\*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable and the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from October 2013, model year 2014 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

**1** Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

**2** Unladen vehicle weight includes driver (68kg), 7kg of luggage and fuel tank 90% full, calculated in accordance with the current version of EC Directive 92/21/EEC. Optional equipment may increase the cars unladen weight and drag coefficient, whereupon the possible payload limit and the top speed will be reduced accordingly.

**3** Unless specified standard equipment and option pricing displayed for the TTS are applicable for the Coupé and the Roadster.

**4** Adaptive light, dynamic cornering light can only be ordered in conjunction with xenon plus headlights with LED daytime running lights and headlight washers.

**5** Audi music interface (AMI) connector cables must be purchased separately through Audi Genuine Accessories. Connection for Apple® iPods generation 4 and higher, USB storage media and MP3 players. Limited operation of iPod via radio or using multifunction sports steering wheel. Limited play list information is displayed only when ordered in conjunction with Navigation system plus with Audi Music Interface (AMI) cannot be ordered in conjunction with Navigation system plus, with CD changer.

**6** Please check with your Audi dealer for approved Bluetooth telephones that have been tested by Audi for compatibility and functionality.

**7** There is no CD player function or AUX-IN connection with Navigation system plus, with Audi Music Interface (AMI). Navigation functional features may differ or not be available for the Australian market.

**8** Audi music interface (AMI) cannot be ordered in conjunction with Navigation system plus, with glove box mounted CD changer. Navigation functional features may differ or not be available for the Australian market.

**9** Voice control can only be order in conjunction with Navigation system plus, DVD based system with MMI control logic.

**10** Leather upholstery, Impulse leather, can only be ordered in conjunction with Extended leather package or Extended colour leather package.

**11** TTRS plus is equipped with Audi exclusive front bucket seats, which have Manual fore/aft, seat height, back rest angle adjustment, no lumbar support and no side airbags (head/thorax). For side airbags and electrical adjustment please select electric sports front seats. Please refer to TT RS brochure for seat visual difference as TT perforations are not possible for Sport seats.

**Please refer to the corresponding TTS and RS brochure for further specifications details. Options described in the brochure may differ or not be available for Australian vehicles. Please refer to your Audi dealer for up-to-date information.**
