get a grip

Gliding on straights or flung into corners, Subaru WRX STI is like a rocket on rails. Pure exhilaration. Effortless control.

And now, it has to be said, sleek sophistication.

Roomy and luxurious, the WRX STI's instrument cluster features easy to read white needles and driver-eye-candy racing style dials. WRX STI's signature colour scheme is there too – jet black with red highlights on gauges and stitching in the body-hugging sports seats.

WRX STI is fitted with a cutting-edge 7" integrated touchscreen infotainment with satellite navigation, Pandora® and Siri®¹ compatibility plus Bluetooth®² voice activation, all punched out through 8 harman kardon®³ speakers, subwoofer and amp.

WRX STI Premium

why WRX STI?

Symmetrical force of power

Our All-Wheel Drive philosophy

Greater balance and control. That's the confidence you get from our unique Symmetrical All-Wheel Drive System, which delivers the drive distribution to all four wheels, all the time. Every Subaru WRX STI has an innate sense of balance from the ground up, thanks to a near perfect symmetrical layout.

Boxing clever

Our famous Subaru Boxer engine

While most engines stand vertically, ours lay flat. The famous Subaru Boxer engine delivers handling like no other engine can. Sitting horizontally in the engine bay, it moves like a boxer's fists with a punch and counterpunch action. Lightweight, low and flat, it makes for perfect balance and a much lower centre of gravity. It creates less noise and vibration too. All of this means better on-road handling for you. More stability. More performance. More fun. And a more confident drive.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA®¹ Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

Three Year Rebate on Theft Insurance Excess

DataDot Technology (Australia) Pty Ltd will pay your theft insurance excess² (up to a maximum of \$800 including GST) should your new Subaru be stolen and not recovered within 45 days, despite the presence of DataDotDNA® and warning labels.

Finest safety

5 star ANCAP safety across the range

With spirit, quality and imagination comes some serious safety innovation. We want every Subaru to be amongst the safest cars on the road. Engineered full of cutting-edge technologies and the most intelligent design features. It's not a Subaru unless it carries the maximum 5 star ANCAP³ safety rating.

Eyes in the back of your head

Rear view reverse camera

Manoeuvring back into a tight side street? Family driveway littered with toys? Reverse with confidence, thanks to our rear view reverse camera technology. The rear view reverse camera is like having eyes in the back of your head. This greatly improves your visibility and reduces the risk of bumps and scrapes. Rear view reverse camera standard on every Subaru WRX STI and WRX STI Premium.

Intelligently driven

Subaru Intelligent Drive

Heading to the shops? Taking on the Great Ocean Road? Each situation deserves a distinctive driving mode, so we crafted Subaru Intelligent Drive (SI-Drive) technology available on all Subaru WRX STI variants to do just that. Switch from smart, to sporty to even sportier. Intelligent (I) mode – perfect for everyday driving, Sport (S) mode – for enhanced acceleration and all-round sporty performance and Sport Sharp (S#) mode – for a truly thrilling drive.

Ultimate control in your hands

Multi-mode Driver's Control Centre Differential (DCCD)

Do drive with confidence wherever your WRX STI takes you, from your daily city commute to rain soaked highways. Take control of your drive with Multi-mode DCCD, Subaru technology which optimises traction, handling response and all round performance.

With four distinct modes, the driver controls the centre Limited Slip Differential (LSD) to match the conditions and their individual driving style. Exclusive to Subaru WRX STI, Multi-mode DCCD features Auto mode for all round driving performance. When things get slippery dial up Auto (+) mode for optimal traction in the wet, while Auto (-) lets you enjoy sharp handling in dry conditions. Or select Manual mode to put the power back in your own hands and match the control setting to your drive.

immerse yourself

Subaru WRX STI's drive is matched by the experience in the cockpit thanks to a cutting-edge integrated infotainment system with its big, bright 7" LCD display. Make handsfree calls and play your favourite driving tunes through harman kardon^{®1} speakers with voice and touchscreen functionality. Bluetooth^{®2} wireless tech, satellite navigation and two USB connections are standard both on the WRX STI and WRX STI Premium variants, as is a rear view reverse camera.

welcome to the family

There are cars that simply get you from A to B, and then there are cars that empower you. Buying a Subaru is like embracing life with both hands and knowing that nothing is going to stop you. When you buy a new Subaru you are welcomed into an owner's program that gives you access to a number of benefits.

Subaru New Car Warranty – 3 Year/Unlimited Kilometres

Every new Subaru is covered by a three year unlimited kilometre manufacturer's national warranty. You can protect your investment further by purchasing an additional Subaru Assured New Vehicle Warranty¹ of up to three years. Visit subaru.com.au/warranty or ask your Subaru Retailer for more information.

Subaru Capped Price Servicing

With our 3 Year/75,000 Kilometre Capped Price Servicing Program², you'll now know the maximum amount you will have to pay

for your next scheduled service during the Program period. You'll also have peace of mind knowing that specialist Subaru technicians will be looking after your pride and joy using only Genuine Subaru Parts.

DataDotDNA®

Every Subaru is fitted with advanced engine immobilisers and the DataDotDNA^{®3} Theft Deterrent System. Microscopic dots are laser-etched with each vehicle's unique Vehicle Identification Number – making it a less attractive target for thieves.

1-Month Health Check and Chat

The 1-Month Health Check and Chat is a free consultation within the first month after delivery of your new Subaru. It allows our factory-trained technicians to provide quick vehicle checks, and one of our Service Advisors will answer any of your questions to help ensure an ongoing, worry-free experience.

Subaru's Map Updates

If your new Subaru is fitted with a factory line fit navigation unit your unit will be covered by Subaru's Map Update Program⁵ – guaranteeing you'll have access to the latest maps with our Latest Map Guarantee and our 3 Year Map Update Program (subject to the vehicle having its scheduled services performed through a participating authorised Subaru Service Centre).
