

# FIESTA METAL

Go Further

## Everyone wants what they can't have

Just a lucky few will get a taste of the all black Fiesta Metal. With only two-hundred and fifty vehicles in the country, it's about as limited as a limited edition can be.

European model shown.

The Fiesta Metal 3-door is a hot hatch with a mean streak. The modified 1.6L Duratec engine is dialled-up to deliver sports performance in spades. What's going on under the Metal's skin is reflected on the exterior with a wind-cheating sports body kit that comes in any colour you want, as long as it's black.

This Fiesta Metal consumer brochure contains images of the European Fiesta Metal. Some specification differences between the European and Australian models may exist.

## Options are not an option

The Fiesta Metal is the complete package. Ebony black leather seats, leather sports steering wheel and shifter and keyless entry, it's all there waiting for you.

European model shown.

Sitting in the cockpit, you're surrounded by smarts. Clever design puts intuitive technology at your fingertips. You're in complete control of your environment, both inside and out.

### Fully connected.

Bluetooth® with voice control gives you complete command over your mobile, climate control and audio system without having to lift a finger.

### 5-speed manual transmission.

Instant acceleration on demand, that's what you get with the German engineered close-ratio, 5-speed transmission.

### Auto headlights & rain sensing wipers.

The Metal packs in an array of high-tech features, like headlights that are activated when the external light becomes too dim and windscreen wipers that are automatically triggered when rain is detected.

### Projector headlights.

Wraparound halogen projector headlights not only look the goods, they're smarter too; directing a more intense light onto the road in front.

### Chrome alone.

Fiesta Metal. Every bit black except for the unique chrome lower grille surrounds and chrome fog lamps for standout effect.

### Alloy pedals.

Sports alloy pedals show the stamp of performance in every detail.

### Black alloys.

5-spoke black alloy wheels look mean and mean business.

### Twin exhaust tips.

It's a car that a lot of people will see the back of, so twin exhausts will leave a lasting impression.

1. All performance data for petrol models measured using 95RON fuel. 2. For optimal performance use fuel of 95RON or higher. 3. Figures obtained from controlled tests using ADR 81/02 (combined). Actual fuel consumption and emissions will depend on many factors including driving habits, prevailing conditions and your vehicle's equipment, condition and use. 4. Capless refuelling with misfuel inhibitor. 5. When in use, do not exceed 80km/h and ensure the standard wheel and tyre are fitted as soon as possible. 6. Including: front bumper skirt, rear bumper skirt, side skirts, sports grille, large rear spoiler. 7. Bluetooth<sup>®</sup> is a registered trademark of Bluetooth SIG Inc., and is used under licence. Please refer to ford.com.au for mobile phone compatibility. 8. Connection cables sold separately. Refer to ford.com.au 9. Dynamic Stability Control is also known as Electronic Stability Control.

### Quality

We design and build your Ford to feel as good after many years of service as it did the day you picked it up. And to drive just as beautifully, too.

### Sustainability

Using advanced technology, we're committed to creating vehicles with improved fuel economy, reduced CO<sub>2</sub> emissions and a lower overall cost of ownership.

### Safety

Ford's Intelligent Protection System uses sophisticated technology designed to help prevent an accident and, if one should happen, to help protect you.

### Smart

Vehicles with smart, intuitive technologies designed to connect you to your world and many clever solutions that make life a little easier.

Speak to your Ford Dealer today about how we can help you make the most out of your vehicle ownership experience.

### 3 year/100,000km new car warranty.#

For three years or 100,000km, whichever comes first, your Ford is covered against any defects in factory materials or workmanship. This also applies to Genuine Ford Accessories you may have had fitted before you took delivery.

### 5 year warranty against perforation corrosion.#

It's reassuring to know that the original body of your gleaming new Ford is guaranteed against perforation corrosion for the first five years of its life. If perforation corrosion occurs, we'll fix it for free.

### myFord Warranties and Insurance.

When you first turn the key of your brand new Ford you want to do so without a care in the world. Our range of myFord products gives you that extra peace of mind. For more information about myFord Warranties and Insurance, visit your participating Ford Dealer for further details on the plans that best suit your needs. Terms, conditions and eligibility criteria apply.

### 12 months/15,000km service intervals.

Under normal driving conditions service intervals are 12 months or 15,000km, whichever occurs first.

### Running a fleet?

Our Ford Fleet team is available to assist fleet customers with information on Ford products and services. Call 1300 13 13 30 or email [askfleet@ford.com](mailto:askfleet@ford.com)

### Want to contact us?

For answers to your questions, or help with any concern, contact our Customer Relationship Centre on 13 FORD (13 3673) or email [customers@fordcrc.com.au](mailto:customers@fordcrc.com.au)

### Visit us on the web.

If you want more information on Ford or our entire product range, visit us at [ford.com.au](http://ford.com.au)

### myFord Capped Price Servicing.

Your new Ford vehicle now gives you access to myFord Capped Price Servicing, which means it makes even more sense to have your Ford looked after by the people who know your Ford back to front, inside and out. With myFord Capped Price Servicing, Ford will publish the maximum price you will pay for a standard A or B logbook service at participating Authorised Ford Dealers for all vehicles built from 2007 up to 6 years or 105,000 kilometres, whichever comes first.

In addition, when vehicles are serviced under myFord Capped Price Servicing, Retail and Small Business Customers will also receive 12 months myFord Standard Roadside Assistance (RRP \$90).

For more details visit your local Ford Dealer or visit [www.ford.com.au/myfordcps](http://www.ford.com.au/myfordcps) for full terms and conditions.
