* Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the vehicle (excluding statutory charges) does not exceed the LCT threshold then total price will need to be recalculated excluding LCT. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from March 2014, model year 2014, and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and price. For individual prices please contact your local authorised Audi dealer.

- Fuel consumption figures according to Australian Design Rule (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.
- Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly).
- Audi Music Interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories.
- Bluetooth car phone with Bluetooth connectivity. Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.
- Digital radio and TV reception coverage dependent on vehicle location.
- MMI Navigation functional features may differ or not be available for the Australian market, sight-seeing information, city modes in 3D, points of interest, vehicle support and speed limit display based on navigation data function and voice control destination entered as whole words or in one statement are not available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.
- SUNA™ live traffic update service is only available in metropolitan Sydney, Melbourne, Canberra, Brisbane, Gold Coast, Adelaide and Perth; it operates from information provided by Intelematics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunatrafic.com.au for details.

Please refer to the corresponding S8 brochure for further specification details. Options described in the brochure may differ or may not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information. Vehicle pictured is an overseas S8 4.0 TFSI.
