

Focus specifications and options.

About this specification sheet: This sheet is designed to provide you with selected specification data for the Ford products which have been described in a general way in the relevant brochure. Because of changes in conditions and circumstances Ford* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchasers. Because of variations which occur in manufactured products, all capacities, measurements, dimensions and weights quoted in the relevant brochure and this specification sheet should be taken as approximate only. Always consult an authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. *FORD MOTOR COMPANY OF AUSTRALIA LIMITED. (A.B.N. 30 004 116 223) Registered Office: 1735 Sydney Road, Campbellfield, Victoria 3061, Australia. Printed April 2006. FMC 2720

[Personalise your Focus. The choice is yours.]

> Your Ford Focus is engineered in Germany for smooth style and performance. And now, you can make it even smoother with your choice of Genuine Ford Accessories. There's an extensive range of accessories to choose from that are designed to suit your lifestyle and needs. All accessories are tailor-made to help you get the most out of your Focus and are available from your Ford Dealer any time. For more information visit ford.com.au and find out how to create the Focus of your dreams.

How smooth is that?

> **Spoiler.** Maximise your Focus sedan's sporty appearance with a spoiler designed to further enhance the vehicle's contours.

> **Reverse sensing system.** This system features warning tones to assist the driver when reversing and parking in tight spaces.

> **Sports gear knob.** Superbly crafted gear knob helps give the interior of your Focus an even sportier look and feel (manual transmission only).

> Focus Ghia shown in Pure Silver with optional 17" alloy wheels and tyres.

Turns to lock	2.9		2.9		2.4

¹. All performance data measured using 95RON fuel. ². These figures are obtained from controlled tests conducted to Australian Design Rule 81/01, which requires use of 95RON fuel, and are provided to assist you in comparing the fuel consumption and carbon dioxide (CO₂) emissions of Focus with other vehicles. The actual fuel consumption you achieve will depend however on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use. ³. Approximate weights.
