

Innovation that excites

# NISSAN X-TRAIL

X.TRAIL

The Nissan X-TRAIL is the compact SUV that's going places – to the beach, to the snow, to the bush, or even just into the city. Both the 2WD and 4WD versions are packed with innovative features and are ready for whatever you have planned. The Nissan X-TRAIL will shift where you can go. It will shift what you can take with you. It will **shift the way you move.** 

97

### **2WD PETROL ENGINI**

The 2WD Nissan X-TRAIL features a 2.0 litre 4 cylinder petrol engine to provide the power you need as well as excellent fuel economy.

5

9

3

### **4WD PETROL ENGINE**

The 2.5 litre 4 cylinder petrol engine delivers an impressive 125kW of power and 226Nm of torque thanks, in part, to its Continuous Valve Timing Control System (CVTCS) which optimises performance.

### **4WD DIESEL ENGINE**

The 2.0 litre turbo-diesel engine also has plenty of power. It features a variable nozzle turbo charger that helps deliver more power and lower emissions, giving you 127kW of power and 360Nm of torque on the manual model.

# MANUAL TRANSMISSION

The Nissan X-TRAIL ST 2WD, ST 4WD and Diesel models come with a 6-speed manual transmission, delivering smooth and responsive gear changes.

Available as an option in Petrol models, CVT automatic transmission provides a virtually infinite number of gears. So instead of feeling the gear changes, you'll experience smooth acceleration as your reach your desired speed. If you want to take control, the 4WD Petrol models have Manual Mode to allow you to shift through the gears yourself.

The 4WD Diesel X-TRAIL has the option of a 6-speed automatic with Manual Mode.

2,000kg TOWING CAPACITY\* Want to take some big toys on your adventure? The 2,000kg braked towing capacity on 4WD petrol and manual turbo-diesel models will cope with just about anything you want to hook on the back.

### **ALLOY WHEELS**

Sporty 17" alloys on the ST, ST-L and TS models, and stylish 18" alloys on the Ti and TL models enhance the Nissan X-TRAIL's distinctive exterior.

### ALL MODE 4X4-i SYSTEM

ALL MODE 4X4-I STSTEM The rotary dial makes it easy to change between three modes while driving: 2WD for normal driving conditions, AUTO which continually monitors all four wheels and instantly distributes the ideal amount of torque between them and, for serious off-roading, LOCK which splits the front and rear wheel torque evenly for maximum stability and traction.

# HILL START ASSIST

On 4WD models the brake remains engaged for a few seconds while you switch from it to the accelerator, helping to prevent any roll back.

# HILL DESCENT CONTROL

4WD models help you stay in control by using the Anti-lock Braking System to keep your vehicle travelling at a low speed when heading down steep inclines.

X-TRAIL

### **AROUND VIEW MONITOR (AVM)\***

The Ti and TL models feature the innovative Around View Monitor technology, giving you a virtual 360 degree bird's eye view around your vehicle that makes parking easier than ever. The system uses four wide-angle cameras: one on the front, one on each side mirror, and one at the rear, to give you a view on all four sides.

When you are backing in, the display shows dynamic lines to help guide you, gauging the distance to objects that may be in your way. This technology is as easy to use as it is advanced – you can change camera views at the touch of a button, when parallel parking for example. Now you really can see everything in an X-TRAIL.

### **REVERSING CAMERA WITH PREDICTIVE PATH TECHNOLOGY**~

The rear-reversing camera with Predictive Path technology makes reversing easy by making sure you avoid obstacles and always know the path of your vehicle when turning the steering wheel. The second second second

### SATELLITE NAVIGATION

You will always know how to get to your destination with Satellite Navigation via the integrated 5" QVGA colour touch screen display.

### **AUDIO SYSTEM**

All models feature a CD player with MP3 reading capability, an AM/FM radio and iPod<sup>^</sup> connectivity through USB that allows you to easily control your music library. Ti and TL Audio comes with Radio Data System that displays Artist and Song title when listening to music on radio stations.

# **BLUETOOTH® HANDSFREE PHONE SYSTEM**

Link your compatible mobile phone to make and receive calls safely and legally.

### **INTELLIGENT KEY WITH KEYLESS START**~

No more fumbling for keys. The Intelligent Key stays in your pocket or bag while you open the door by pushing a button. Once inside, turn the ignition to start the engine, with no key required.

### **RAIN-SENSING WIPERS AND AUTOMATIC HEADLIGHTS**

The Ti and TL models give you two less things to worry about. The windscreen wipers will automatically keep your vision clear at the first sign of rain, while the Xenon headlights will illuminate your view whenever they're needed.

~Ti and TL models only. ^iPod is a registered trade mark of Apple Inc. \*AVM is a driver's aid only. It cannot completely cover blind spots, and may not detect moving objects. Always check surroundings before moving vehicle.

10:32

Ti/TL 4WD interior

ANTI-LOCK BRAKING SYSTEM (ABS) In an emergency situation ABS moderates the brakes to prevent wheel lock up and help you maintain stability and steering control. Dual front, dual side and dual curtain SRS airbags will protect the occupants in the case of an impact.

to oversteer or understeer, the engine power is reduced or braking power has traction. applied to specific wheels to help you maintain control.

BRAKE ASSIST & ELECTRONIC BRAKE FORCE DISTRIBUTION More than "just stopping", Brake Assist senses emergency braking and automatically helps to apply maximum braking pressure if needed. Electronic Brake force Distribution senses if there is additional weight in the front or rear of the vehicle and distributes appropriate brake force to the front or rear brakes.

### ACTIVE BRAKE LIMITED SLIP (ABLS)

ESP, also known as Vehicle Dynamic Control, is a safety system to help keep you on your intended path. If the ESP senses that your vehicle is starting system to brake a spinning wheel and transmitting power to the wheel that

# **REAR FOLDING SEAT SYSTEM**

This split-seat configuration allows you to carry longer items like skis and still seat two adults comfortably. They can be reclined to five different positions or folded down entirely to create a completely flat rear area. It's perfect for carrying larger items or even for sleeping.

### WASHABLE LUGGAGE BOARDS

It's easy to wash away your adventure when you get home by taking out the luggage boards and hosing them down.

### **REAR DRAWER SYSTEM**

Use this innovative system to stop things rolling around in the back, or remove the drawer and have even more cargo capacity.

### **HEATED/COOLED CUPHOLDERS**

Four of the eight cupholders are connected to the climate control system to keep your drinks the perfect temperature.

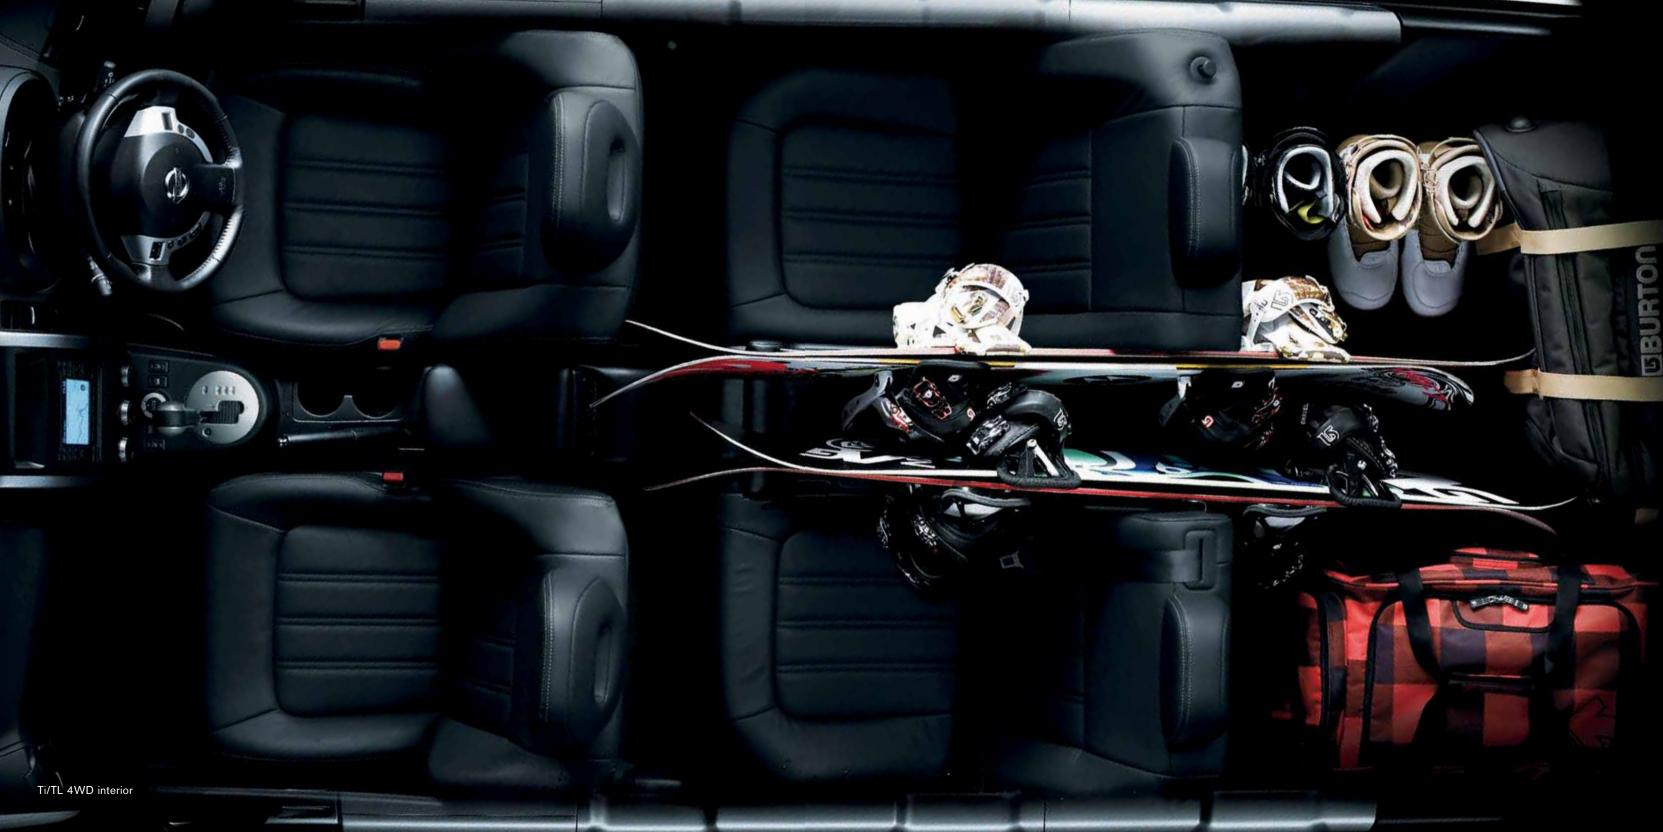

## **NULTIPLE STORAGE AREAS**

The glovebox can also be heated or cooled, while a dash-top storage box and centre console storage make sure there's somewhere to put everything.

# REAR PRIVACY GLASS

A darker tint on the rear windows helps keep the cabin cooler and adds extra. stylishness to the exterior.

\*Not available on ST models.

### MYNISSAN

A complete ownership experience to help you get the most out of your Nissan. It includes the following:

### 3 YEAR/100,000KM WARRANTY

You can choose to extend your warranty for up to 6 years to provide even greater peace of mind.

### 24-HOUR ROADSIDE ASSISTANCE FOR 3 YEARS

No matter where you're planning to journey, you'll have the peace of mind of knowing that if you lock your keys in the car, have a flat tyre or battery, or run out of fuel, we'll help get you back on the road at no charge.

### **CAPPED PRICE SERVICE**

For 6 years or 120,000kms\* you'll always know the maximum price you'll pay when you come in for your next Scheduled Service at any Nissan Dealer.

### FACTORY-TRAINED TECHNICIANS

Using dedicated diagnostic equipment and genuine parts they'll keep your vehicle in top condition.

### **MYNISSAN iPHONE APP**

Request roadside assistance and advise of your location using your phone's GPS, plan trips, search for locations, plus set registration, service and parking expiry reminders.

### NISSAN GENUINE ACCESSORIES

Your Nissan Dealer can show you a variety of accessories to protect, enhance and personalise your Nissan X-TRAIL.

### **INANCIAL SERVICES**

Choose from a range of finance options at very competitive rates and terms, as well as various insurance solutions to protect you and your vehicle.

Genuine Nissan Extended Warranty	Opt						

<sup>†</sup> Vehicle towing capacity is subject to towbar/towball capacity and design. Towing capacity may be reduced if a non genuine Nissan towbar is fitted. Please refer to the Genuine accessory brochure for towbar capacity information. <sup>∞</sup> GVM = Gross Vehicle Mass. GVM includes the driver, 4 passengers, full fuel tank and luggage.

<sup>A</sup> Figures have been calculated in accordance with ADR81/02. Actual fuel consumption will vary depending on driving conditions, driver behaviour, the condition of your vehicle and the accessories fitted. ^ iPod is a registered trade mark of Apple Inc.

Towball Download	Reduced Vehicle Mass
50kg	Nil
100kg	Reduced loaded vehicle mass below ${\rm GVM}^\infty$ by 60kg
150kg	Reduced loaded vehicle mass below ${\rm GVM}^\infty$ by 150kg
200kg	Reduced loaded vehicle mass below GVM∞ by 250kg

If the loaded vehicle mass is reduced as shown in the table, the towball download can be increased correspondingly. Accordingly, if the laden mass is 250kg less than the GVM,<sup>∞</sup> a towball download of 200kg is approved. Different trailer types and different trailer manufacturers have varying towball downloads. The customer will need to contact the trailer manufacturer for information as to the download. Nissan does not recommend the fitting of load levelling Follow us: @Nissan Aus or weight distribution devices when used with a Nissan Genuine towbar. When fitted and used correctly, the Nissan Genuine towbar is capable of meeting the towbar/towball capacity stated in the above table.

ST/TS cloth seat trim.

ST-L/Ti/TL leather seat trim.

### our comprehensive ownership experience
