SEBRING

CABRIO

CHRYSLER

chrysler.com.au

Sebring Cabrio offers drivers the exhilaration of open-air cruising through two distinct retractable tops: a hardtop on Limited or cloth soft top on Touring. Inside, Sebring Cabrio Limited indulges four passengers in luxury via standard premium leather-trimmed seats with heating elements, standard six-way power driver seat as well as an interior that is distinguished by its engaging combination of tortoiseshell and chrome accents.

Simplicity. It is what makes Sebring Cabrio's retractable top so unique and easy to use. One effortless push of a key fob button and the top retracts and folds, the boot opens and closes, the tonneau emerges and engages. Each Sebring Cabrio also features a luggage protector that shields the retracted top from boot contents and vice versa. Technology isn't limited to the retractable tops. Sebring Cabrio Limited offers UConnect,^{®*} a voice-activated, hands-free in-vehicle communication system; quick MP3 access via an integrated audio input jack; and Limited also features a heated/cooled cup holder that keeps cool beverages properly chilled or provides a hot spot for a warm drink.

Sebring is one of the world's first car lines to offer a convertible with either a retractable cloth top or a retractable hardtop. The black cloth soft top is standard on Touring and the hard top on Limited is always painted to match Sebring's body-colour.

UPHOLSTERY

GENUINE CHRYSLER ACCESSORIES

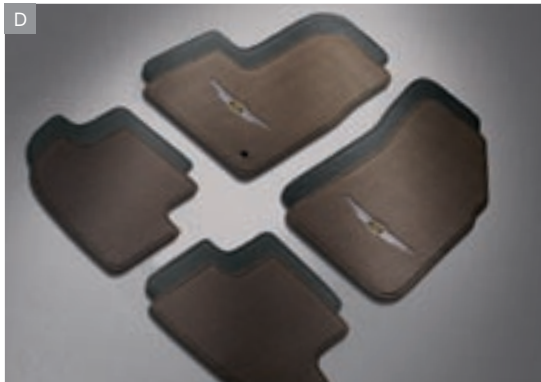

Create the perfect blend of good looks and technology. **A. Rear Park Assist System*** Detecting nearby obstacles while backing up is no longer an obstacle. Advanced system uses sound waves and audio indicators to maneuver in tight spaces at parking speeds. **B. iPod® Interface Module.** This FM-bounded adapter allows you to maintain your music selections through your iPod control button and play through your vehicle's speakers. **C. MyGIG™ Multimedia Infotainment System.** Includes an AM/FM radio; single-disc DVD player compatible with CDs, DVDs, MP3s and WMA audio; and a 2.0 USB port. A GPS Navigation System loaded with map data on a 20GB hard drive completes this feature-rich package of entertainment and information.

*Always check entire surroundings before reversing.

GENUINE CHRYSLER ACCESSORIES

Stylish protection and on-the-go accessories. D. Premium Carpet Floor Mats. Plush enough to go barefoot. Durable enough to stand up to the elements. And colour-matched to your Sebring's interior for a sophisticated and stylish appearance wherever your travels take you. E. Wheel Lock Kit. Help protect your wheels with locking wheel nuts. F. Moulded Splash Guards. Stylish guards help protect your Sebring from damage caused by gravel and road debris. Splash Guards can be painted to match body colour. Available as a set for rear wheel arches.
