

CHERY

Why would
you pick
anything else?

The Chery J11 SUV.

Chery.

The exciting new car company.

Chery is China's largest and most diverse independently owned vehicle manufacturer. It exports to over 80 countries and employs over 25,000 people – 5,000 of which are engineers in research and development.

The Chery dealer network in Australia has enormous experience and is committed to excellence in customer service. Each and every dealer is excited to be able to offer their customers this new and dynamic Chinese brand that offers such uncompromising value.

The first vehicles Chery are bringing into Australia are the J11 SUV and the smaller J1 hatch. Both are shining examples of Chery's approach to building highly specified vehicles that customers can have confidence in.

The J11 SUV comes with quality features you'd normally find in vehicles a lot more expensive. Every Chery comes with a 3 year/100,000km warranty so when you look at what Chery offers we know you'll be asking yourself one question, Why would you pick anything else?
