

CLIO RENAULT SPORT 200 CUP

DRIVE THE CHANGE

NEW CLIO RENAULT SPORT 200 CUP

PERFORMANCE GENETICS COME STANDARD

New Clio Renault Sport's sporty credentials are visible both inside and outside the car. Its exterior styling includes new aerodynamic features, which take their inspiration from the world of Formula 1, while the Cup chassis strikes the best possible balance between improved performance and comfort.

THE PRECISE, EFFICIENT, HIGH-PERFORMANCE HOT HATCH

New Clio Renault Sport 200 Cup benefits from all the ingredients that have helped forge the success of previous Renault Sport models, including the 'Cup' chassis, a high performance engine and brakes. The combination of the independent steering axis front suspension arrangement and reinforced rear suspension provides rigorous, balanced and sporty handling. The new Renault Sport Technologies-developed 2.0 16V engine produces 147.5kW and brings out the very best in new Clio Renault Sport's potential, while the Brembo calipers and big brake discs deliver powerful and durable stopping power.

Overseas model shown.

NEW CLIO RENAULT SPORT 200 CUP TROPHEE

WHEN PASSION BECOMES PRECISION

For those looking for the ultimate precision, the new Clio Renault Sport 200 Cup Trophée is the car for you. Its race bred Recaro seats will hold you tight while you explore the amazing chassis dynamics that the Cup Chassis delivers.

To further enhance the experience and optimise convenience, the traditional key has been replaced by the Renault smart card key. By simply leaving the key in your pocket, the car senses its presence and unlocks itself, effectively giving you handsfree access to the car. Once inside, just buckle up and press the Start button!

Overseas model shown.

A SPORTY, CHIC INTERIOR

New Clio Renault Sport 200 Cup's sporty calling is mirrored in details such as the aluminium pedal covers, as well as by the perforated leather steering wheel with visible stitching and yellow centre-point marker. The specific Renault Sport seats for the standard version and Recaro front seats for the Cup Trophée are exceptionally comfortable and ensure a high level of body-hugging lateral support. The yellow rev-counter includes a visible and audible gearshift indicator to help optimise gear changes. As with all models developed by Renault Sport Technologies, Renault Sport badging is visible inside the car on the rev-counter background, door sills and front seats and outside on the tailgate, on the side protective mouldings and under the bonnet.

Overseas model shown.

The 2 litre engine was developed jointly by Renault Sport Technologies and Renault's powertrain Engineering Department.

Rear diffuser derived from Formula 1 aerodynamics. Twin chrome exhausts are integrated into the diffuser.

The extractor vents behind the front wheels reduce turbulence and enhance the car's aerodynamics.

Powerful 4-piston Brembo front brakes with ventilated front discs.

Drilled aluminium sport pedals enhance the fine detailing within the cockpit.

Renault Sport aluminium door sills.

17" Renault Sport alloy wheels (Standard on Cup).

17" Bebob alloy wheels (Standard on Cup Trophée).

Satellite Navigation System available as an option.

TECHNICAL SPECIFICATIONS

ENGINE	
Type	Euro 4
Capacity (cc)	1,998
Bore x stroke (mm)	82.7 x 93

Vehicle tested in accordance with ADR 81/02. Actual fuel consumption and CO2 emissions depend on factors such as traffic conditions, vehicle condition and how you drive.

PRODUCT FEATURES

SAFETY AND SECURITY	
Active and Passive Safety Features	
ABS with EBD (Electronic Brake Distribution)	
Sports-tuned ESP (Electronic Stability Program) with disconnection function	
Front, lateral and curtain airbags	
Anti-submerging airbags (Standard Cup only)	
Height adjustable 3-point front seatbelts with pretensioner and load limiter	
Two 3-point rear seatbelts	
Cruise control with Speed limiter	
Automatic headlights and wipers	
Security Features	
Engine immobiliser	
Remote central locking and Renault Anti Intruder Device (R.A.I.D)	
INTERIOR FEATURES	
Switchblade Key	
Renault Sport seats (4 Seater) with Renault Sport embroidery	
Height and lumbar adjustable driver's seat (Height only for Recaro driver's seat)	
Height and reach adjustable Renault Sport leather steering wheel with yellow centreband	
Leather gear knob	
New generation height adjustable front headrests	
Drilled aluminium pedals	
Two height adjustable rear headrests with two pre-set positions	
Dark grey centre console with dark grey detail on dashboard	
Multi function trip computer with digital display	
Multimedia Connection Box (Aux input & USB support)	
80W AM/FM stereo (4 speakers, 2 tweeters) with CD player (MP3 compatible) and fingertip controls	
Bluetooth®	
Climate control air conditioning	
Electric front windows with anti-pinch function and one touch control	
Bootspace and glovebox light	
Interior courtesy light with time delay	
Driver and passenger map reading lights	
60:40 Split folding rear seat	
EXTERIOR FEATURES	
New front shield with F1 derived aerodynamic spoiler and large air intakes	
Front edge / rear view mirrors/ rear diffuser in gloss black with twin chrome exhaust outlets	
Tinted windows and Privacy rear windows	
Height adjustable headlights	
17" Renault Sport alloy wheels	
OPTIONS	
Metallic paint	
Satellite Navigation System	
Renault Sport 200 Cup Trophée Pack	
- Renault Sport Recaro height adjustable front seats	
- Dark Grey Renault Sport Pack Design (Front edge / rear view mirrors / rear diffuser with twin chrome exhaust outlets)	
- Centre console with carbon fibre effect and satin chrome detail on dashboard	
- Electric and folding door mirrors	
- Special 17" Bebop alloy wheels	
- Renault Smart Card Key (handsfree)	
WARRANTY	
3 Year/100,000km with 24 Hour Roadside Assistance	

GENUINE ACCESSORIES

CLIO RENAULT SPORT 200 CUP

IMAGE N°	ACCESSORY	PART NUMBER	BROCHURE COMMENTS
1	Alloy Wheel Kit	MK030X8501AU	17 x 7.5" 'Speedline', reduced unsprung weight for improved traction and steering response. Set of 4, black finish.
1a	Alloy Wheel Kit	MK030X8502AU	17 x 7.5" 'Speedline', reduced unsprung weight for improved traction and steering response. Set of 4, white finish.
2	Alarm Kit	7711424856	Ultrasonic Interior protection, self powered high output siren, auto arm/disarm (for vehicles with conventional type ignition key).
2a	Alarm Kit	7711236479	Ultrasonic Interior protection, self powered high output siren, auto arm/disarm (for vehicles with optional Keyless Card start).
3	Bike Carrier Kit	7711236315	Hi-tensile aluminium and ABS plastic construction, lockable for security, accommodates cycle frame tubes to 80mm diameter.
4	Rear Spoiler Kit	8200742647	Supplements diffuser to increase rear down force, Carbon Fibre look end plates with 'Renault Sport' logo (painting required).
