

# MALOO R8

**WE BELIEVE THE CAR YOU DRIVE**

**TELLS  
THE WORLD  
EXACTLY  
WHERE  
YOU  
STAND.**

Maloo R8 interior shown with optional Sport leather trim including Sport console trim.

▶ The Maloo R8 is all about being tough on the road, not the driver. The multi-function steering wheel features illuminated controls for the sound system, trip computer, Bluetooth phone, Satellite Navigation and Enhanced Driver Interface (EDI). At the touch of a button, EDI streams real-time vehicle dynamics and performance data to the LCD touchscreen display, including G-forces, Power & Torque, and lap times.

**WE BELIEVE IN CARS THAT TURN DRIVERS ON — AND NOT THE OTHER WAY 'ROUND.**

**WE  
BELIEVE  
IN THE  
SOUND  
OF  
ROLLING  
THUNDER**

It takes some serious grunt to push things to the limit time and time again. HSV's 6.2 litre LS3 Generation 4 alloy V8 will really get your adrenaline pumping with 317kW of power and 550Nm of torque delivered through its 6-speed manual transmission or optional 6-speed automatic transmission with Active Select. The Maloo RB's sleek design, 19" Sports alloys, 4-piston brake calipers and remote locking hard tonneau make it a powerful statement in every sense.

**AND THAT CORNERS ARE THERE TO BE MASTERED.**

**MADDO** is the sort of guy who plays by his own rules. You have to be when a standard day at work involves dropping 80 feet off the Arc de Triomphe in Vegas, or breaking world records by soaring over Greece's massive Corinth Canal. And the only thing Maddo jumps into more often than the record books is his HSV Maloo R8.
