

## The Audi A5 Sportback

## The Audi A5 Sportback.

### Power and elegance.

Striking a perfect balance between sporty design and exceptional functionality, the new Audi A5 Sportback defines a class of its own.

The smooth lines of this five-door coupé echo its iconic lineage. Frameless long doors give the appearance of an unbroken, flowing contour that runs from the single frame grille to the seamless tailgate. The interior offers luxurious space and storage, complimenting the sporty design with functionality; while a split rear shelf provides easy access to the luggage compartment and spacious rear seats fold down to create an impressive 1,283 litres of storage.

The Audi A5 Sportback is powered by a range of award-winning TFSI engines or highly efficient TDI performance diesel engines, including the all-new 2.0-litre TDI which uses only 4.8 l/100km, making it one of the most fuel efficient luxury vehicles on the market. This powerful choice of engines features either the seamless multitronic transmission, or the lightning-fast 7-speed S tronic transmission with our legendary quattro® permanent all-wheel drive system.

Combining the needs of a mid-size car with the allure of a true coupé, the Audi A5 Sportback demonstrates the highest degree of functionality and elegance.

\* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from February 2012 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local Audi dealer.

1. Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. Audi music interface connector cable must be purchased separately through Audi Genuine Accessories.

An Audi A5 Sportback 3.0 TDI quattro S tronic is pictured with optional 19" alloy wheels, and adaptive cruise control.

An overseas model is shown.
