

VOLKSWAGEN BEETLE Features and specifications

SAFETY AND SECURITY

S = Standard O = Optional Extra A = Volkswagen Genuine Accessory (Dealer fitted) SO = Optional Extra, Special Factory Order – Not Available

Airbags

Driver and front passenger airbags	S
Driver and front passenger side/head airbags	S

Anti-theft

Electronic engine immobiliser	S
-------------------------------	---

Body

Fully galvanised body with 12 year anti-corrosion perforation warranty	S
Door side impact protection	S
Rigid safety cell with front and rear crumple zones	S

Brakes

Automatic flashing brake lights activated in emergency braking situation	S
Anti-lock Braking System (ABS)	S
Brake Assist	S
Electronic Brake-pressure Distribution (EBD)	S
Hill Start Assist (HSA)	S

Child restraints

Child seat top tether anchorage points, mounted on rear seat back (2)	S
ISOFIX child seat anchorage points, outer rear seats	S

Entry/warning reflectors in front doors

	S
--	---

First aid kit

	A
--	---

Head restraints

Front safety optimised head restraints, height adjustable	S
Rear head restraints, height adjustable and removable (2)	S

Lighting

Daytime driving lights, halogen light integrated in headlight housing	S
Front fog lights with static cornering light function, mounted in lower bumper	S
Fog lamp, rear	S

Locking

Remote central locking	S
2 stage unlocking (programmable)	S
Automatic locking after take-off (programmable)	S
One touch lock / unlock for driver	S
Fuel filler flap lock/unlock by central locking, push to open	S
Key cover, 'nickname' lettering (various designs)	A

Luggage cover, removable

	S
--	---

Seat belts

Front with pre-tensioners and belt force limiters	S
Visual and acoustic warning for driver and front seat passenger seat belts not fastened	S
Visual indication for rear seat passenger seat belts fastened or not fastened	S
3 point seat belts for all passengers (4)	S

Traction Control

Anti-Slip Regulation (ASR)	S
Electronic Differential Lock (EDL)	S
Electronic Stabilisation Program (ESP)	S
Extended Electronic Differential Lock (XDL)	S

VOLKSWAGEN BEETLE Features and specifications

EXTERIOR EQUIPMENT / STYLING

S = Standard O = Optional Extra A = Volkswagen Genuine Accessory (Dealer fitted) SO = Optional Extra, Special Factory Order – Not Available

Body enhancements

Body coloured bumper bars, outer rear view mirrors and door handles	S
Chrome strip on lower edge of side window frames	S
Dual exposed exhaust tail pipes	S
Lower body side moulding with chrome insert	S
Lower front air intake with chrome insert	S
'Nickname' nameplate on tailgate – Volkswagen, Beetle and Bug	A
Rear bumper with black diffuser	S
Rear hatch spoiler	S
Body decals, 4 stripe and 2 stripe in black or Amalfi white	A
Nickname decals for lower door panel, black or Amalfi white – Volkswagen, Beetle and Bug	A
Eight ball design decorative film, black or Amalfi white	A
Wolfsburg coat of arms decorative film, black or Amalfi white	A

Paint

Metallic / Pearl Effect paint finish	O
--------------------------------------	---

Protection

Loading sill protection, clear film	A
Mudflaps, front & rear	A

Tinted glass

Heat insulating tinted glass	S
------------------------------	---

Wheels

Alloy wheels (Rotor) 17x7" with 215/55 R17 tyres	S
Alloy wheels – Helix 17", Helix 18" and Tornado 19" (Please consult your Volkswagen Dealer for correct wheel and tyre fitment by model)	A
Anti-theft wheel bolts	S
Valve caps with Volkswagen emblem	A
Weight and space saving spare wheel	S

COMFORT AND CONVENIENCE

Armrest

Front centre armrest with storage compartment	S
---	---

Air conditioning

Air conditioning, dual zone automatic (2 modes) climate control	S
Air quality sensor with automatic air recirculation	S
Dust and pollen filter	S

Cruise control

	S
--	---

Cup holders

Front (2)	S
Rear (1)	S

Driver assistance systems

Parking distance sensors, front and rear	S
Optical Parking System (OPS) in radio display	S

VOLKSWAGEN BEETLE Features and specifications

COMFORT AND CONVENIENCE CONT'D

S = Standard O = Optional Extra A = Volkswagen Genuine Accessory (Dealer fitted) SO = Optional Extra, Special Factory Order – Not Available

Floor mats	
Front and rear, carpet	S
Front and rear, premium carpet with 'Beetle' lettering	A
Front and rear, rubber with 'Beetle' lettering	A
Grab handles	
Soft fold away grab handles, front	S
Assist strap, left and right	S
Headlights	
Coming / leaving home function	S
Combined headlight and fog light rotary switch	S
Halogen headlights with daytime driving lights and clear polycarbonate lens	S
Internal headlight range adjustment	S
Low light sensor with automatic headlight function	S
In car entertainment and technology	
AM/FM security coded radio (RCD510) with 6½" colour touch screen display, MP3 compatible SD card slot and 6 disc CD changer (in dash)	S
Audio and telephone controls mounted on steering wheel	S
Auxiliary input audio socket in front centre console	S
Bluetooth® phone connectivity with contacts display and Bluetooth® audio streaming, operation via touch screen audio unit and steering wheel mounted controls	S
Speakers, front and rear (8)	S
Media Device Interface (MDI), fitted in glove compartment and supplied with USB connection cable	S
Media Device Interface (MDI) connection cables for iPhone®, iPod®, mini USB and auxiliary input	A
Satellite navigation system (RNS510) High-resolution touch screen display in 16:9 format, 2D, topographical and 3D (bird's eye) map views, voice control for navigation, telephone and radio functions, integrated 30 GB hard drive for storing music and navigation data, SD card slot and single DVD drive for the playback of audio CD/MP3	O
Instrumentation	
Speedometer & tachometer, electronic odometer and tripmeter, fuel gauge, service interval display, digital clock, outside temperature display, low fuel and high coolant temperature warning lights, brake pad wear indicator, white adjustable illumination	S
Comfort indicator function (1 x touch = 3 x flash)	S
Interior highlights	
Body coloured dashboard fascia and upper door panels	S
Chrome highlights to headlight rotary switch, audio console surround, air vents, front cup holder surround, gear lever surround and interior door grab handles	S
Door sill scuff plates with silver highlights	S
Gearshift knob and handbrake lever in leather	S
Stainless steel pedal set	A
Interior lighting	
With time delay	S
Front reading lights (2) with indirect dashboard lighting	S
Luggage compartment	
Luggage compartment light	S
Luggage compartment protection, moulded foam liner	A
Shopping bag hooks	S

VOLKSWAGEN BEETLE Features and specifications

COMFORT AND CONVENIENCE CONT'D

S = Standard O = Optional Extra A = Volkswagen Genuine Accessory (Dealer fitted) SO = Optional Extra, Special Factory Order – Not Available

Mirrors	
Automatic dimming interior rear-view mirror	S
Additional interior rear-view mirror	A
Electrically adjustable and heated exterior mirrors	S
LED turn indicator lights integrated in exterior mirrors	S
Power steering	
Electro-mechanical, vehicle speed and steering input sensitive	S
Seating	
Comfort front seats	S
Easy entry front seat backrest release function	S
Height adjustment for front seats	S
Split folding rear seat backrest (50/50)	S
Steering wheel	
3 spoke leather rimmed flat bottomed steering wheel with body coloured insert	S
Audio, telephone and Multi-Function Display controls	S
Height and reach adjustable steering wheel	S
Storage	
Beetle glove box integrated in dashboard fascia	S
Glove box	S
Tray in centre console	S
Compartment in roof console (not with panoramic glass roof)	S
Driver's side dashboard compartment with lid	S
Front door trays with retaining straps	S
Front seat backrest storage pockets	S
Open tray on top of dashboard (not with R-Line package)	S
Waste container for cup holder, white	A
Sunroof	
Panoramic glass sunroof – Electrically slide and tilt adjustable, Integrated wind deflector and sunblind	O
Sun visors	
Driver and front passenger, with ticket holders	S
Transmission	
Gearshift recommendation indicator	S
6 speed manual transmission	S
7 speed Direct Shift Gearbox (DSG) with sport mode and Tiptronic function	O
Trip computer	
Multi-Function Display (MFD) – driving time, trip length, average and current speed average and current fuel consumption, distance till empty, oil temperature, speed warning function, vehicle status, audio and navigation (optional) displays	S
Upholstery	
Comfort cloth seat upholstery	S
Vienna leather appointed seat upholstery, front comfort sports seats with lumbar adjustment and individually heated Some parts of the leather appointed seat upholstery will contain man made material.	O
Vanity mirrors	
Driver's and passenger's side vanity mirrors with sliding covers	S
Illuminated on driver's and passenger's side	S

GLOSSARY							
Anti-lock Braking System (ABS)							
When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.							
Anti-Slip Regulation (ASR)							
ASR is a traction control system that prevents the wheels from spinning under acceleration by reducing engine torque.							
Brake Assist							
During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.							
Direct Shift Gearbox (DSG)							
DSG is a manual gearbox in which the gearshifts are controlled electronically. What makes the DSG unique is that it has 2 separate gear sets operated by 2 clutches. The benefit of 2 gear sets and 2 clutches is that one gear set and clutch is engaged driving the vehicle with the second disengaged clutch having already pre-selected the next gear awaiting for power to be transferred. As the next gear has already been pre-selected prior to power being applied, the gear change only takes 3-4 100ths of a second. There is virtually no interruption to power, traction or acceleration. The DSG also offers Tiptronic gear selection and sports mode.							
Electronic Brake-pressure Distribution (EBD)							
Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.							
Electronic Differential Lock (EDL)							
EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction.							
Electronic Stabilisation Program (ESP)							
ABS and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also reduces the effects of understeer or oversteer.							

VOLKSWAGEN BEETLE Features and specifications

GLOSSARY CONT'D

Extended Electronic Differential Lock (XDL)

XDL is an extension of the Electronic Differential Lock (EDL) function. When cornering, XDL responds to the load relief at the front wheel on the inside of a corner. The ESP hydraulics are used for the XDL to apply pressure to the wheel on the inside of the corner in order to prevent wheel spin. This improves traction and reduces the tendency to understeer. As a direct result of the one-sided and precise braking pressure, cornering is sportier and more accurate.

Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable starting-off without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with both the manual transmission and the Direct Shift Gearbox (DSG).

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, 24 Muir Road, Chullora, NSW 2190. ABN 14 093 117 876. Specifications are as planned at July 2014, for Model Year 2015 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
