¹ Fuel consumption, CO₂ emissions data, electrical consumption and range is based upon Combined Driving Test Cycle in accordance with ADR 81/02 on purpose built test vehicles. Actual figures will depend on many factors including traffic conditions, driving habits, prevailing conditions and your vehicle's equipment, condition and use. These figures should not be expected to be achieved in real world driving conditions and should only be used for comparing one vehicle with another.

Please contact your preferred authorised BMW dealer or BMW Group Australia for information on vehicles that are available for sale, and the various specifications and options of vehicles that are available.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (08 October 2018) and applicable for vehicles manufactured from August 2018, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$66,331 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$75,526.

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

The intelligent BMW Condition Based Servicing (CBS) system monitors the individual components of your vehicle's service requirements and notifies you in advance when a service is due. In combination with BMW Teleservices, your vehicle then sends all relevant servicing data captured by CBS directly to your preferred BMW dealer.

Using the latest sophisticated BMW diagnostic tools, you can rest assured that your BMW will receive the highest level of attention from specialist BMW-trained technicians using only Genuine BMW Parts.

BMW SERVICE INCLUSIVE PACKAGES.

Your BMW service experience can also extend to a BMW Service Inclusive package, which covers your scheduled servicing costs for a specified duration or distance (whichever comes first) in a single, once-off advance payment.

BMW DRIVING EXPERIENCE.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driving Experience course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

The aim of the program is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises, that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

BMW Driving Experience offers a range of courses which are conducted at Australia's leading facilities, including the world renowned Phillip Island Grand Prix Circuit. All BMW Driving Experience courses are supervised by highly-trained instructors.

To find out more about BMW Driving Experience courses and dates, please call **1800 000 269** or visit **bmw-drivingexperience.com**

BMW Driving Experience was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the program offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities. This is all conducted behind the wheel of a dynamic range of Ultimate Driving Machines.
