The Ultimate
Driving Machine

THE BMW 6 SERIES CONVERTIBLE.

SPECIFICATION GUIDE.

BMW EfficientDynamics
Less consumption. More driving pleasure.

MODELS.

	Transmission	Cylinder / Capacity cm ³	Power / Torque	Combined fuel consumption l/100km	Acceleration 0-100km/h
Petrol Models					
640i	8-speed sport automatic	6-cylinder 2,979	235 kW 450 Nm	7.9	5.5 sec
650i	8-speed sport automatic	8- cylinder 4,395	330 kW 650 Nm	9.2	4.6 sec

BMW recommends the use of RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EU), which consists of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Optional equipment (e.g. wider tyres) can have a significant impact on fuel consumption.

STANDARD EQUIPMENT.

	640i	650i
Transmission and technology		
8-speed sport automatic transmission with Steptronic and launch control , incl. gearshift paddles on steering wheel	■	■
Adaptive Drive:		
-Dynamic Damper Control, adapts the shock absorber characteristics to the driving situation		■
-Dynamic Drive, features anti-roll bars on the front and rear axles, to reduce rocking motion to a barely perceptible minimum		■
Aluminium integral rear axle	■	■
Auto Start/Stop function , reduces fuel consumption by switching off the engine when the vehicle comes temporarily to a stop	■	
BMW TwinPower Turbo 6-cylinder in-line petrol engine , combines one twin-scroll turbocharger with Valvetronic, Double-VANOS and High Precision Injection	■	
BMW TwinPower Turbo 8-cylinder petrol engine , combines two turbochargers with Valvetronic, Double-VANOS and High Precision Injection		■
Brake Energy Regeneration , improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■	■
Brake-pad wear indicator	■	■
Condition Based Service , inspections are scheduled to suit the way in which the car is driven	■	■
Double-wishbone front suspension	■	■
Driving Experience Control , enables individual adjustment of drivetrain and suspension components (Comfort, Sport and Sport+)	■	■
ECO Pro Mode , optimises fuel consumption and shows the potential fuel economy in the instrument cluster, includes coasting function	■	■
Electric power steering with Servotronic	■	■
M Sport exhaust system with characteristic sound		■
Parking brake , electromechanical incl. automatic hold function	■	■
Start/Stop button , incl. keyless ignition	■	■

Safety		
Active headrests , front, automatic triggering of the headrests in the event of a crash, to reduce whiplash	■	■
Active Protection , safety package for initiating protective measures for the occupants if an accident situation is imminent: belt tensioning and closing of windows as well as autonomous braking after a collision	■	■
Airbags : driver and front passenger airbags, seat occupancy detector for front passenger airbag; side airbags for driver and front passenger	■	■
Brakes : disc brakes at the front and rear, inner-vented	■	■
Central locking with electronic immobiliser; crash sensor; fuel tank filler cap integrated with central locking; remote control	■	■
Dynamic Braking Lights , flashing brake lights and hazard indicator under extreme braking	■	■
Dynamic Stability Control (DSC) incl. Anti-lock Braking System (ABS), Cornering Brake Control (CBC), Dynamic Traction Control (DTC), and Brake Assist	■	■
Roll-over protection system	■	■
Safety body shell : bumper system with deformation zones at the front and rear, easily-replaceable deformation elements that absorb impacts at speeds up to 15km/h; side impact protection, active bonnet	■	■
Seat belts : 3-point seat belts in all seats, incl. belt stopper, pyrotechnic belt tensioner and belt force limiter in front	■	■
Warning triangle and first aid kit	■	■

STANDARD EQUIPMENT.

	640i	650i
Wheels and tyres		
BMW light-alloy wheels, V-spoke styling 366 , front 8.5 J x 19" with 245/40 R19, rear 9 J x 19" rear 275/35 R19 run-flat safety tyres. Snow chains cannot be fitted	■	
BMW light-alloy wheels, Star-spoke styling 367 , front 8.5 J x 19" with 245/40 R19, rear 9 J x 19" with 275/35 R19 run-flat safety tyres. Snow chains cannot be fitted		■
Locking wheel bolts	■	■
Run-flat safety tyres incl. run-flat indicator	■	■

ConnectedDrive		
Intelligent Emergency Call , BMW ConnectedDrive automated transmission of vehicle accident information and telephone call for assistance to the BMW ConnectedDrive Call Centre. Emergency services are informed by the BMW ConnectedDrive Call Centre on behalf of the customer and deployed if required. Manual emergency call can also be initiated via SOS button	■	■
Internet , BMW ConnectedDrive independent, in-vehicle internet access via the pre-fitted vehicle SIM card. When stationary, websites can be called up on the Control Display by entering the URL using the iDrive Touch Controller. 1 year subscription	■	■
TeleServices , BMW ConnectedDrive automated transmission of service-related vehicle data to your preferred service dealer. Includes TeleServices Battery Guard and BMW Breakdown calls to Roadside Assistance	■	■
BMW ConnectedDrive Freedom		
- ConnectedDrive Services: internet-based services including BMW Online (News, Weather, Google local search, Office, Apps), and the BMW Connected App. 3 year subscription		
- Remote Services: remote door lock/unlock, ventilation control, headlight flash, Google local search with send-to-car function and vehicle finder up to 1.5km radius	■	■
- Real Time Traffic Information: display of current traffic information in the navigation map with expected travel time delays to your destination. Includes suggestions on alternative routes. 3 year subscription		
- Concierge Services: 24/7 assistance via ConnectedDrive call centre at the touch of a button, for assistance with searching for destinations, POIs, and sends these addresses straight to your vehicle. 3 year subscription		

Driver assistance		
Cruise Control with braking function	■	■
Head-Up Display , important driving information is projected onto the windscreen in the driver's field of vision	■	■
Park Distance Control (PDC) , front and rear	■	■
Rear View Camera	■	■
Speed Limit Device , enables setting of desired maximum speed	■	■
Surround View , incl. Top View and Side View. Top View, provides a bird's-eye perspective of the vehicle; Side View provides visibility in situations where vision is obscured, through cameras located each side of the front bumper		■
Parking brake , electromechanical incl. automatic hold function	■	■

Climate comfort and glazing		
Automatic air conditioning with 2-zone control, with extended contents, incl. separate automatic temperature control for driver and passenger with five intensity stages, separate air volume control and air distribution, fogging sensor, solar sensor and residual heat utilisation, Automatic Air Recirculation (AAR), charcoal filter, ALL function for transferring driver's settings to passenger	■	■
Additional control functions for driving with softtop open, including air volume control depending on driving speed, adjustment of temperature depending on outside temperature		
Heat/sun protection glazing	■	■

STANDARD EQUIPMENT.

	640i	650i
Light and sight		
Adaptive headlights with variable light distribution and cornering lights, accent light with LED technology	■	■
Ambient light incl. vicinity lighting	■	■
Bi-Xenon headlights , incl. headlight washer system and automatic headlight range control	■	■
Exterior mirrors , aspheric, electrically adjustable, heated, incl. folding function	■	■
Fog lights front and rear, LED	■	■
High-Beam Assist , automatically switches between high and low beam	■	■
Interior and exterior mirrors with automatic anti-dazzle function	■	■
Rain sensor , incl. automatic headlight activation and fogging sensor	■	■
Exterior design		
Chrome Line Exterior	■	■
Exhaust pipes , round, left and right	■	
Exhaust pipes , lozenge-shaped, left and right		■
Metallic paintwork	■	■
Ornamental front grille , chrome surround, kidney grille slats in chrome		■
Ornamental front grille , chrome surround, kidney grille slats with chrome front and black sides	■	
Interior design		
Contrast stitching , ornamental seams complementing the upholstery colour for upper dash, centre armrest and door trims	■	■
Door sill finishers , illuminated	■	■
Instrument panel in leather finish with extended features	■	■
Interior trim , Fine Brushed Aluminium	■	■
Upholstery , Dakota leather, with SunReflective technology	■	■
Comfort and interior equipment		
Alarm system with remote control	■	■
Armrest front , with storage compartment	■	■
Automatic soft close function for doors		■
Comfort Access System , keyless access to the vehicle	■	■
Cupholders , front	■	■
Floor mats in Velour	■	■
Power socket (12V) , 1 in small folding compartment in centre console, 1 in storage compartment centre console, 1 in front passenger footwell	■	■

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (08 February 2013) and applicable for vehicles manufactured from March 2013, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia.

* Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$59,133 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$75,375.

Service

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

Your car informs you of its service requirements via the Condition Based Servicing system. Then simply get in touch with your preferred BMW Dealer who will provide expert care for you and your car.

BMW service costs can now be covered by a single, once-off advance payment ensuring you both driving pleasure and peace of mind in one. BMW Service Inclusive offers a choice of coverage levels available to suit individual requirements across the BMW range. With packages starting from \$990*, BMW Service Inclusive takes care of your scheduled servicing for 5 years or 80,000kms, whichever comes first.

Staffed by highly trained personnel, your BMW Dealership is equipped with the latest computer-aided information and diagnostic tools. Important data such as the chassis number, mileage and current service requirements are all stored on your car key, ensuring quick assessment of your vehicle's status.

Naturally, your preferred BMW Dealer also has a comprehensive stock of Genuine BMW Parts for any eventuality.

All in all, quality and safety are the essence of BMW Service. Find out more at bmw.com.au/service

BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the most comprehensive roadside care programme in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

*Pricing based on the BMW Service Inclusive Basic package. Scheduled servicing based on the vehicle's Condition Based Service monitoring system for 5 years from the date of first registration or up to 80,000kms, whichever occurs first. Normal wear and tear and other exclusions apply. Scheduled Servicing must be conducted by an authorised BMW dealer.

*BMW Financial Services is a division of BMW Australia Finance Limited. Australian credit licence 392387. Fees, charges, terms, conditions and approval criteria apply to BMW Financial Services finance products.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driving Experience course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driving Experience offers a range of courses, from the entry-level Intensive course, to the more advanced and exhilarating M Dynamic. The final BMW Driving Experience course on offer is the pinnacle of all, our exclusive Fascination course.

BMW Intensive Driving Experience

An exciting introduction into performance driving, designed for confident drivers.

BMW M Dynamic Driving Experience

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

BMW Fascination Driving Experience

The last course offered in the BMW Driving Experience Programme. Fascination is the goal to reach for those who complete our Intensive and M Dynamic Driving Experience courses. Drivers apply all of the skills they have learned in previous courses, and have one-to-two tuition with our highly trained BMW Driving Experience Instructors.

To find out more about BMW Driving Experience courses and dates, please call **1800 000 269** or email **bmw-drivingexperience@bmw.com.au** or visit **bmw-drivingexperience.com.au**
