

The new Audi A6

Driving innovation.

The next generation Audi A6.

The new Audi A6 is the sporty business sedan. The defined styling and taut modelled surfaces of its exterior create its sporty, muscular appearance. Its demeanour conveys status and presence even at a mere glance.

Featuring a revolutionary lightweight body constructed using hybrid aluminium, the new A6 offers significant weight saving when compared with conventional steel construction. The result is increased driving pleasure, more comfort and improved efficiency.

The new Audi A6 features an attractive range of V6 engines all featuring direct fuel injection, the 3.0-litre engines are available with TDI common rail diesel technology or the sporty TFSI which features direct petrol injection with supercharging.

The 2.8 FSI engine combines FSI technology with the innovative Audi valvelift system which delivers more torque and less fuel consumption.

All engines are combined with the sporty and efficient 7-speed S tronic transmission and feature Audi's legendary quattro® all-wheel drive which offers a high level of active safety whilst delivering a unique and exclusive level of driving pleasure.

The new Audi A6 offers a spacious interior; ensuring driver and passengers all benefit from the Audi A6 ample interior dimensions and the high-level of interior craftsmanship.

The new Audi A6 is a progressive new executive model. It is the marque of an individual who in their life – and in their Audi – is driving innovation.

Model	A6 2.8 FSI quattro	A6 3.0 TDI quattro	A6 3.0 TFSI quattro

NCO = No Cost Option

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from June 2011 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

1. Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. Bluetooth connectivity only, phone cradle is not possible. Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

3. Audi Music Interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.

4. Please note, 3D imagery of key city models, sightseeing information and topographical map displays, which are described in the model brochure, are not available for Australian vehicles.

The vehicle pictured is an overseas A6 3.0 TFSI with the additional options of LED headlights with main beam assist, S line Sports package and S line paint Daytona Grey. The interior image features an overseas A6 3.0 TFSI featuring the additional option of Velvet Beige Valcona leather upholstery, heated front seats and Audi Park assistant.
