Driving Machine

THE BMW 3 SERIES GRAN TURISMO.

SPECIFICATION GUIDE.

BMW EfficientDynamics
Less consumption. More driving pleasure.

MODELS.

	Transmission	Cylinder / Capacity cm ³	Power / Torque	Combined fuel consumption l/100km	Acceleration 0-100km/h
Petrol Models					
320i	8-speed sport automatic	4-cylinder 1,997	135 kW 270 Nm	6.2	7.9 sec
328i	8-speed sport automatic	4-cylinder 1,997	180 kW 350 Nm	6.5	6.1 sec
Diesel Models					
320d	8-speed sport automatic	4-cylinder 1,995	140 kW 400 Nm	4.5	7.7 sec

BMW recommends the use of RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EU), which consists of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Optional equipment (e.g. wider tyres) can have a significant impact on fuel consumption.

STANDARD EQUIPMENT.

	320i	320d	328i
Transmission and technology			
8-speed sport automatic transmission with gearshift paddles on steering wheel, incl. launch control and gearshift indicator for manual mode	■	■	■
Adaptive M suspension , with ride height lowered 10mm and shock absorber comfort adjustable by Driving Experience Control, giving a more sporting suspension setup without any loss in ride comfort	■	■	■
Auto Start/Stop function , reduces fuel consumption by switching off the engine when the vehicle comes temporarily to a stop	■	■	■
BMW TwinPower Turbo four-cylinder petrol engine combining one twin-scroll turbocharger with Valvetronic, Double-VANOS and High Precision Injection	■		■
BMW TwinPower Turbo four-cylinder diesel engine with a turbocharger with variable turbine geometry and common rail direct injection		■	
Brake Energy Regeneration , improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■	■	■
Brake-pad wear indicator	■	■	■
Condition Based Service , inspections are scheduled to suit the way in which the car is driven	■	■	■
Diesel particle filter (maintenance-free)		■	
Driving Experience Control , enables adjustment of drivetrain settings (ECO PRO, Comfort, Sport and Sport+)	■	■	■
ECO PRO Mode , optimises fuel consumption and shows the potential fuel economy in the instrument cluster	■	■	■
Electronic differential lock , active in DSC Off mode	■	■	■
Electric Power Steering with Servotronic	■	■	■
Start/Stop button , incl. keyless engine start	■	■	■
Safety			
Active Protection , safety package for initiating protective measures for the occupants if an accident situation is imminent: belt tensioning, windows are closed, sliding sunroof is closed (if fitted). Includes Attentiveness Assistant	■	■	■
Airbags : driver and front passenger airbags, head airbags in the front and rear, side airbags for driver and front passenger	■	■	■
Brakes : disc brakes at the front and rear, inner-vented	■	■	■
Central locking with electronic immobiliser, crash sensor; fuel tank filler cap integrated into central locking system	■	■	■
Dynamic braking lights , flashing brake lights and hazard indicator under extreme braking	■	■	■
Dynamic Stability Control (DSC) incl. Antilock Braking System (ABS), Brake Assistant, Cornering Brake Control (CBC) and Dynamic Traction Control (DTC)	■	■	■
Safety body shell : deformation zones at the front and rear, easily-replaceable deformation elements that absorb impacts at speeds up to 15 km/h; integrated side impact protection in doors	■	■	■
Seat belts : three-point seat belts for all rear seats; three-point inertia-reel seat belts in the front with belt tensioners and belt force limiters	■	■	■
Warning triangle and first aid kit	■	■	■
Wheels and tyres			
18"BMW light-alloy wheels (styling dependent on selected BMW Line) 8 J x 18" with 225/50 R18 run-flat safety tyres	■	■	
19"BMW light-alloy wheels (styling dependent on selected BMW Line) front 8 J x 19" with 225/45 R19, rear 9 J x 19" with 255/40 R19 run-flat safety tyres			■
Locking wheel bolts	■	■	■
Run-flat safety tyres incl. run-flat indicator	■	■	■

STANDARD EQUIPMENT.

	320i	320d	328i
Exterior design			
Active rear spoiler	■	■	■
Exhaust pipe , single, round, left (finisher dependent on selected BMW Line)	■	■	
Exhaust pipe , dual, round, left (finisher dependent on selected BMW Line)			■
Exterior mirror housing with integrated additional turn indicator , mirror caps in body colour	■	■	■
Ornamental front grille (styling dependent on selected BMW Line)	■	■	■
Window recess cover (styling dependent on selected BMW Line)	■	■	■
BMW ConnectedDrive			
Intelligent Emergency Call , BMW ConnectedDrive automated transmission of vehicle accident information and telephone call for assistance to the BMW ConnectedDrive Call Centre. Emergency services are informed by the BMW ConnectedDrive Call Centre on behalf of the customer and deployed if required. Manual emergency call can also be initiated via SOS button	■	■	■
TeleServices , BMW ConnectedDrive automated transmission of service-related vehicle data to your preferred service dealer. Includes TeleServices Battery Guard and BMW Breakdown calls to Roadside Assistance	■	■	■
ConnectedDrive Lifestyle			
- ConnectedDrive Services : internet-based services including BMW Online (News, Weather, Google local search, Office, Apps), and the BMW Connected App. 3 year subscription	■	■	■
- Remote Services : remote door lock/unlock, ventilation control, headlight flash, Google local search with send-to-car function and vehicle finder			
Real Time Traffic Information : display of current traffic information in the navigation map with expected travel time delays to your destination. Includes suggestions on alternative routes. 3 year subscription	■	■	■
Driver assistance			
Comfort Access System , keyless access to the vehicle incl. exterior handle area lighting and contactless opening and closing of the tailgate			■
Cruise Control with braking function	■	■	■
Driving Assistant , incl. Approach Control Warning, Lane Departure Warning, pedestrian warning and light city braking function	■	■	■
Lane Change Warning System , detects and alerts driver to oncoming vehicles and vehicles in driver's blind spot when the indicator is activated, with a discreet vibration of the steering wheel and visual warning on the exterior mirror	■	■	■
Park Distance Control (PDC) , front and rear	■	■	■
Rear View Camera	■	■	■
Speed limit device , enables setting of desired maximum speed; indicator in the control display and in the instrument cluster. Can be overridden when necessary	■	■	■
Surround View incl. Top View and Side View. Top View provides a bird's-eye perspective of the vehicle; Side View provides visibility in situations where vision is obscured, through cameras located each side of the front bumper	■	■	■

STANDARD EQUIPMENT.

	320i	320d	328i
Light and sight			
Bi-Xenon Headlights incl. headlight washer system , with automatic headlight range controls, accent lights with LED technology and three-dimensional LED rear lights. The front LED light rings are flattened at the top and bottom and feature a daytime running light function	■	■	■
Fog lights , front and rear	■	■	■
Halogen headlights for high and low beam	■	■	■
Heat/sun protection glazing	■	■	■
Interior and exterior mirrors with automatic anti-dazzle function , incl. Automatic parking function and electric fold-in function	■	■	■
Lights package , incl. LED rear interior light and reading lights, LED front reading lights, LED vanity mirror lighting for driver and front passenger, ambience lighting, ambience light for door upholstery inserts (colour dependent on selected BMW Line), centre stack storage compartment and centre console storage compartment, footwell lights with ambience light at front, handle-area lighting in the door handles, exit lights in the doors and LED luggage compartment light	■	■	■
Rain sensor , incl. automatic headlight activation	■	■	■
Rear lights with LED technology	■	■	■
Interior design			
Door sill finishers (with BMW Line designation)	■	■	■
Instrument panel with round dials , for speedometer, rev counter, fuel gauge and on-board computer displays	■	■	■
Interior trim (styling dependent on selected BMW Line)	■	■	■
Upholstery , Sensatec leather	■	■	■
Upholstery , Dakota leather			■
Comfort and interior equipment			
Automatic air conditioning , 2-zone with extended contents. Fully automatic temperature stratification and air volume control, separate temperature control for driver's and passenger sides, variable-temperature rear interior ventilation by nozzles in centre console, including solar sensor and fogging sensor, Max-Cool button, automatic air recirculation control and active carbon microfilter	■	■	■
Automatic tailgate operation	■	■	■
Cupholders , front	■	■	■
Electric seat adjustment with memory function	■	■	■
Floor mats in Velour	■	■	■
Front armrest , sliding adjustment and integrated storage compartment	■	■	■
Luggage compartment separating net	■	■	■
Lumbar support , electric			■
Personal Profile , personalisation of important controls	■	■	■
Rear seat backrest , foldable, 40:20:40 split	■	■	■
Steering wheel , Sport leather with multifunction buttons and gearshift paddles (styling dependent on selected BMW Line)	■	■	■
Storage compartments in front doors with bottle holders	■	■	■
Storage package incl. nets on the front seat backrests, storage compartment with lid in rear centre console, storage net on right in luggage compartment, strap in luggage compartment on left, dividable storage tray underneath floor of the luggage compartment, luggage-compartment rails with two adjustable lashing eyes on the floor of the luggage compartment, backrest remote release for rear seats, lifts on gas-pressure spring	■	■	■

BMW INDIVIDUAL.

True exclusivity is defined by the very highest standards: those that each person sets for themselves. BMW Individual enables you to realise these standards in the car you drive. Let yourself be inspired by the BMW Individual range in which all individual details complement each other perfectly.

Service

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.* Your BMW dealer will contact you to arrange an appointment at a convenient time and can efficiently prepare for your visit by ordering spare parts in advance.

No one knows the innovative technology in your BMW quite like the authorised BMW dealer network. Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs[^] for 5 years/80,000kms (whichever comes first) in a single, once-off advanced payment. With BMW Service Inclusive, you can enjoy every second of driving pleasure knowing that your BMW is always getting the service it deserves. BMW Service Inclusive is also fully transferable to future owners and includes a two year manufacturer's warranty on all parts replaced.

All in all, quality and safety are the essence of a Genuine BMW Service. Find out more at bmw.com.au/service

BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the one of the most comprehensive roadside care programmes in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

*Preferred Authorised BMW dealer must be registered and configured in the BMW ConnectedDrive portal. [^]Normal wear and tear and other exclusions apply.

BMW FINANCIAL SERVICES.

Finance, Lease & Insurance.

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs. Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

*BMW Financial Services is a division of BMW Australia Finance Limited. Australian credit licence 392387. Fees, charges, terms, conditions and approval criteria apply to BMW Financial Services finance products.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driving Experience offers a range of courses, from the entry-level Intensive course, to the more advanced and exhilarating M Dynamic. The final BMW Driving Experience course on offer is the pinnacle of all, our exclusive Fascination course.

BMW Intensive Driving Experience

An exciting introduction into performance driving, designed for confident drivers.

BMW M Dynamic Driving Experience

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

BMW Fascination Driving Experience

The last course offered in the BMW Driving Experience Programme. Fascination is the goal to reach for those who complete our Intensive and M Dynamic Driving Experience courses. Drivers apply all of the skills they have learned in previous courses, and have one-to-two tuition with our highly trained BMW Driving Experience Instructors.

To find out more about BMW Driving Experience courses and dates, please call **1800 000 269** or email bmw-drivingexperience@bmw.com.au or visit bmw-drivingexperience.com.au
