

Fiesta options and accessories.

Personalise your Ford Fiesta. The choice is yours.

Spoiler. Maximise your Fiesta's sporty appearance with a spoiler designed to further enhance the vehicle's contours.

Scuff plate inserts. Enhance the look of your Fiesta with polished aluminium scuff plate inserts. Embossed with the 'Fiesta' logo.

16" 7 spoke alloy wheels. Designed in Europe and made from high grade alloy for superior strength, these alloy wheels will give your Fiesta a sportier edge.

Reverse sensing system. The reverse sensing system uses warning tones to help make reversing and parking easier.

Cargo swing net. Keep your belongings in place. Easy to install and remove, it attaches to the sides of the cargo area to help prevent loose items moving around during transit.

Boot scuff guard! Designed to help protect your Fiesta's rear bumper and boot lip from scratches and scuffs when loading and unloading. Folds away neatly when not in use.

Sports leather gear knob. Superbly crafted sports leather gear knob gives the interior of your Fiesta an even sportier look and feel. Available on manual transmission vehicles only.

Bike carrier.* Transporting your bike is easy with this fully lockable bike carrier. Securely harnesses your bike by the front forks and is made from premium alloy for superior strength and stability.

Boot liner!† Durable rubber mat features a raised texture to help minimise movement of goods during transit. Easy to remove and clean.

You probably didn't think it was possible, but the German engineered Ford Fiesta has gotten even sexier thanks to a broad range of interior and exterior style accessories. Now there's a multitude of different ways to personalise your Fiesta. If you're a sporty type, perhaps you'd like one of the many add-on carriers for bikes, skis or snowboards. There's also a huge range of exterior protection accessories available to keep your Fiesta looking sexy for longer.

*Attaches to Genuine Ford carry bars which are sold separately. †Boot liner and boot scuff guard cannot be fitted in conjunction with each other.

Make your Ford Fiesta truly your own.

As you'd expect, all accessories are designed specifically for your Fiesta, so you know they'll fit exactly and provide optimum reliability.

Sports options such as the 16" 7 spoke alloy wheels are always a stylish choice and safety features like the reverse sensing system

will always be a welcome addition. However, if you can't decide when purchasing your vehicle, all these accessories are available at

any time from your Ford Dealer. Find out more at ford.com.au or visit your Ford Dealer.

1. All performance data measured using 95RON fuel. **2.** For optimum performance use fuel of 95RON or higher. **3.** These figures are obtained from controlled tests conducted to Australian Design Rule 81/01, which requires the use of 95RON fuel, and are provided to assist you in comparing the fuel consumption and CO₂ emissions of Fiesta with other vehicles. The actual fuel consumption and CO₂ emissions you achieve will depend, however, on many factors including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. **4.** Excludes exterior side mirrors.
