- 1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car's unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.
- 2 Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.
- 3 Figures calculated on the basis of 18 inch wheels, and may vary on factors including but not limited to driving style, driving conditions and any options, accessories or equipment that may be fitted (including without limitation, wheel size fitted).
- 4 Certain sections of the leather appointed seat upholstery contain man made material.
- 5 Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.
- 6 Digital radio reception coverage dependent on vehicle location.
- 7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.
- 8 SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; it operates from information provided by Intellematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details.

Please refer to the corresponding A4 allroad quattro brochure for further specification details. Options described in the brochure may differ or may not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.
