Dear (Name):

This letter is to inform you that the warranty period (3 years or 36,000 miles) on your vehicle's 19-gallon fuel tank has been extended to lifetime coverage. This extended fuel tank warranty coverage applies to select model year 2005 – 2006 Chrysler 300, Dodge Charger and Dodge Magnum vehicles. Our records show that you either own or lease one of the vehicles affected by this extended warranty.

We are extending the fuel tank warranty period because some of the affected vehicle population may experience a condition where the fuel shut-off float, in the multifunction control valve sticks, which may result in the vehicle stalling after refueling. If you are experiencing this condition now or in the future, simply contact your dealer to have the repairs performed. **Conversely, if you do not experience this condition, then your fuel tank multifunction control valve is operating correctly and no repair is necessary.**

If you have already experienced this stalling after refueling condition and previously paid for a repair, you may be eligible to receive a reimbursement. You may complete the enclosed Customer Reimbursement Claim Form and send your original receipts, invoices and/or repair order to the following address for reimbursement. Your claim will be acted upon within 60 days of receipt:

Chrysler Customer Assistance Center
P.O. Box 21-8004
Auburn Hills, MI 48321-8004

If you have questions or need any assistance, please contact your dealer or the Chrysler Customer Assistance Center between the hours of 8:00 AM and 8:00 PM, EST, Monday through Friday or Saturday and Sunday 9:00 AM to 5:00 PM, EST. They can be reached at 1-800-CHRYSLER (247-9753) or 1-800-4-A-Dodge (423-6343).

Please keep this letter in your glove box along with your vehicle's other warranty information for future reference if necessary. This warranty extension applies only to the inlet check valve/fuel spill back condition described above; the other terms and the "What's Not Covered" items of your warranty remain the same as stated in your Warranty Information book.

Chrysler is taking this action to demonstrate its commitment to your continued satisfaction.
