# THE BMW 5 SERIES GRAN TURISMO.

**SPECIFICATION GUIDE.**

**BMW EfficientDynamics**  
Less consumption. More driving pleasure.

# MODELS.

	Transmission	Cylinder / Capacity cm <sup>3</sup>	Power / Torque	Combined fuel consumption l/100km	Acceleration 0-100km/h
<b>Petrol Model</b>					
<b>535i</b>	8-speed automatic	6-cylinder 2,979	225 kW 400 Nm	8.2 <sup>1</sup>	6.1 sec
<b>Diesel Models</b>					
<b>520d</b>	8-speed automatic	4-cylinder 1,995	135 kW 380 Nm	5.3 <sup>1</sup>	8.9 sec
<b>530d</b>	8-speed automatic	6-cylinder 2,993	190 kW 560 Nm	5.8 <sup>1</sup>	6.2 sec

<sup>1</sup> Fuel consumption, CO2 emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. BMW recommends the use of minimum RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard.

<b>Transmission and technology</b>			
8-speed automatic transmission with Steptronic, incl. gearshift paddles on the steering wheel	■	■	■
Aluminium integral rear axle	■	■	■
Automatic Start/Stop function, reduces fuel consumption by switching off the engine when the vehicle comes temporarily to a stop	■	■	■
BMW TwinPower Turbo 4-cylinder diesel engine, combines common rail direct injection and one turbocharger with variable turbine geometry	■		
BMW TwinPower Turbo 6-cylinder in-line diesel engine, combines common rail direct injection and a turbocharger with variable turbine geometry		■	
BMW TwinPower Turbo 6-cylinder in-line petrol engine, combines one twin-scroll turbocharger with Valvetronic, Double-VANOS and High Precision Injection			■
Brake Energy Regeneration, improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■	■	■
Brake-pad wear indicator	■	■	■
Condition Based Service, inspections are scheduled to suit the way in which the car is driven	■	■	■
Diesel particle filter (maintenance-free)	■	■	
Double wishbone front axle	■	■	■
Driving Experience Control, enables individual adjustment of drivetrain and suspension components (ECO PRO, Comfort, Sport and Sport+)	■	■	■
ECO PRO Mode, optimises fuel consumption and shows the potential fuel economy in the instrument cluster, includes coasting function	■	■	■
Electric power steering with Servotronic	■	■	■
Parking brake, electromechanical incl. automatic hold function	■	■	■
Start/Stop button, incl. keyless ignition	■	■	■
<b>Safety</b>			
Active headrests, front, automatic triggering of the headrests in the event of a crash, to reduce whiplash	■	■	■
Active Protection, safety package for initiating protective measures for the vehicle occupants in the event of an imminent accident; belt tensioning, closing of windows and sunroof (if fitted), automatic braking after collision	■	■	■
Airbags: driver and front passenger airbags, seat occupancy detector for front passenger airbag; head airbags in the front and rear; side airbags for driver and front passenger	■	■	■
Brakes: disc brakes at the front and rear, inner-vented	■	■	■
Central locking with electronic immobiliser and crash sensor; fuel tank filler cap integrated with central locking system	■	■	■
Dynamic Braking Lights, flashing brake lights and hazard indicator under extreme braking	■	■	■
Dynamic Stability Control (DSC) incl. Antilock Braking System (ABS), Cornering Brake Control (CBC), Dynamic Traction Control (DTC) and Brake Assist	■	■	■
Safety body shell: bumper system with deformation zones at the front and rear, easily-replaceable deformation elements that absorb impacts at up to 15km/h; side impact protection	■	■	■
Seat belts: three-point seat belts in all seats, incl. belt stopper, pyrotechnic belt tensioner and belt force limiter in front	■	■	■
Warning triangle and first aid kit	■	■	■
<b>Wheels and tyres</b>			
19" BMW light alloy wheels (styling dependent on selected BMW Line)	■		
20" BMW light-alloy wheels, Double-spoke styling 253, front 8.5 J x 20" with 245/40 R20, rear 10 J x 20" with 275/35 R20 run-flat safety tyres. Snow chains cannot be fitted		■	■
Locking wheel bolts	■	■	■
Run-flat safety tyres incl. run-flat indicator	■	■	■

## Service

# GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.\* Your BMW dealer will contact you to arrange an appointment at a convenient time and can efficiently prepare for your visit by ordering spare parts in advance.

No one knows the innovative technology in your BMW quite like the authorised BMW dealer network. Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs<sup>^</sup> for 5 years/80,000kms (whichever comes first) in a single, once-off advanced payment. With BMW Service Inclusive, you can enjoy every second of driving pleasure knowing that your BMW is always getting the service it deserves. BMW Service Inclusive is also fully transferable to future owners and includes a two year manufacturer's warranty on all parts replaced.

All in all, quality and safety are the essence of a Genuine BMW Service. Find out more at [bmw.com.au/service](http://bmw.com.au/service)

## BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the one of the most comprehensive roadside care programmes in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

\*Preferred Authorised BMW dealer must be registered and configured in the BMW ConnectedDrive portal. <sup>^</sup>Normal wear and tear and other exclusions apply.

# BMW FINANCIAL SERVICES.

## Finance, Lease & Insurance.

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs. Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

\*BMW Financial Services is a division of BMW Australia Finance Limited. Australian credit licence 392387. Fees, charges, terms, conditions and approval criteria apply to BMW Financial Services finance products.

## BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driving Experience offers a range of courses, from the entry-level Intensive course, to the more advanced and exhilarating M Dynamic. The final BMW Driving Experience course on offer is the pinnacle of all, our exclusive Fascination course.

### BMW Intensive Driving Experience

An exciting introduction into performance driving, designed for confident drivers.

### BMW M Dynamic Driving Experience

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

### BMW Fascination Driving Experience

The last course offered in the BMW Driving Experience Programme. Fascination is the goal to reach for those who complete our Intensive and M Dynamic Driving Experience courses. Drivers apply all of the skills they have learned in previous courses, and have one-to-two tuition with our highly trained BMW Driving Experience Instructors.

To find out more about BMW Driving Experience courses and dates, please call **1800 000 269** or email **bmw-drivingexperience@bmw.com.au** or visit **bmw-drivingexperience.com.au**
