

SIMPLY CLEVER

ŠKODA

ŠKODA Octavia Scout 4x4

The Scout interior (below) is upholstered with a high-quality and hard-wearing fabric in the colour Onyx.

The Scout's bumpers, **rugged plastic covers on the wheel arches and door sills** which are typical to the model line, and underbody protection all indicate that it can cope with tough conditions.

The polished **steel twin exhaust pipes** complete the elegant and purposeful appearance of the car.

The **Columbus satellite navigation system** operates via voice control and a user-friendly touch sensitive screen, a high resolution display that shows 3D maps, pictures and video. With a generous 30GB hard drive (20GB for audio and 10GB for navigation) and built-in DVD drive, your music library and navigation data is always at your fingertips.

The **multi-function four-spoke leather steering wheel** controls the radio, phone and trip computer functions.

Proteus 17" alloy wheels with 225/50 R17 tyres come as standard.

Life can be full of challenges. Plans can change before they're even made. You head off one way and then find yourself going in a completely different direction. Thankfully, the robust **ŠKODA Octavia Scout 4x4** is tough enough to face those challenges so that it can follow your plans.

The **decorative strips** are both aesthetic and practical, helping to protect the door sills from scratches.

A grab handle with the Scout emblem is fitted to the dashboard and will be appreciated by your passenger when driving over uneven surfaces.

Octavia Scout Premium 4x4

The **standard Alcantara upholstery** (below) in black is a combination of Alcantara and leather/artificial leather.

Privacy glass from the B-pillar back helps cut down sun glare for the rear passengers.

Proteus polished alloy wheels distinguish the premium model from the opposition.

Electrically-adjustable driver's seat with memory function comes as standard on the Scout Premium.

An **electric glass sunroof** is another standard feature on the Scout Premium.

Black roof rails not available in Australia

Standard model equipment

Safety

Six airbags - dual front, front side and curtain airbags

ESC - Electronic Stability Control (incl. ABS, EBD, ASR and Hill Hold Control)

Height-adjustable front headrests with WOKS (whiplash optimised head restraints)

Height-adjustable three-point front seatbelts with pre-tensioners

Three-point rear seatbelts

Rough road package (including underbody engine protection and raised suspension)

Driver's seatbelt warning light

Door-open indicator

Warning lights in front doors

Rear parking sensors

Remote central locking

Electronic engine immobiliser

Front foglights

Design

Proteus 17" alloy wheels (16" steel spare wheel)

Small leather package (steering wheel, gearshift handle and sleeve, handbrake lever)

Tinted windows

Body-coloured side protective mouldings

Side indicators integrated in outer mirrors

Handhold for passenger on the dashboard

Rear bumper with reflective safety strips

Door sill strips front

Polished chrome exhaust tailpipe

Comfort and convenience

Dual-zone climate control air-conditioning

Satellite navigation Columbus (incl. 30GB hard disc and voice control, 8 speakers)

Bluetooth® phone connectivity

MP3 auxiliary input socket (in front armrest)

Multi-function leather steering wheel with audio control functions

Cruise control

Power windows front and rear

Multi-function onboard computer (time, outer temperature, actual fuel consumption, average fuel consumption, mileage, journey time, average speed, service interval display, tank range)

Height-adjustable front seats with lumbar support

Heated front seats

Light Assist (coming home/leaving home function, tunnel light)

Electrically-adjustable and heated door mirrors

Auto-dimming rear view mirror

Rain-sensing windscreen wipers

Rear window wiper

Reading lights, front and rear

Front armrest with cooled storage space

Flexible cargo area cover

Silver roof rails

Standard model equipment (continued)

Comfort and convenience

12V socket in luggage compartment
Sun visors with vanity mirrors and pockets
Cooled and illuminated glovebox
Storage compartment under steering wheel
Storage bins in front and rear doors (front with one litre bottle holders)
Storage pockets on front seatbacks
Storage compartment on dashboard
Ticket holder on A pillar
Hangers on B pillar
Double cup holder in centre console
Storage tray under passenger seat
Centre rear armrest with storage compartment and access to the luggage space
Illuminated cargo area
Two hooks for bags in cargo area
Lashing eyelets in luggage compartment
Pollen filter for heating and ventilation
Cargo net
Sunglasses holder
Floor mats with silver-grey trim

Premium model equipment

Electric glass sunroof
Electric driver's seat with memory
Leather seats in combination Alcantara/leather/artificial leather
Privacy glass from B pillar
Proteus 17" polished alloy wheels

Optional model equipment (available at additional cost)

Bi-Xenon headlights with dynamic angle control and integrated headlight washers
Front foglights with Corner function
Electric glass sunroof (standard on Premium)
Front parking sensors
Alarm system
MDI - Media Device Interface
Three-spoke multi-function steering wheel for radio and phone with paddles for DSG
6-Disc CD changer
Electric driver's seat with memory (standard on Premium)
Leather seats in combination Alcantara/leather/artificial leather (standard on Premium)
Privacy glass from B pillar (standard on Premium)
Metallic colour / pearl effect (see page 7 for reference)

Technical specifications - Octavia Scout

Model	103TDI (DSG)
Engine	Turbocharged diesel engine, in-line, liquid cooling system, high-pressure direct injection system, OHC, transverse in front
Cylinders/Displacement [cm ³]	4/1968
Max. engine performance/revs [kW at rpm]	103/4200
Max. torque/revs [Nm at rpm]	320/1750-2500
Fuel quality	Diesel
Air pollution regulation	EU5 [*] with Diesel Particulate Filter
Performance/consumption	
Maximum speed (km/h)	199
Acceleration 0-100km/h (s)	10.1
Consumption [l/100 km] [ADR 81/02]	
- combined	6.1
- urban	7.6
- extra urban	5.3
CO ₂ emissions [g/km]	160
Transmission	
Driven wheels	4x4 drive
Clutch	Hydraulic single dry clutch disc (twin coaxial wet multiply-disc clutch, electro-hydraulically operated)
4x4 system	Haldex-clutch between front and rear axles
Transmission	Manual 6 speed, fully synchronised (6-speed DSG)
Weights	
Tare Mass [kg]	1550 (1570)
Max. roof load [kg]	75
Max. trailer load w/o brakes [kg]	650
Max. trailer load with brakes [kg]	1600
Max. downball weight [kg]	75
Body	
Body	5 door, 2 compartment, 5 seats
Drag coefficient C _d	0.34
Chassis	
Front axle	MacPherson suspension with lower triangular links and torsion stabiliser
Rear axle	Multi-element axle, with one longitudinal and three transverse links, torsion stabiliser
Braking system	Hydraulic dual-diagonal circuit braking system vacuum assisted with Dual Rate system
Brake - front	Vented disc brakes with single/piston floating caliper
Brake - rear	Disc brakes
Steering system	Direct rack and pinion steering with electrohydraulic power steering
Wheels	7.0J x 17"
Tyres	225/50 R17
Liquids	
Tank capacity [l]	60
Outside dimensions

General information

OWNING A ŠKODA

ŠKODA New Vehicle Warranty

Every new ŠKODA passenger vehicle is covered by a three-year unlimited kilometre manufacturer's warranty, which includes ŠKODA Assist (24-hour roadside assistance). Every new ŠKODA vehicle is also covered by a three-year paintwork and 12-year anti-corrosion perforation warranty.

ŠKODA Assist - 24-Hour roadside assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original ŠKODA warranty period. You will receive help in the event of a breakdown or accident and, if required, your vehicle will be mobilised or transported to an Authorised ŠKODA Workshop. As a ŠKODA owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100km away from home.

ŠKODA Extended Warranty

To give you added peace of mind and the assurance of added security, you have the option to extend the factory warranty to suit your ownership cycle. If your ŠKODA was purchased new by you, we can offer you a 36 month/60,000km extension on your already existing ŠKODA manufacturer's warranty. Alternatively, if your vehicle is already outside the ŠKODA manufacturer's warranty period we can also offer you an extension of your factory warranty. Have the assurance that your ŠKODA remains a ŠKODA. For further information regarding warranty and extending your vehicle's factory warranty, please consult your local ŠKODA dealer, refer to your owner's handbook or visit www.skoda.com.au

ŠKODA Service

Your Authorised ŠKODA Service Centre is part of ŠKODA's global Quality Management System, ensuring all dealers are certified to ISO 9001:2000 – an internationally recognised Quality Standard. Authorised ŠKODA Service Centres have factory trained Technicians equipped with the very latest diagnostic equipment, specialist tooling and ŠKODA Genuine Parts®. An Authorised ŠKODA Service Centre undertakes work in accordance with factory specified guidelines and maintenance schedules.

ŠKODA Genuine Parts®

ŠKODA Genuine Parts® are designed for your vehicle and approved by ŠKODA, with particular regard to safety. The workmanship, dimensional accuracy and materials used in these parts comply with factory specifications. To ensure safety and reliability, ŠKODA recommends the use of ŠKODA Genuine Parts®. ŠKODA Authorised Dealers offer a two-year unlimited kilometre warranty on Genuine Parts from the date of purchase.

ŠKODA Finance*

Buying, borrowing or leasing, ŠKODA Finance will certainly make you think differently about financing and insuring your new ŠKODA. Committed to meeting the needs of ŠKODA drivers across Australia, we offer a range of leasing, financing and insurance products, each with distinct advantages depending on your specific circumstances. Our packages are personalised to suit your individual requirements. You design your plan so that it meets your budgeting needs and rest assured that there will be no surprises along the way. Speak to your local participating Authorised ŠKODA Dealer today to put together a financial solution that best suits your lifestyle.

GLOSSARY

Anti-lock Braking System (ABS)

When braking, sensors in each wheel measure the road speed. If one or more wheels start to lock, the ABS reduces brake pressure to those wheels. This prevents the wheels from locking during heavy or emergency braking and allows you to continue to steer the vehicle.

Anti-Slip Regulation (ASR)

ASR is a switchable traction control system that prevents the front wheels from spinning under acceleration. When a difference in driving wheel speed is detected (e.g. due to differences in road surfaces), the system automatically reduces engine torque accordingly.

Electronic Brake-pressure Distribution (EBD)

This sophisticated system provides an electronic means of regulating the ratio of front to rear brake pressure. The system automatically varies the settings according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Stability Control (ESC)

The ESC is made up of the ABS and ASR traction control systems. Simply put, it helps ensure that the vehicle goes where you steer it – even in extreme driving conditions. By constantly comparing the actual movement of the vehicle with pre-determined values, ESC will apply the brakes to individual wheels and automatically adjust the engine's power output to correct a problem the very moment it arises.

Brake Assist

Brake Assist aids the driver during emergency braking by automatically increasing the brake pressure to a level exceeding the locking limit. Then, the ABS is quickly brought into the operating range, thereby enabling maximum vehicle deceleration.

* ŠKODA Finance, a trading name of Volkswagen Financial Services Australia Pty Ltd ABN 20 097 071 460

One of the most important goals of ŠKODA Auto is the development and production of products that are as environmentally friendly as possible throughout their life cycle phases, placing principal emphasis on the selection of recyclable materials. Our ŠKODA cars are manufactured using progressive types of technology in modern production facilities that meet the strictest criteria. Anticorrosive protection of the cars' painted parts is based exclusively on lead-free cataphoresis (KTL) and water-soluble paints.

Our company strategy includes limiting fuel consumption and emissions. As a result, the engines of ŠKODA Auto meet the current emission regulations. We also offer diesel engines with Diesel Particulate Filters (DPF). All products made by ŠKODA Auto adhere to the laws and regulations concerning the protection of soil and water. As a result of these activities, ŠKODA cars meet technical, safety, quality and environmental requirements. ŠKODA Auto contributes to the preservation of a clean environment and provides mobility and comfort to its customers.

The environmental logo expresses ŠKODA's awareness of responsibility for, and attempts at, the sustainable development of the company and a friendly approach to life and nature. For more information please visit www.skoda.com.au

ŠKODA is distributed by Volkswagen Group Australia Pty Limited trading as ŠKODA Australia, The Lakes Business Park, 6 Lord Street, Botany, NSW 2019. ABN 14 093 117 876. Specifications are as planned at June 2011, for Model Year 2012 and are subject to change without notice or obligation. Cars and accessories shown may not depict Australian specifications. Fuel consumption figures according to Australian Design Rules (ADR) 81/02. All ŠKODA approved parts and accessories are warranted for 2 years/unlimited kilometres.
