

FALCON UTE

Go Further

Falcon XR6 Turbo Ute shown in Kinetic with optional Luxury Pack (includes 19" alloy wheels).

When the work day is over, the Falcon Ute comes into its own. Nothing proves it more than the Falcon XR Ute. Slick design, low stance and full body styling kit meets an 8" colour touch screen, car-like comfort and superb driving performance. Inside and out, it takes fun seriously.

Work hard

Get the job done with the Falcon Ute. Tough, powerful and always ready for work. 5

Falcon XR6 Cab Chassis shown in Lightning Strike with optional aluminium tray.

Falcon Ute has the brute strength and power to tackle just about any job going. There are payloads of up to 1 tonne and towing capacities of up to 2,300kg.* And with its car-like comfort, dynamic handling and a host of smart on-board technologies, working conditions have never been better.

*Braked towing capacity of vehicles with optional automatic transmission, when fitted with Genuine Ford heavy duty towpack including load levelling kit. Subject to State and Territory regulations.

A real workhorse

Built for heavy payloads and with serious towing power, the Falcon Ute means business.

Falcon XR6 Styleside Box shown in Kinetic, Falcon Ute Cab Chassis shown in Lightning Strike with optional aluminium tray.

Whether you're loading up the tools or towing the boat, the Falcon Ute is a true workhorse. The Styleside Box has a tough, fully integrated bedliner to protect your work equipment against daily wear and tear. And with the Cab Chassis option, you can choose the factory fitted aluminium tray or tailor something for your own specific needs.

Car-like comfort

The perfect antidote to a long day on the job, the Falcon Ute's interior is smart, stylish and comfortable. 9

Falcon XR Ute interior shown with manual transmission and optional Luxury Pack.

After a long day on the job, the 4-way power adjustable driver's seat is the perfect place to be. Enjoy a long, engaging drive or simply relax in the peace and quiet of the ergonomically designed interior. The spacious cabin in the Falcon Ute maximises space and comfort drawing you in from the moment you turn the key.

Human technology

Intuitive controls put the driver in full command of comfort, climate and a whole range of driving aids and information. 11

Hands-free music and entertainment.

With the latest in voice control and music streaming technology, your music is now as portable as you are. With two USB docks and iPod® integration, DAB+ digital radio, and Bluetooth® streaming capabilities, SYNC™2 allows you to use simple voice commands to listen to your tunes. So now you can hear what you want to hear, when you want to hear it, all without taking your hands off the steering wheel.

Voice activated climate control.

Travel in complete comfort with a climate control system that allows the driver and passenger to set and maintain the optimal temperature without lifting a finger using SYNC™2's voice control.

Hands-free phone.

Hands-free voice control lets you concentrate on the road while making phone calls. SYNC™2 can connect with your mobile phone and let you seamlessly transfer calls between your car's audio system and phone. You can call your friends and family by name, and never miss a moment. Just ask SYNC™2 to read your text messages out through the car's speakers, and your eyes never have to leave the road.

XR6 Turbo interior shown.

Voice activated satellite navigation.

Let your sense of adventure guide you, not a lack of directions. The SYNC™2 voice-activated navigation system combines GPS technology with 3D mapping to give you turn-by-turn navigation. Just say the word, and we'll take you there.

Make and take calls, ask the satellite navigation® system to take you home, adjust the interior cabin temperature, or ask to hear your favourite artists. Just say the words and SYNC™2 will take care of the rest. It can even automatically call emergency services and give them your GPS coordinates if you've been in an accident. With an 8" colour touch screen and the ability to integrate with your phone or portable music device, SYNC™2 ensures that you'll always be connected when you need it most.

4.0L Turbo I6 engine.

Delivers the type of performance that is guaranteed to get the adrenalin pumping. The turbo system creates an awesome 270kW of power and 533Nm of torque.

EcoLPI engine.

Designed to deliver serious power and torque but with reduced running costs and environmental impact, Ford's EcoLPI engine is a truly innovative piece of technology.

Power meets performance

Range of powerful engines and responsive transmissions, offer a smooth, car-like driving experience.

Falcon XR6 Turbo Ute shown in Emperor with optional towpack and accessory EGR hard tonneau cover.

4.0L I6 engine.

Fuel efficient, yet boasting 195kW of power and 391Nm of torque, this engine is a real workhorse.

6-speed automatic transmission.

Employing advanced mechatronic units that deliver precise control and refinement to all 6 gears, the transmission ensures smooth delivery of power and torque for a thoroughly enjoyable drive.

Falcon Ute offers you a range of smart and technologically advanced engines, from the torquy 4.0L I6 and the breathtaking I6 Turbo, to the economical yet powerful EcoLPI. You can choose to get more involved with the responsive 6-speed manual transmission, or enjoy the smoothness of the 6-speed automatic. And with a car-like front suspension system and precision tuned rear suspension, you're guaranteed incredible control, power and an altogether smoother ride.

EcoLPi smart engine technology

Enjoy outstanding power and torque while taking advantage of the fuel cost benefits of LPG. 15

EcoLPi Falcon XR6 Styleside Box shown in Lightning Strike.

Fuel cost comparisons.

With petrol prices rising, it's a good time to consider the alternatives. With EcoLPi you could save on fuel costs compared with a petrol model, without sacrificing power and torque. The EcoLPi engine delivers an exhilarating 198kW of power and 409Nm of torque to ensure you continue to get the performance you've come to expect in a tough workhorse.

Ford's EcoLPi engine uses LPG fuel for lower environmental impact and considerable cost savings. For three years, the EcoLPi engine was exhaustively tested with a fleet of trial vehicles driving over 550,000kms across every State and Territory in the nation, through tough climates and terrains. The result is an engine that delivers more power and torque than a petrol engine, as well as outstanding running cost savings and reduced carbon emissions.

A close-up shot of the 'EcoLPi' badge on the car's body. The badge is rectangular with a blue and silver design, featuring the letters 'EcoLPi' in a stylized font.

Side head/thorax airbags.

Now standard across the range, side head/thorax airbags help to reduce the severity of injury to the driver and front passenger in the case of impact.

Immobiliser.

Standard on all models, the electronic immobiliser provides high security protection for your Falcon Ute.

Fatigue warning.

Tackling one of the largest hazards to road safety, this feature sounds a warning to drivers to rest after prolonged periods of continuous driving.

Safety in the workplace

Safety is a priority. The ANCAP 5-star rated Falcon Ute is equipped with the very latest safety features and technologies.

Dynamic Stability Control (DSC).

DSC helps keep your vehicle under control, by strengthening your connection to the road to reduce over-steer and under-steer, and by tracking and adjusting the vehicle's movement using the Traction Control and ABS. Now standard across the range.

Beltminder™ system.

A simple but effective system that offers an audible reminder for passengers to fasten their seatbelts, increasing safety at all speeds.

Limited Slip Differential (LSD).*

Helps to maintain traction on slippery surfaces or where the rear wheels are on different types of road surface.

*Standard on all models. Optional on Falcon Ute base model with automatic transmission.

Supercab design.

Provides a generous space behind the seats that also gives you a lockable storage area.

Airbags.

An extensive series of airbags are standard across the range including driver and front passenger airbags and side head/thorax airbags.

Antilock Braking system (ABS).

The latest Anti-lock Braking System with Electronic Brakeforce Distribution (EBD) is standard across the range.

Australia's highest safety rating.

In addition to a long list of standard features, you have added peace of mind knowing that the entire Falcon range has a 5-star ANCAP safety rating.

Keyless entry.

Ford's remote control flip key fits neatly in the pocket and offers convenient keyless entry and central locking.

The Falcon Ute range

Work hard or play hard, with a Falcon Ute range that's bursting with power, performance and style. 19

Falcon Ute Cab Chassis shown in Lightning Strike with optional aluminium tray. Falcon XR6 Turbo Ute shown in Emperor with optional Luxury Pack (includes 19" alloy wheels).

From the base model Cab Chassis to the top of the range XR6 Turbo, there's a Falcon Ute for you. Tough and powerful, yet offering the driveability and comfort you'd expect from a car. The Falcon Ute is made for the hard work, but is just as ready to play hard.

Falcon Ute Cab Chassis shown in Lightning Strike with optional aluminium tray.

Details make the difference

Get exactly what you want from your Falcon Ute, by picking the perfect features and accessories to tailor it to your needs and requirements.

Carpet mats.† Protect your passenger seating wells from dirt, mud and outdoor muck with a set of three smartly designed mats.

FPV wheel. These distinctive FPV alloy wheels are purpose-designed to complement the Ford Falcon's dynamic lines.

Aeroklas canopy & carry bars. The fully sealed canopy and adjustable carry bars give you a variety of options when it comes to securing your load.

Bonnet Protector. Protect your bonnet from stones and other objects with this UV resistant acrylic bonnet protector.

EGR hard tonneau cover. Lightweight and impact resistant, this cover helps keep your equipment secure and protected from rain and dust.

Towpack. Choose the standard towpack for a carrying capacity of up to 1,600kg, or the heavy duty towpack (including load levelling kit) for towing up to 2,300kg.*

†Set of three. *This accessory is a Supplier Branded Accessory and is not manufactured or warranted by Ford. The warranty is provided by the manufacturer of the accessory. Contact your Authorised Ford Dealer for details of the accessory manufacturer's warranty applicable to this accessory.*Subject to State and Territory regulations.

Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO₂ emissions and a lower overall cost of ownership.

Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

Complimentary State Auto Club Roadside Assistance and Membership.

Our commitment to your complete satisfaction plays a major role in everything we do. That is why we provide a 12 month Roadside Assistance package including State Auto Club Membership for all Retail and Blue Fleet Customers (with fleets less than 5 vehicles).

This package gives you access to the largest network of roadside assistance providers in the country, so you can be assured that you have non-stop coverage every day of the year.

The benefits of being a member are not limited to the peace of mind of 24/7 roadside assistance. You also have access to a wide range of member benefits including Show Your Card & Save. In addition, you will maintain any benefits accrued through your existing years of membership (where applicable).

Complimentary State Auto Club Roadside Assistance & Membership is valid for eligible Ford vehicles and is available from participating Authorised Ford Dealers only. Visit your local Ford Dealer or refer to ford.com.au for more information and full terms and conditions.

Warranties & Service.

3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

myFord Capped Price Servicing.

Your new Ford vehicle now gives you access to myFord Capped Price Servicing, which means it makes even more sense to have your Ford looked after by the people who know your Ford back to front, inside and out. With myFord Capped Price Servicing, Ford will publish the maximum price you will pay for a logbook service at participating Authorised Ford Dealers for all vehicles built from 2007 up to 7 years or 135,000 kilometres, whichever comes first. In addition, when vehicles are serviced under myFord Capped Price Servicing,

Retail and Small Business Customers (with fleets less than 5 vehicles) will also receive a complimentary 12 months Roadside Assistance package including State Auto Club Membership.

For more details visit your local Ford Dealer or visit ford.com.au/myfordcps for full terms and conditions.

This brochure details specifications and features of the Falcon Ute. Some driver assistance features and safety features described in this brochure are designed to function using sensors, whose performance may be affected under certain weather or environmental conditions. Not all features will be available on the entire Ford Falcon Ute model range. Please visit our website www.ford.com.au for more information.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. The latest specification sheet should be referred to for information on the availability, ordering and use of features and optional equipment. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
