

CITROËN C3

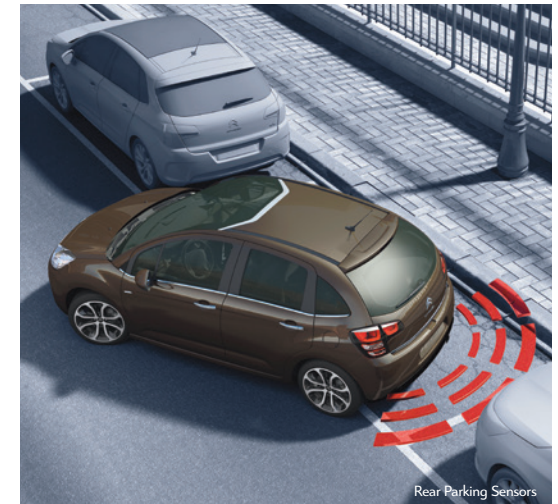

# CRÉATIVE TECHNOLOGIE

From its pure silhouette to taut lines and smooth curves, the CITROËN C3 unashamedly fuses premium styling with that of a modern small car. The extraordinary 'Zenith' windscreen provides a panoramic portal to the outside world blurring the line between interior and exterior. The CITROËN C3 lets you explore the world, while limiting the impact you have on it. The Seduction manual variant features the new PureTech engine which achieves lower emissions, and improved fuel consumption and can travel over 1,000km per tank\*. Saving you money whilst being better for the environment.

You expect safety. And the CITROËN C3 delivers with six airbags standard on all models along with a suite of electronic safety aides. Almost everything on the Exclusive variant is automatic, from the rain-sensitive windscreen wipers, to the illumination of headlamps and even the air conditioning. To ensure you never get lost the Exclusive model comes standard with eMyWay satellite navigation, which also has a reversing camera and rear parking sensors to make parking a breeze in the tightest of spaces.

For the very latest CITROËN C3 specification visit [www.citroen.com.au](http://www.citroen.com.au) or contact your local CITROËN dealer. \*Based on ADR 81/02 with a combined fuel consumption of 4.5L/100km
