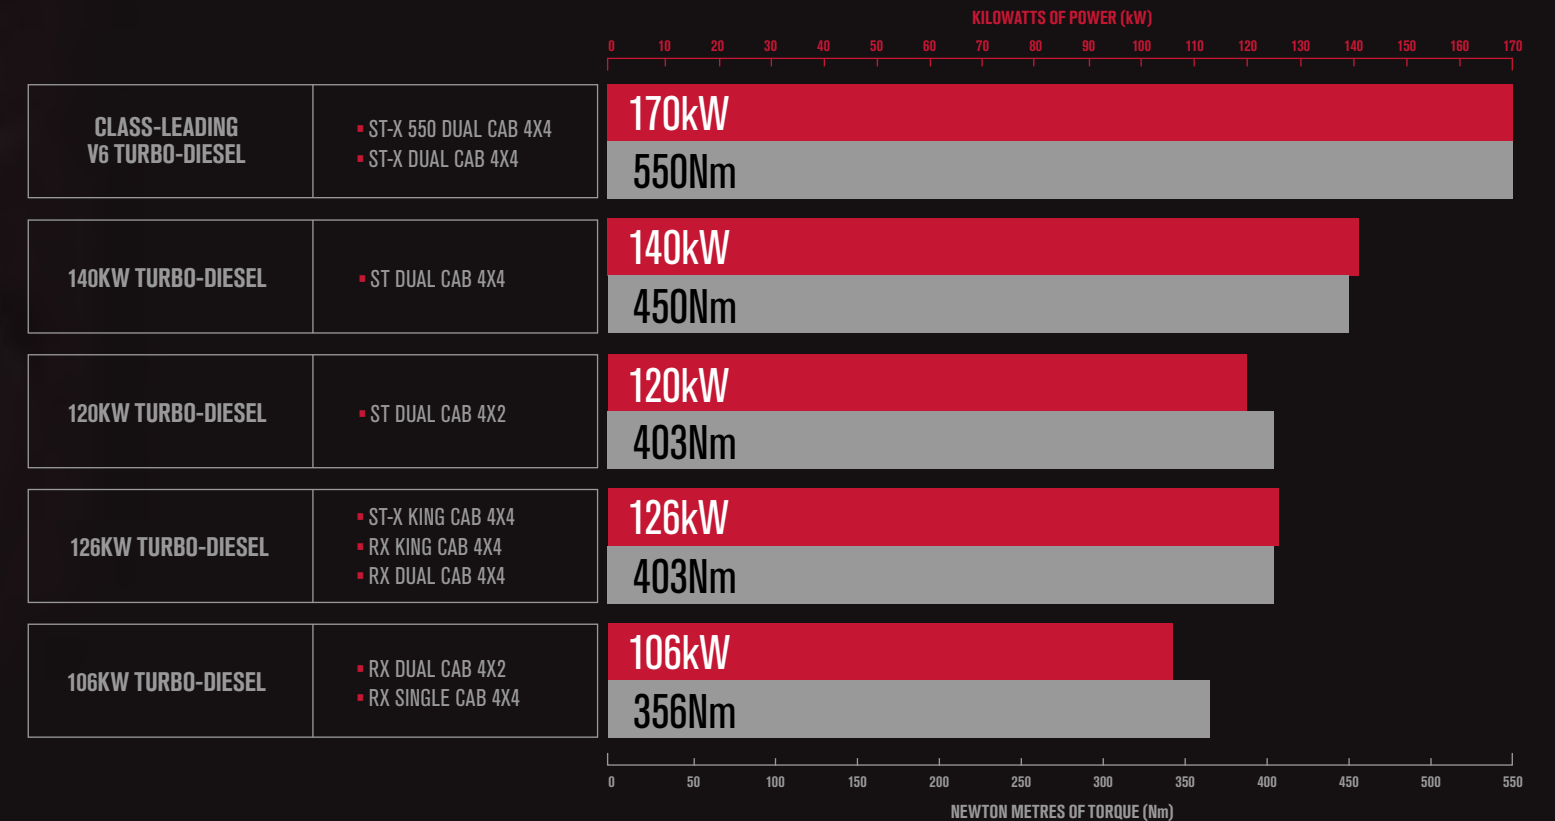

Powerful, hardworking and reliable, the Nissan Navara doesn't take itself too seriously. It doesn't need to. Supremely confident at work or play, it's as practical as it is powerful, whether you're hauling kids or transporting bricks. Australia's Most Powerful Tradie has got what it takes to get the job done, and then some. And while it's tough as, there's no compromise on interior creature comforts. It's got all the gadgets you need to get you through the day, and a stack of innovative features that are sure to impress.

Silver Lightning ST-X Dual Cab 4x4 with optional Nissan Genuine Accessories soft tonneau cover, black sports bar and tow bar.

V6 turbo-diesel engine available in the ST-X and ST-X 550 Dual Cab models.

# POWER UP

Whether you're powering up for work, or powering down for some much needed time out, there's a Nissan Navara engine built to ensure you can get any job done and dusted. Serious power, tonnes of towing capacity, standout fuel efficiency, performance you can rely on and a can-do attitude at work or play; its got everything you need to make hard work, look too easy.

## 170KW CLASS-LEADING V6 TURBO-DIESEL

The only V6 turbo-diesel available in a Dual Cab, Australia's Most Powerful Tradie packs a whopping 170kW of power and 550Nm of torque, so no wonder it's called Australia's most powerful tradie. Available in the ST-X and ST-X 550 Dual Cab models, you'll get all the grunt you need with excellent fuel economy and low emissions.

## 140KW TURBO-DIESEL

The ST Dual Cab 4WD is powered up with 140kW of power and 450Nm of torque. It's got the force you need for work or play, and on the open road is a dream. Anyway you look at it, it stacks up for work or play however hard you push it.

## 120KW TURBO-DIESEL

The 2WD ST Dual Cab serves up 120kW of power with 403Nm of torque, to deliver an awesome package of power, comfort and performance. Add to that standout fuel efficiency and good looks, and you're on a winner.

## 126KW TURBO-DIESEL

Available across a range of Nissan Navara models including the RX 4x4 Dual Cab Pickup and Cab Chassis, the RX King Cab 4x4 Cab Chassis, and the ST-X King Cab Pickup and Cab Chassis. This engine punches above its weight to give you serious low-down torque and fuel economy.

## 106KW TURBO-DIESEL

Tough, reliable and hard working, this no-nonsense, zealous worker will power through to get the job done. Available in the RX Dual Cab 4x2 and RX Single Cab 4x4, this is a sturdy and not to be messed with workmate, with brute force and efficiency that you'll be happy to have on the worksite.

# TOWS ANYTHING, ANYWHERE

Altitude Blue ST Dual Cab 4x4.

Whether you're looking to pull a heavy load at work, or you're entrenched in the serious business of loading up your motorbike to head off for some downtime, Nissan Navara makes it easy. All our 4WD models can muster up the grunt to pull a massive 3,000kgs\* (trailer with brakes), and thanks to its famous 4WD system, they can do it in whatever challenging conditions you throw at them. The 4WD's dash rotary dial makes it a cinch to change between three modes while you're on the job: 2WD High for normal dry conditions gives you devoted rear wheel power, then when the going gets tough choose 4WD High to lock the transfer case and split drive equally between front and rear, or pick 4WD Low for deep mud or sand. No matter what the situation, the Nissan Navara 4WD system will make sure you can tackle nearly anything.

\*Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

# STAY SAFE

With great power comes great responsibility – and in a powerful vehicle safety is paramount, whether you're on the job or driving with loved ones. Every Nissan Navara comes with Anti-lock Braking System (ABS) and Electronic Brakeforce Distribution (EBD), to prevent wheel lock up and adjust brake force, giving you a firm grip on the road if things get out of hand. Vehicle Dynamic Control\* (VDC) keeps you on the 'straight and narrow', sensing both under and over steer, and reducing engine power or increasing brake power. For added peace of mind you're protected by front and rear crumple zones and door intrusion bars. Front driver and passenger SRS airbags are fitted in all models, with side impact SRS airbags and front to rear SRS curtain airbags across the ST, ST-X and ST-X 550 Dual Cabs; that's 6 airbags all up. Safe as.

ST-X Dual Cab 4x4 interior.

\*Not available on 4x2 ST Dual Cab.

Silver Lightning ST-X 550 Dual Cab 4x4.

# SMART TECH YOU NEED

Sure, it's a hardworking grunt machine, but there's no compromise on all the innovative technologies you need to compete in the 21st century. All Nissan Navara models come with Bluetooth® handsfree phone systems with steering controls as standard, so you can link your compatible mobile as well as a CD player and auxiliary input jack for MP3 player connection. iPod® connectivity via a USB port is available on the Dual Cab ST, ST-X and ST-X 550 models. The ST-X 550 also comes with a DVD Player, rear-reversing camera with Predictive Path Technology, leather accented front heated seats\*, and an HDD satellite navigation system with 3D mapping on a 7" integrated colour display touch screen. And for serious sound lovers, the audio system in the ST-X 550 is enhanced by 6 amazing Bose® speakers and a subwoofer. It also comes with CD player, AM/FM radio and a 9.3GB Music Box Hard Drive you can pack with all your favourite tracks. What more could you ask for?

**SAT NAV.\***  
HDD satellite navigation system with 3D mapping on a 7" integrated colour display touch screen keeps you on track whether it's for work or play.

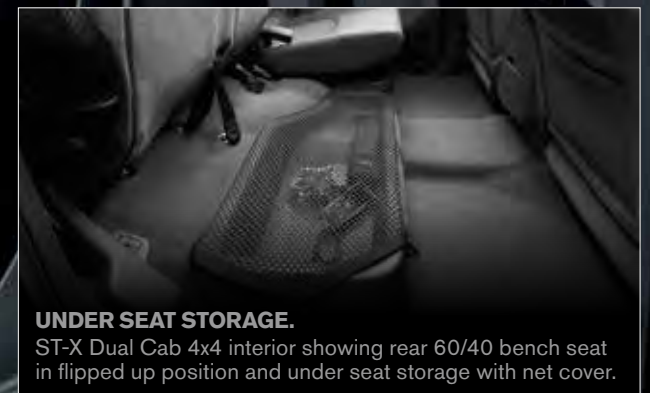

**REVERSING CAMERA.\***  
Rear-reversing camera with Predictive Path Technology helps you avoid any unseen obstacles.

**BOSE®**

**BOSE SPEAKERS™\*\***  
6 amazing Bose® speakers and a subwoofer makes listening to any music a powerful experience.

# STORE MORE

When it comes to storage, the Nissan Navara is a treasure trove of hidden compartments and seriously accommodating wide open spaces. Keep your valuables under lock and key in the dual level lower glovebox, and have all your essentials on hand in the centre console and centre dashboard storage compartments. ST, ST-X and ST-X 550 Dual Cab models give you a 60/40 split-fold rear seat for plenty of room for extra cargo, with part or all of the rear seats folding flat so you can pack in those cumbersome bulky items. The ST-X and ST-X 550 Dual Cab models have a rear under-seat storage compartment with a net cover – great for squirreling away all sorts of stuff, while the King Cab models feature two rear fold-up seats to deliver yet more storage space. Pretty handy.

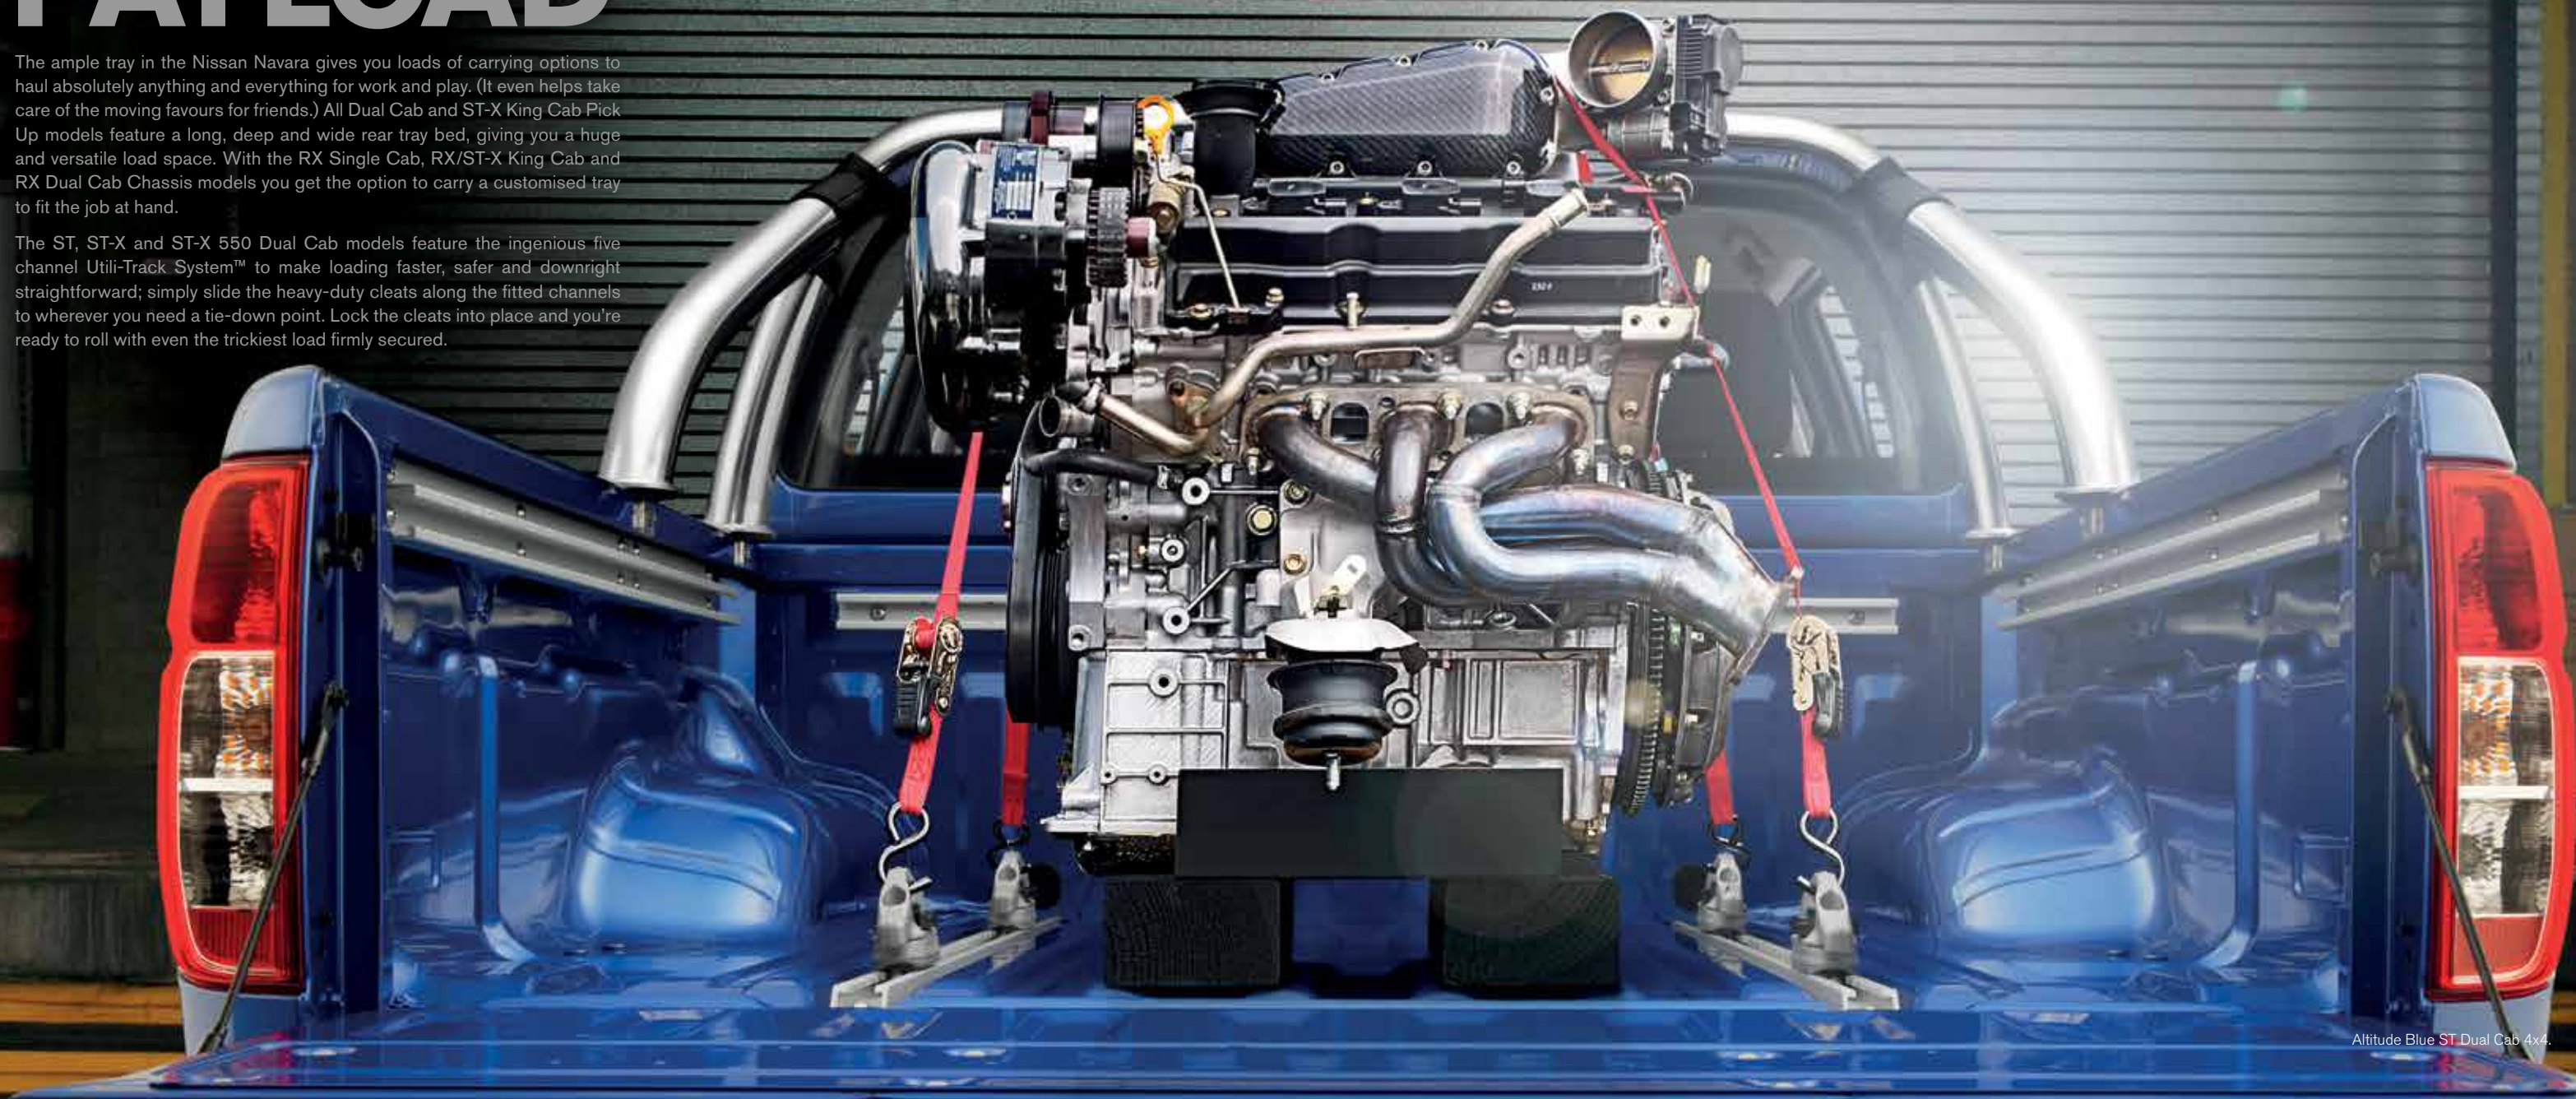

**UNDER SEAT STORAGE.**  
ST-X Dual Cab 4x4 interior showing rear 60/40 bench seat in flipped up position and under seat storage with net cover.

# SERIOUS PAYLOAD

The ample tray in the Nissan Navara gives you loads of carrying options to haul absolutely anything and everything for work and play. (It even helps take care of the moving favours for friends.) All Dual Cab and ST-X King Cab Pick Up models feature a long, deep and wide rear tray bed, giving you a huge and versatile load space. With the RX Single Cab, RX/ST-X King Cab and RX Dual Cab Chassis models you get the option to carry a customised tray to fit the job at hand.

The ST, ST-X and ST-X 550 Dual Cab models feature the ingenious five channel Utili-Track System™ to make loading faster, safer and downright straightforward; simply slide the heavy-duty cleats along the fitted channels to wherever you need a tie-down point. Lock the cleats into place and you're ready to roll with even the trickiest load firmly secured.

# my nissan

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

## **3 YEAR/100,000KM WARRANTY**

Receive assurance with a 3 year/100,000kms warranty with the option of extending further for up to 6 years.

## **24-HOUR ROADSIDE ASSISTANCE FOR 3 YEARS**

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge\*.

## **CAPPED PRICE SERVICE**

For 6 years or 120,000kms\* you'll always know the maximum price you'll pay when you come in for your next Scheduled Service at any Nissan Dealer.

## **FACTORY-TRAINED TECHNICIANS**

Using dedicated diagnostic equipment and genuine parts they'll keep your vehicle in top condition.

## **MYNISSAN IPHONE APP**

Request roadside assistance and advise of your location using your phone's GPS, plan trips, search for locations, plus set registration, service and parking expiry reminders.

## **NISSAN GENUINE ACCESSORIES**

Your Nissan Dealer can show you a variety of accessories to protect, enhance and personalise your Nissan Navara.

## **FINANCIAL SERVICES**

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

#### **RX SINGLE CAB 4X4**

<sup>\*\*</sup> GVM = Gross Vehicle Mass. GVM includes the driver, passengers, full fuel tank and luggage.

<sup>†</sup> Tare mass = unladen mass of vehicle and 10 litres of fuel, excludes tray body for Cab Chassis vehicles.

<sup>‡</sup> Including optional tray.

<sup>§</sup> Figures have been calculated in accordance with ADR81/02 (combined fuel consumption data). Actual fuel consumption will vary depending on driving conditions, driver behaviour, the condition of your vehicle and the accessories fitted.

<sup>†</sup> Towing capacity is subject to towbar/towball capacity and is based on the fitment of a Genuine Nissan towbar. Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

<sup>~</sup> The fitment of front protection systems and accessories having a combined weight in excess of 55 kgs will require a Positive Bonnet Restraint System & Nissan H/D front suspension springs.

<sup>^</sup> iPod is a registered trade mark of Apple Inc.

<sup>†</sup> Leather accented feature and upholstery may contain synthetic material.

<sup>\*\*\*</sup> Applies to the first 12x10,000kms scheduled service intervals for up to 6 years/120,000kms (whichever occurs first). Some exclusions apply. Ask your Nissan Dealer or visit [nissan.com.au/cpctcs](http://nissan.com.au/cpctcs) for full terms and conditions.

Single and King Cab models	
Towball download	Vehicle Mass
80kg	GVM** (All variants)
100kg	Reduced loaded vehicle mass below GVM** by 30kg
150kg	Reduced loaded vehicle mass below GVM** by 110kg
200kg	Reduced loaded vehicle mass below GVM** by 185kg
250kg	Reduced loaded vehicle mass below GVM** by 250kg
300kg	Reduced loaded vehicle mass below GVM** by 310kg

## 4WD Dual Cab models

Towball download	Vehicle Mass
150kg	GVM** (All variants)
200kg	Reduced loaded vehicle mass below GVM** by 60kg
250kg	Reduced loaded vehicle mass below GVM** by 130kg
300kg	Reduced loaded vehicle mass below GVM** by 200kg

## 2WD Dual Cab models

Towball download	Vehicle Mass
70kg	GVM** (All variants)
100kg	Reduced loaded vehicle mass to below GVM** by 40kg
150kg	Reduced loaded vehicle mass to below GVM** by 110kg
200kg	Reduced loaded vehicle mass to below GVM** by 180kg

Opt     Optional     Not available     Standard

S     Standard paint     P     Premium paint available at extra cost

If the loaded vehicle's rear mass is reduced as shown in the tables, the towball download can be increased correspondingly. Accordingly, if the laden mass is 180kg less than the GVM,\*\* a towball download of 200kg is approved (2WD). Different trailer types and different trailer manufacturers have varying towball downloads. The customer will need to contact the trailer manufacturer for information as to the download. Nissan is not able to make any recommendation on the use or suitability of load-levelling or weight distribution devices to be fitted to the vehicle. Customers should contact the manufacturers of these devices for further information.
