

CHERY

Why would
you pick
anything else?

The Chery J3.

Chery.

The exciting new car company.

Chery is China's largest and most diverse independent vehicle manufacturer. It exports to over 80 countries and employs over 25,000 people – 5,000 of which are engineers in research and development.

The Chery dealer network in Australia has enormous experience and is committed to excellence in customer service.

Each and every Chery dealer is excited to be able to offer their customers this new and dynamic Chinese brand, that offers uncompromising value and customer satisfaction.

CHERY

Following the successful launch of the Chery J11 SUV and J1 small car into Australia, Chery is proud to introduce the J3, an exciting 5 door hatch.

This is another fine example of Chery's commitment to building highly specified vehicles that customers can enjoy.

The J3 comes with an impressive list of features you'd expect to find on vehicles a lot more expensive.

Every Chery comes with a 3 year/100,000km warranty so when you look at what Chery offers we know you'll be asking yourself one question, Why would you pick anything else?
