

The Ultimate
Driving Machine

THE BMW M3 SEDAN, M4 COUPÉ AND M4 CONVERTIBLE.

SPECIFICATION GUIDE.

STANDARD EQUIPMENT.

M3 Sedan

Model Code: 8M92
7-Speed M Double-Clutch
2,979 cc, 6-Cylinder
317 kW / 550Nm

Fuel Type: Petrol
Consumption: 8.3 l / 100km¹
CO₂: 194 g / km¹
0-100kmh: 4.1 sec

Powertrain and technology

- M TwinPower Turbo inline 6-cylinder petrol engine
- 7-speed double-clutch transmission with Drivelogic incl. gearshift paddles
- Active M differential
- Adaptive M suspension
- Auto Start/Stop function
- Brake-pad wear indicator
- M Drive, enables driver to program two individual driving profiles
- M Servotronic power steering

Safety

- Active Protection
- Airbags, for front, front-side and head in both front and rear
- Alarm system with central locking with electronic immobiliser
- Inner-vented front and rear disc brakes, perforated, blue painted
- Complimentary BMW Intensive Driving Experience course (offer redeemable for one customer per vehicle purchase)
- Dynamic Stability Control (DSC), Anti-lock Braking System (ABS), Cornering Brake Control (CBC), Dynamic Traction Control (DTC) and dry braking
- Tyre pressure monitor
- Warning triangle and first aid kit

Driver assistance

- BMW M Head-Up Display
- Cruise Control with braking function
- Driving Assistant incl. Approach Control Warning, Lane Departure Warning, Pedestrian Warning with light city braking function
- Lane Change Warning System
- Speed limit device
- Speed Limit Info, camera-based detection of speed limit
- Surround View and Rear View Camera, incl. Top and Side View
- Park Distance Control (PDC) front and rear

Light and sight

- Adaptive LED Headlights incl. cornering lights, variable light control and daytime running lights
- High-Beam Assist, automatic operation depending on traffic situation
- Interior lights package with LED elements and light in the centre stack, inner door handle scoops, front footwell and exterior door handles, ambient lights for B-pillar, incl. vanity mirror lights and luggage compartment light
- Heat / sun protection glass
- Heated exterior mirrors
- Interior and exterior driver-side mirrors with automatic anti-dazzle function, incl. Automatic parking function and electric fold-in function
- Rain sensor
- Rear lights with LED technology

Exterior design and equipment

- 19" M light-alloy wheels Double-spoke 437 M, forged Ferric Grey
- BMW Individual High-gloss Shadow Line
- Carbon fibre roof
- Exhaust pipe, double, round, left and right, Chrome finish
- Exterior M gills
- Signature BMW ornamental kidney grille with M double rods in Black

Interior design, comfort and equipment

- Upholstery, full leather 'Merino'
- Interior trim, Carbon fibre with Black chrome accents
- Automatic air conditioning, dual-zone incl. active carbon microfilter
- BMW Individual roofliner Anthracite
- Comfort Access System, keyless access
- Door sill finishers with 'M' designation
- Electric front seat adjustment incl. memory function for drivers seat
- Floor mats in velour
- Foldable rear seats with 60:40 split
- Gearshift lever with M badge
- Lumbar support for driver and front passenger, electric
- Roller sunblinds for rear side windows, manual
- Seat heating for driver and front passenger
- M leather steering wheel with multifunction buttons
- M Sport seats for driver and front passenger with illuminated 'M3' logo
- Storage package with 2 additional 12V power sockets

BMW ConnectedDrive

- Concierge Services, 24/7 assistance via ConnectedDrive Call Centre *
- ConnectedDrive Services incl. BMW Online *
- Intelligent Emergency Call
- Real Time Traffic Information (RTTI) *
- Remote Services
- TeleServices

* 3 year subscription

Entertainment, communication and information

- AUX-IN, Bluetooth and USB connection incl. 12V socket in centre console
- DAB+ digital radio
- Enhanced telephony with extended Smartphone connectivity incl. voice control function
- harman/kardon Surround Sound system, 600W digital amplifier and 16 high-end surround loudspeakers
- Instrument panel with extended contents with M-specific display
- Navigation System Professional with brand new interface design, 8.8" colour display, iDrive Touch Controller, DVD drive, 3D and satellite map display, Voice Control, and 20GB storage for audio files *

* 3 year subscription for map updates

¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures are unlikely to be achieved in real world driving conditions and should only be used for comparing one vehicle with another. BMW recommends the use of minimum RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations and specifications contained in these materials are accurate at the time of publication (17 March 2017), the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with information from authorised BMW dealers. To the extent permitted by law, BMW Group Australia excludes all express and implied warranties or guarantees and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any noncompliance by any vehicle with any representation, illustration, specification, description, product feature, colour, or other information contained in these materials.

Options

2NK	M Carbon ceramic brakes , with matt Gold brake callipers and 'M' logo Please note: Dependant on condition and usage, features specific to the materials used can lead to operational noises particularly in wet conditions just before the vehicle comes to a halt. The impact of moisture and road salt can cause the braking action to be equivalent to a conventional braking system. This can, for a short time, be experienced as a reduction in braking action and can be balanced out by greater pressure on the pedal where necessary.	□	□	□	□	□	□

To the extent permitted by law, BMW Group Australia excludes all express and implied warranties or guarantees and all liability, whether direct, indirect, special or consequential, arising from negligence or otherwise relating to the use of these materials, any inaccuracies and for any noncompliance by any vehicle with any representation, illustration, specification, description, product feature, colour, or other information contained in these materials.

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In conjunction with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.

Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

BMW SERVICE INCLUSIVE PACKAGES.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs for a specified duration or distance (whichever comes first) in a single, once-off advanced payment.

CHOOSE YOUR LEVEL OF COVER.

Speak to your Business Manager today about our extensive range of Finance and Insurance products.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.

- | |
|---|
| 1. BMW Compact Driving Experience |
| A half day taster of the BMW Driving Experience courses. |
| 2. BMW Intensive Driving Experience |
| An exciting introduction into performance driving, designed for confident drivers. |
| 3. BMW M Dynamic Driving Experience |
| After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest. |
