Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Figures are on the basis of 18 inch wheels. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted (including without limitation, wheel size fitted), will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

1 Unladen vehicle weight includes driver (68 kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

2 Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility.

3 Digital radio reception coverage dependent on vehicle location, requires MMI navigation plus.

4 MMI navigation plus functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

5 SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; it operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details.

Vehicle pictured is an overseas S3 Sedan 2.0 TFSI quattro with optional crystal effect paint, Matrix LED headlights, Park Assist.
