Towball download (Petrol Variants)	Vehicle Mass
0kg	GVM <sup>o</sup> (all models)
50kg	Reduce loaded vehicle mass below GVM <sup>o</sup> by 65kg
100kg	Reduce loaded vehicle mass below GVM <sup>o</sup> by 135kg
150kg	Reduce loaded vehicle mass below GVM <sup>o</sup> by 205kg

If the loaded vehicle mass is reduced as shown in the table, the towball download can be increased correspondingly. Accordingly, if the laden mass is 205kg less than the GVM<sup>o</sup> a towball download of 150kg is approved. Different trailer types and different trailer manufacturers have varying towball downloads. The customer will need to contact the trailer manufacturer for information as to the download. Nissan does not recommend the fitting of load levelling or weight distribution devices when used with a Nissan Genuine towbar. When fitted and used correctly, the Nissan Genuine towbar is capable of meeting the towbar/towball capacity stated in the above table.

<sup>4</sup>Figures have been calculated in accordance with ADR81/02. Actual fuel consumption will vary depending on driving conditions, driver behaviour, the condition of your vehicle and the accessories fitted.

<sup>5</sup>AVM is a driver's aid only. It cannot completely cover blind spots and may not detect moving objects. Always check surrounding before moving vehicle.

<sup>6</sup>Leather accented feature and upholstery may contain synthetic material.

<sup>7</sup>iPod is a registered trademark of Apple

<sup>8</sup>ISOFIX compatible child seats are subject to Australian Standard approval, refer to child restraint manufacturer for more information.

<sup>9</sup>Applies to the first 12x10,000kms scheduled service intervals for up to 6 years/120,000kms (whichever occurs first). Some exclusions apply. Ask your Nissan Dealer or visit [nissan.com.au/cpstcs](http://nissan.com.au/cpstcs) for full terms and conditions.

<sup>10</sup>Towing capacity figure described is a maximum figure. Actual towing capacity depends on the laden mass of the vehicle, driving conditions, fitment of any accessories or towing equipment limitations including the maximum towball download.

<sup>11</sup>Features and function may vary by model grade. Driving is serious business. Only use NissanConnect<sup>™</sup> services when safe to do so and in accordance with local Road Rules. Never program while driving. Use of NissanConnect<sup>™</sup> services is subject to agreeing to a Subscription Agreement containing important restrictions, terms and conditions (see [nissan.com.au/nissanconnect](http://nissan.com.au/nissanconnect) for details). 36 month subscription starts on vehicle registration date, subsequently a paid subscription is required at the then current rate. Standard data usage charges apply. Availability of specific features is dependent upon the phone's Bluetooth<sup>®</sup> support. Please refer to your phone owner's manual for details.

<sup>12</sup>Tare Mass is the Unladen mass of the vehicle, with 10 litres of fuel and no accessories fitted.

<sup>13</sup>GVM=Gross Vehicle Mass. GVM includes the driver, passengers, fuel tank and luggage.

Black Cloth Trim. Available on ST model only.

Black Leather Accented Trim<sup>1</sup>. Available on ST-L and Ti models.
