* + Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet are displayed separately excluding Luxury Car Tax (LCT)* and including Luxury Car Tax (LCT)*. If the total price of the vehicle (excluding statutory charges) is below the Luxury Car Tax (LCT) threshold, that option price excludes LCT. If the total price of the vehicle (excluding statutory charges) exceeds the Luxury Car Tax (LCT) threshold, that option price includes LCT at the rate of 33%. The LCT threshold for the 2013/2014 financial year is \$60,316 for all vehicles except those with a combined fuel consumption value of 7.0 litres per 100 km or less which have an LCT threshold of \$75,375. LCT is payable on all luxury vehicles with a total purchase price, including the price of factory and dealer fitted optional extras and dealer delivery charges, above the LCT threshold.

1 Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2 Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

3 Tow bar and E Kits must be purchased separately through Audi Genuine Accessories.

4 The Style package and S line sport package cannot be combined.

5 The Comfort package and S line sport package cannot be combined.

6 It is not possible to install a phone cradle adapter as this is a Bluetooth connection only. Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

7 Audi Music Interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories. Connection for Apple® iPods generation 4 and higher, USB storage media and MP3 players.

8 MMI navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, TMC, voice control destination entry as whole words or in one sentence and Audi connect services are not available for Australian vehicles.
