

DS 3 CABRIO

NON-STOP PLEASURE

CITROËN is for the curious – the ones that refuse to conform. It's been that way since 1919. We've spent over 90 years innovating and producing industry firsts. The CITROËN DS Line continues this tradition by breaking free from established cues with sophisticated styling and refinement, as the DS 3 Cabrio makes vividly clear. Here, every unique flourish, fresh innovation, bold curve and sensual finish reflects the inspiration of its creators.

This is why it looks like no other car; why an audacious 'shark fin' form rises dramatically from the waistline, why the roofline appears to float above the glass house and body, and why you can walk around the DS 3 Cabrio again and again spotting fresh, pleasing details. Here is a unique distillation of what makes CITROËN so different.

The only genuine 5-seater in its class, the DS 3 Cabrio is a beautifully appointed, properly roomy sporty car that now has an ingenious electrically operated three position folding roof to bring you the sunshine or shut out the rain in just 16 seconds at speeds up to 120km/h. Roof down the feeling is pure exhilaration, while roof up it's exceptionally snug and hatchback quiet.

MOTORSPORT PROVEN

You never know your limits until you push them. That's why CITROËN uses the World Rally Championship as a testing ground. Since 2001, we've claimed eight Manufacturer's Titles, with Sébastien Loeb & Daniel Elena winning nine Championships behind the wheel of a CITROËN DS 3.

We test our vehicles up to 4 million km before we launch a new model, and we don't stop there. The WRC and local ARC are great testing grounds, too DS 3s will be put through their paces again during the 2015 Australian Rally Championship under the banner of Team Citroën Australia.

EQUIPMENT SPECIFICATION MODEL YEAR 2015

SAFETY & SECURITY

- ABS with Electronic Brakeforce Distribution (EBD) and Emergency Braking Assistance (EBA)
- Electronic Stability Control (ESC)
