

RENAULT MEGANE HATCH

MADE FOR THE MOMENT

DRIVE THE CHANGE

CRUISE THE CITY

WITH ITS STYLISH GOOD LOOKS AND SOPHISTICATED DESIGN, THE RENAULT MEGANE HATCH IS YOUR KEY TO EXPLORING THE CITY AND HAVING FUN IN STYLE. YOU'LL BE CHARMED BY ITS LUXURIOUS FEEL AND INSPIRED BY ITS AGILE HANDLING AS YOU GLIDE THROUGH CITY STREETS.

The Mégane Hatch is as smart as it is stylish; incorporating some impressive technological features such as Electronic Stability Control, Bluetooth® with audio streaming, cruise control and an enviable five-star safety rating. The sporty yet refined GT-Line model also features Integrated Satellite Navigation, LED daytime running lights, rear parking sensors and leather interior accents.

From the affordable Expression to the sporty GT-Line or Privilège, there's a Mégane Hatch to suit every lifestyle.

Overseas model shown

SOPHISTICATED DESIGN AND FIRST-CLASS PERFORMANCE

THE CONFIDENT CHARACTER OF THE RENAULT MEGANE HATCH IS IMMEDIATELY EVIDENT. ITS SMOOTH YET PRECISE LINES CREATE A CAPTIVATING SLEEK AND EYE-CATCHING SILHOUETTE; ONE THAT STANDS OUT FROM THE CROWD. FINISHING TOUCHES OF GLOSS BLACK AND CHROME HIGHLIGHTS ENHANCE THE ELEGANT FEEL AND CREATE A STRIKING OVERALL EFFECT.

The Mégane GT-Line has been developed by Renault Sport to exhibit unique styling. It makes a statement with its specially designed bumpers, signature lighting arrangement with LED daytime running lights, exclusive 17" alloy wheels and enhanced interior trim.

The dynamic power and responsive performance you feel behind the wheel of your Renault Mégane Hatch is a benefit of Renault's decades of motorsport expertise. Since 1977 Renault has been a driving force in FORMULA ONE, designing and developing the engines for some of the most successful teams in history. The cutting-edge engine and technological advancements that win on the FORMULA ONE track have led to vast improvements in performance and efficiency. What is learned on the racetrack, the Renault engineering team adapts for all Renault road vehicles, including the Renault Mégane Hatch.

INTUITIVE TECHNOLOGY

DRIVING THE RENAULT MEGANE HATCH NEVER BECOMES DULL THANKS TO ITS ABUNDANCE OF MODERN AND INTUITIVE TECHNOLOGY.

The high performing Carminat TomTom® satellite navigation system* means you will never get lost again and can be controlled using intuitive fingertip controls on the centre console. Other technological advances from Renault such as the hands-free entry and engine start, dual zone climate control and reversing camera make everyday driving a breeze. And if you love music, all Mégane Hatches come with Bluetooth® audio streaming, USB and Auxiliary ports so you can take your music with you.

SMART SAFETY

YOU CAN FEEL ASSURED WHEN CRUISING ALONG IN YOUR RENAULT MEGANE HATCH THAT SAFETY WAS A CRUCIAL ELEMENT IN EVERY STAGE OF ITS DESIGN.

Electronic Stability Control keeps things together, automatically detecting any loss of control and applying the brakes to keep you on the road. With its ASR anti-skid system and understeer control, your vehicle stability is guaranteed, even under tough conditions.

And, in the case of impact, the active safety system provides instant and effective protection for every occupant. Consisting of six airbags and side impact sensors, it is designed to envelope the driver and passengers and even prevents submarining (a passenger sliding under the seat belt in the event of a frontal impact).

The Privilège and GT-Line Premium models are also fitted with the Parking Assistance and Visio systems to provide added safety assurance. The Visio System detects road markings and the position of your vehicle to alert you when you stray from your lane. This system even automatically adjusts the headlights from high to low beam when required.

KEY FEATURES

FEATURE AVAILABILITY VARIES PER MODEL.

AUDIO CONNECTIVITY

Bluetooth® technology in every Renault Mégane model allows you to wirelessly connect your smartphone to the vehicle for hands-free mobile usage or to stream your music and playlists. You can also play music via USB or auxiliary input and control play from the fingertip controls near your steering wheel or charge your devices on the go.

REAR VIEW CAMERA

Reversing is a breeze in the Mégane Privilège and GT-Line; a rear view camera is tucked away in above the license plate recess, perfectly positioned to provide a clear view of the road behind you when reversing or parking. Distance guidelines help guide you into place.

DUAL ZONE CLIMATE CONTROL

No matter what's going on outside you'll always feel comfortable inside thanks to the dual zone climate control system, available with the Mégane Privilège and GT-Line. While keeping front seat occupants at their ideal temperature, the pollen filter keeps nasties out and provides only the freshest air so you can breathe easily.

ALLOY WHEELS

The Renault Mégane is connected to the road with the latest in alloy wheel design and technology. Its 17" Celsius or 17" Sari alloy wheels (on GT-Line and Mégane Privilège models) have a fresh and modern design with solid, lightweight alloy construction.

LED DAYTIME RUNNING LIGHTS

Not only do they make an eye-catching statement, LED daytime running lights are a safety feature that helps protect you and your family by making your vehicle more visible to other road users at any time of the day. In fact, daytime running lights are now a legal requirement for all new passenger vehicles in Europe.

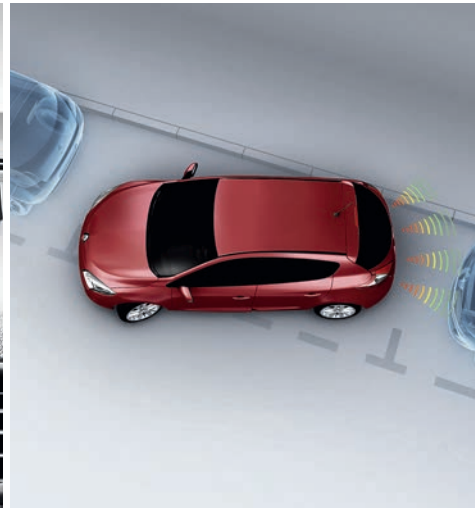

HANDS-FREE ENTRY AND ENGINE START

With the Renault Mégane, you don't even need to touch the key to get in the car and get going. The Renault Smart Key can stay in your bag or pocket, unlocking the doors at a single touch of the door handle. Once inside, you simply press a button to start the engine.

CARMINAT TOMTOM®

The high performing Carminat TomTom® satellite navigation system utilises innovative technology to identify your destination and help guide you there. The system is controlled using intuitive fingertip buttons on the central dash console.

PARKING SENSORS

Whether reversing down a driveway or finding that last tricky space in the car park, front and rear parking sensors (available with the Mégane Privilège and GT-Line) make manoeuvring easier and safer for you and your family. The sensors provide an audible warning as you approach objects helping you to position the car.

REAR PRIVACY WINDOWS

The Renault Mégane Privilège and GT-Line models are fitted with the additional luxury of tinted rear privacy windows, which assist in keeping belongings more secure and reflecting the heat of the sun.

PANORAMIC SUNROOF

The Renault Mégane Privilège and GT-Line Premium models feature a panoramic glass sunroof, allowing you to enjoy a full view of the sky above. The front section adjusts electronically between multiple positions, while the rear section is fixed to protect your passengers from the elements.

VISIO SYSTEM

The advanced safety system is available with the Mégane Privilège and GT-Line models. Lane departure warning senses when the vehicle drifts from its lane without indicating, alerting you to help prevent an accident. The vehicle also automatically switches between high and low beams when required.

CURTAIN AIRBAGS

You can be assured when driving the Renault Mégane that your safety has been a crucial consideration in every stage of its design. As well as driver and front-passenger airbags, side curtain airbags are placed strategically along the inside of the vehicle for additional protection, reacting within a fraction of a second in the case of impact.

OUR QUALITY: YOUR PEACE OF MIND

WHEN YOU PURCHASE A NEW VEHICLE, YOU WANT TO BE SURE IT WILL GIVE YOU YEARS OF ENJOYABLE, WORRY-FREE MOTORING, BACKED BY A TRUSTED AND RELIABLE BRAND. AND WHEN YOU CHOOSE A RENAULT, THAT'S EXACTLY WHAT YOU'LL GET.

GENEROUS COMPREHENSIVE WARRANTIES

Renault has been building and racing motor vehicles for more than 100 years, creating a legacy of invention, innovation and a competitive spirit that drives us to excel. The wealth of experience we've gained is reflected in the design, performance and quality of every vehicle we sell.

We're so confident that your new Renault will provide you with many years of reliable and enjoyable driving that we're backing our quality promise with competitive and comprehensive warranty terms on all of our vehicles.

24/7 ROADSIDE ASSISTANCE

Renault Roadside Assistance is a service Renault provides to you as a new Renault owner for the period of your new vehicle warranty, regardless of how many kilometres you travel.

You could run out of fuel, lose your car keys, have a flat tyre or an accident just around the corner or a long way from home. Just call 1800 009 008 and we'll arrange the assistance you need to get back on the road. The service is available 24 hours a day, 365 days per year and covers you right across Australia.

CAPPED PRICE SERVICING

Fantastic Renault value doesn't end once you've got your new vehicle home – you'll enjoy the benefits of lower maintenance costs for your first 3 years or 45,000km (whichever occurs first) behind the wheel thanks to Capped Price Servicing.

The Capped Price Service program covers the cost of all genuine parts, lubricants and labour required for standard scheduled maintenance services.

And because you're busy, Renault vehicles are designed to require servicing only once per calendar year – not every six months like many other manufacturers.

RENAULT SPECIALIST TECHNICIANS

Only Renault authorised dealerships have registered Factory Trained Technicians. Known globally as COTECHS, they're trained by Renault to perform all factory-recommended servicing and repair operations. This ensures your car always receives the quality attention it deserves.

COTECHS use specialised service tools and equipment to ensure your vehicle continues to provide optimum performance, safety, economy and emissions. When you combine this technical expertise with the very best Genuine Renault parts, lubricants and accessories, you can be sure your car is in the safest of hands.

REPAIR & SERVICE COURTESY CARS

Renault quality extends to our customer service.

To minimise your inconvenience while your vehicle is undergoing maintenance or repairs, our authorised Renault Dealers have low cost loan vehicles ready and waiting for you. Simply book a loan vehicle in advance when you book your Renault in for service with your dealer.

Alternatively, most Renault Dealers offer a drop off service to local destinations or to the nearest public transport.

GENUINE RENAULT PARTS

Genuine Renault parts, lubricants and accessories are of the highest quality, and specifically designed for Renault vehicles. They are purpose-built to our exacting specifications, guaranteeing fit, function and performance first and every time. They are also covered by our 1-year unlimited kilometres warranty.

Authorised Renault Dealers keep high stock levels of commonly used genuine Renault parts to ensure continuous availability.

RENAULT DEALER NETWORK – THE BENEFITS

Everywhere, at every stage in your car's life, the Renault dealer network is with you, providing quality service, including:

- Personalised reception and advice.
- The use of only Genuine Renault parts.
- The Renault 1-year parts and labour guarantee for all repairs carried out by a Renault dealership.
- Equipment and tools specially designed for your Renault.
- Our pricing structures are simple, clear and transparent, so you can always have your car serviced or repaired with confidence.
