

CHRYSLER

New Chrysler 2008MY Sebring Cabrio

All-New Chrysler Sebring Cabrio

The following features and statements describe the all-new Chrysler Sebring Cabrio at its launch and continue to apply through the 2008 model year.

- Electronic Stability Programme (ESP)* with Brake Assist and all-speed traction control
- Next Generation driver and front-passenger air bags[†]
- Supplemental front-seat-mounted side air bags[†]
- Centre floor console with dual-level storage and sliding armrest
- Heated/cooled front cup holder **(Limited)**
- Advanced technologies (In-Cluster EVIC and Automatic Temperature Control)
- Heated leather-trimmed front seats **(Limited)**
- YES Essentials^{®†} stain resistant, odour resistant, antistatic seat fabric **(Touring)**
- Optional MyGIG™ Multimedia Infotainment System with 20GB Hard Disk Drive (HDD) for media storage, voice dialogue system, integrated LW/MW/FM receiver, CD/DVD player, GPS navigation and 165-mm touch-screen display **(Limited)**
- 276-watt Boston Acoustics® 6-speaker premium audio system with 6-channel amplifier **(Limited)**
- Standard 2.7L DOHC 24V V6 engine produces 137 kW @ 5500 and 256 Nm of torque @ 4000
- All-new design that is athletic, refined and striking
- Standard 17" cast-aluminium wheels **(Touring)** and 18" wheels **(Limited)**
- Two-tone leather interior with Tortoise Shell, satin silver and chrome accents **(Limited)**

* No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the speedometer flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. Always drive carefully, consistent with conditions. Always wear your seat belt.

[†] Always sit properly in the seat with the seat belt fastened. Children 12 and under should always be in the backseat using an infant or child restraint system or the seat belt positioned correctly for the child's age and weight.

[‡] Not compatible with aftermarket fabric-protecting coatings.

SAFETY/SECURITY

→ **Electronic Stability Programme (ESP)* with Brake Assist and All-Speed Traction Control**

- ESP helps the driver maintain control, so the vehicle goes in the direction the driver intends
- Brake Assist helps the driver with braking during emergency situations to stop the vehicle in as short a distance as possible
- All-speed traction control individually brakes a slipping wheel or reduces engine power until control is regained, if wheel slip is detected while accelerating and passing on a highway

→ **Next Generation Driver and Front-Passenger Air Bags[†]**

- Ensures each air bag deploys with a force appropriate to its respective occupant

→ **Supplemental Front-Seat-Mounted Side Air Bags[†]**

- Provide additional protection for front passengers

UTILITY

U.S. spec shown.

→ **Express Front-Windows-Down Function on Key Fob**

- Allows ventilation of the interior before the occupants get inside

→ **Advanced Technologies (In-Cluster EVIC and Automatic Temperature Control)**

- Proves Chrysler's position as one of the most innovative automakers in the world
- Brings the latest in comfort and convenience technology along on every trip

→ **Heated/Cooled Front Cup Holder**

- Keeps cold drinks cold and hot drinks hot **(Limited)**

VALUE

→ **Optional MyGIG™ Multimedia Infotainment System**

- 20GB Hard Disk Drive (HDD) for media storage, Voice Dialogue System, integrated LW/MW/FM receiver, CD/DVD player, GPS navigation and 165-mm touch-screen display
- "Virtual Jukebox" feature allows music to be stored on the hard disk drive
- Touch-screen display permits easy navigation of system features **(Limited)**

→ **276-watt Boston Acoustics® 6-speaker Premium Audio System with 6-Channel Amplifier**

- 6-channel amplifier ensures each speaker receives the power it needs to provide high-fidelity sound
- Manufactured by one of the foremost makers of audio equipment in the world **(Limited)**

→ **Heated Leather-Trimmed Front Seats (Limited)**

- Provides comfort and warmth on cold days
- Controls located in the centre console allow the front-seat passengers to select high- and low-temperature heating for each seat

PERFORMANCE

- **2.7L DOHC 24V V6 MPI Engine**
 - 137 kW @ 5500 and 256 Nm of torque @ 4000
 - Exhilarating performance to match Chrysler Sebring Cabrio's striking, athletic appearance
- **4-Wheel Independent Suspension**
 - MacPherson strut front and multilink rear provide good handling characteristics and a smooth ride

STYLE

- **Choice of Two Cabrio Tops**
 - Retractable hardtop combines open-air freedom and fun of a cabrio with the quietness and security of a coupe, making it practical no matter the weather conditions **(Limited)**
 - Soft top features a hard tonneau cover for a finished appearance **(Touring)**
- **All-New Design That Is Athletic, Refined and Striking**
 - Expresses the passionate nature of the Chrysler brand
- **Standard 17" Cast-Aluminium Wheels (Touring) and 18" Cast-Aluminium Wheels (Limited)**
- **Features World-Class Craftsmanship with Thoughtful Attention to Details**
 - Two-tone interiors, clever storage features in the instrument panel and floor console and the versatility of a fold-flat rear seat, and available front passenger fold-flat seat, enhance the driving and riding experience
- **Two-Tone Leather Interior with Tortoise Shell, Satin Silver and Chrome Accents (Limited)**
