The Ultimate  
Driving Machine

# THE BMW X6.

## SPECIFICATION GUIDE.

**BMW EfficientDynamics**

Less consumption. More driving pleasure.

## MODELS.

	Transmission	Cylinder / Capacity cm <sup>3</sup>	Power / Torque	Combined fuel consumption	CO <sub>2</sub> emissions
<b>Petrol Models</b>					
<b>X6 xDrive35i</b>	8-speed automatic	6-cylinder 2,979	225 kW 400 Nm	10.1	236
<b>X6 xDrive50i</b>	8-speed automatic	8-cylinder 4,395	300 kW 600 Nm	12.5	292

<b>Diesel Models</b>					
<b>X6 xDrive30d</b>	8-speed automatic	6-cylinder 2,993	180 kW 540 Nm	7.4	195
<b>X6 xDrive40d</b>	8-speed automatic	6-cylinder 2,993	225 kW 600 Nm	7.5	198

BMW recommends the use of RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EU), which consists of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO<sub>2</sub> emissions are measured in addition to fuel consumption. Optional equipment (e.g. wider tyres) can have a significant impact on fuel consumption.

<b>Transmission and technology</b>				
<b>8-speed automatic transmission with Steptronic</b> incl. gearshift paddles	■	■	■	■
<b>Adaptive Drive</b> , reduces the roll angle of the body that normally occurs during swift cornering or rapid evasive manoeuvres. It also reduces the steering angle demand and improves comfort whilst increasing driving dynamics. Adaptive Drive can be configured between 'Normal' and 'Sport' settings				■
<b>BMW TwinPower Turbo 6-cylinder in-line diesel engine</b> with common rail direct injection and a turbocharger with variable turbine geometry	■			
<b>BMW TwinPower Turbo 6-cylinder in-line petrol engine</b> combines a twin-scroll turbocharger with Valvetronic, Double-VANOS and High Precision Injection		■		
<b>BMW TwinPower Turbo 6-cylinder in-line diesel engine</b> with common rail direct injection and two stage turbocharging with variable turbine geometry			■	
<b>BMW TwinPower Turbo V8 petrol engine</b> combines two turbochargers with Double-VANOS and High Precision Injection				■
<b>Brake Energy Regeneration</b> , improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■	■	■	■
<b>Brake-pad wear indicator</b>	■	■	■	■
<b>Condition Based Service</b> , inspections are scheduled to suit the way in which the car is driven	■	■	■	■
<b>Diesel particle filter</b> (maintenance free)	■		■	
<b>Double-joint spring strut front axle</b>	■	■	■	■
<b>Dynamic Performance Control</b> , specific distribution of the driving torque at the rear axle	■	■	■	■
<b>Multi-link rear axle</b>	■	■	■	■
<b>Self-levelling suspension</b> with pneumatic rear suspension				■
<b>Servotronic power steering</b>	■	■	■	■
<b>Start/Stop button</b> , incl. keyless ignition	■	■	■	■
<b>xDrive</b> , permanent all-wheel drive system with fully variable torque split between front and rear axles	■	■	■	■
<b>Safety</b>				
<b>Active headrests, front</b> , automatic triggering of the headrests in the event of a crash, to reduce whiplash	■	■	■	■
<b>Airbags</b> : driver and front passenger airbags, seat occupancy detector for front passenger; head airbags in the front and second row; side airbags for driver and front passenger	■	■	■	■
<b>Brakes</b> : disc brakes at the front and rear, inner-vented; raised third brake light	■	■	■	■
<b>Central locking</b> with electronic immobiliser, crash sensor, fuel tank filler cap integrated with central locking and remote control	■	■	■	■
<b>Dynamic Braking Lights</b> , flashing brake lights and hazard indicator under extreme braking	■	■	■	■
<b>Dynamic Stability Control (DSC)</b> including Antilock Braking System (ABS), Cornering Brake Control (CBC) Brake Assist and Dynamic Traction Control (DTC)	■	■	■	■
<b>Hill Descent Control (HDC)</b> , lets the vehicle negotiate the steepest downhill runs automatically and safely at walking pace, without the driver having to apply the brake	■	■	■	■
<b>Parking brake</b> , electro-mechanical, with auto-hold function	■	■	■	■
<b>Safety body shell</b> : bumper system with deformation zones at the front and rear, easily-replaceable deformation elements that can absorb impacts at speeds up to 15km/h; side impact protection	■	■	■	■

## GENUINE BMW ACCESSORIES.

Driving a BMW is always a special experience, but it can be made even more so with Genuine BMW Accessories thanks to their combination of unique ideas, supreme functionality and stunning design.

Discover a wide range of innovative solutions, covering areas such as the exterior and interior, communication and information, as well as transportation and luggage compartment solutions.

For more information, please contact your preferred BMW Dealer who will be pleased to advise you on the full range of Genuine BMW Accessories, or visit [bmw.com.au/accessories](http://bmw.com.au/accessories)

**BMW Performance black grille**

**21" BMW Performance Y-spoke 375 alloy wheel, ferric grey**

**Exhaust pipe finishers, chrome**

**Snap-in adapter**

**Velour floor mats, Anthracite**

**Seat-back storage pocket**

**Protective bootspace cover**

**Base support system, luggage compartment rack**

## GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

Your car informs you of its service requirements via the Condition Based Servicing system. Then simply get in touch with your preferred BMW Dealer who will provide expert care for you and your car.

Staffed by highly trained personnel, your BMW Dealership is equipped with the latest computer-aided information and diagnostic tools. Important data such as the chassis number, mileage and current service requirements are all stored on your car key, ensuring quick assessment of your vehicle's status.

Naturally, your preferred BMW Dealer also has a comprehensive stock of Genuine BMW Parts for any eventuality.

All in all, quality and safety are the essence of BMW Service. Find out more at [bmw.com.au/service](http://bmw.com.au/service)

### BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the most comprehensive roadside care programme in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

Speak to your Business Manager today about our extensive range of Finance and Insurance products.

## BMW DRIVER TRAINING.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driver Training course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driver Training course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driver Training was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, and all BMW Driver Training courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driver Training offers a range of different courses, from Young Driver training to the more advanced and exhilarating M Dynamic performance driving course.

### **BMW Young Driver Training**

An important new initiative developed by BMW Group Australia to instil safe driving habits amongst young drivers.

### **BMW Advanced Driver Training**

The ideal starting point for experienced drivers to develop safer and more confident car control.

### **BMW Intensive Driver Training**

An exciting introduction into performance driving, designed for confident drivers.

### **BMW M Dynamic Driver Training**

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.
