

5 doors. seriously.

Clever styling gives Barina Spark the sleek, sporty shape of a three door, and the convenient space and practicality of a five door. But while its integrated rear door handles may be hidden from view, the rest of the car's exterior design is most definitely not. For the Barina Spark, it's full-on sports styling all the way, including a sports body kit, alloy wheels, rear spoiler, alloy exhaust tip and front fog lamps – all standard.

3

Standard features? The Barina Spark comes with a carload. That means must-haves like a CD/MP3 sound system that lets you DJ your favourite beats via steering wheel controls as well as offering a USB input with iPod® compatibility. It means luxuries like front windows that go up or down at the touch of a button, heated side mirrors that don't fog up in winter, and rear seats that fold down for your shopping, fold up for your friends, or split the difference 60:40. It means bonuses like a trip computer that tells you how many kms are left in the tank or even how hot it is outside.

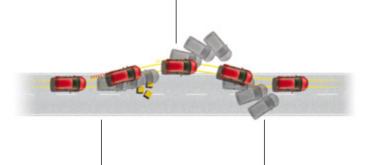

Expecting a bland interior? Try another brochure. The Barina Spark interior is about being different... standing out from the crowd. That means colour, quality, design with an edge in form and function. Like the car's unique motorcycle-inspired instrument cluster, which looks fabulous and tells you everything at a glance. Same goes for the crisp ice blue LED illuminated centre console with its easy read displays and intuitive controls. Like the idea of colour coordinated seat and door trim? You get that as well.

safety

Safety matters. It may be as fun to drive as it looks, but the Barina Spark is all business when it comes to safety. In fact, it offers a high level of standard safety features like Electronic Stability Control (ESC) and Anti-lock Braking System (ABS), designed to help prevent a collision from occurring. And features like six airbags, a passenger safety cell, seatbelt pretensioners and a collapsible pedal release system, to help protect you from injury if you are in a collision.

This is how ESC helps you avoid accidents Imagine you have to avoid an unexpected obstacle in the road. You end up with two wheels on the gravel verge and need to brake suddenly...

TCS reduces torque to reduce slip

ESC brakes the left rear wheel momentarily to reduce understeer

ESC brakes the right front wheel momentarily to reduce oversteer

Anti-lock Braking System (ABS) ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces.

Electronic Brakeforce Distribution (EBD) EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances.

Front airbags For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger.

Electronic Stability Control (ESC) If the vehicle is about to skid, ESC will apply brake pressure to individual wheels as appropriate, and trim engine power if required. This dramatically increases turning and cornering safety, particularly in evasive action situations where it helps stop the vehicle skidding out of the control.

Collapsible pedal release system To help prevent driver leg injury in a severe frontal impact, the vehicle's brake pedal will collapse.

Side impact airbags Side impact airbags provide chest and thorax protection for the driver and front passenger.

Crumple zones and passenger safety cell In the event of a collision, occupants are protected by both energy management crumple zones - which are designed to crush efficiently and maintain the vehicle integrity - and the passenger safety cell providing a rigid structure, made from nearly 60% high strength steel.

Barina Spark in Solar Red

Seatbelt pretensioners

A sufficiently forceful impact will trigger pyrotechnic charges that force the front seatbelts to tighten, holding front occupants firmly in their seats.

Side curtain airbags

Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers.

Brake Assist (BA)

BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance.

Traction Control System (TCS) Designed to maximise the vehicle's

stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly.

Barina Spark

The Barina Spark redefines the small car with a compelling list of included must-haves, a high level of standard safety features and a bold, sports style unlike anything else on the road. Easy to own, fun to drive, its breakthrough fusion of fashion, function and five-door practicality makes other cars in its class blush.

* Green interior trim standard with Fresh Lime Green and Carbon Flash Black exterior colours. Light Titanium interior trim standard with all other colour options.

- * Not all portable music devices or USBs are supported by the infotainment system. Please check with your Dealer.
- [^] Automatic headlights available as standard on automatic transmission only.
- ⁺ Certain mobile phones may not be compatible with the Bluetooth[®] phone kit. Please visit holden.com.au to determine your phone's compatibility.

Barina Spark in Fresh Lime Green

Features include:

- 1.2L DOHC 4-cylinder petrol engine
- Choice of 5-speed manual or 4-speed automatic transmission
- Electronic Stability Control (ESC) incorporating: Anti-lock Braking System (ABS) Brake Assist (BA) Electronic Brakeforce Distribution (EBD) Traction Control System (TCS)
- 6 airbags including:
 Front airbags for driver and front passenger
 Side impact airbags for driver and front passenger
 Full length side curtain airbags
- 14" alloy wheels (4)
- Front body coloured door handles
- Hidden rear door handles
- Body coloured heated power adjustable exterior mirrors
- Automatic headlights[^] (Switch on at dusk or in low light)
- Front fog lamps
- Rear roof spoiler
- Front power windows
- 6-way adjustable driver seat
- 4-way adjustable front passenger seat

- Vanity mirror with cover on driver side sunvisor
- Air conditioning
- Steering wheel mounted audio controls
- 4-speaker AM/FM audio system, with CD player, AUX input and USB input with iPod[®] compatibility⁺
- − Bluetooth^{®†}
- Motorcycle inspired instrument cluster featuring: Speedometer and a digital tachometer Trip computer functions including: distance to empty and outside temperature
- Centre console incorporating dual front and rear cup holders and bin compartment
- Front door pockets with integrated bottle storage
- Remote keyless entry operates doors and rear tailgate
- Cloth trim available in Light Titanium or Green

Barina Spark in Nitrate Silver

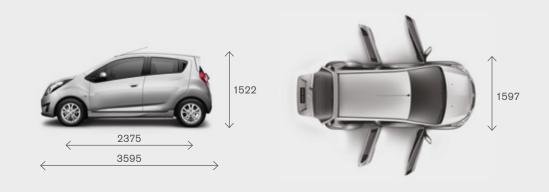

- 01 15" 'Provoke' alloy wheels Bold and eye-catching, these 10-spoke machine-faced alloy wheels add an even sportier edge to Spark's dynamic exterior.
- 02 Weathershields slimline size For driver and all passenger windows.
- 03 Mudflaps (rear only) Reduce the risk of damaging your paint work from dirt, stones and other objects kicked up by the wheels.
- 04 Bonnet protector Protect your vehicle's superb paint finish from stone chips and scratches.
- 05 Chrome mirror caps These chrome plated mirror caps provide a stylish individual appearance to further enhance the look of your vehicle.
- 06 Decal kits Choice of 3 designs: Splash – Available in Black or White. Tribal – Available in Black or White. Sports Stripes - Available in Black or White.
- 07 Seat covers (front only) Spark branded seat inserts protect seats and are compatible with side impact airbags. Choice of silver or red Spark logo.

- 08 Floor mats (front and rear) Spark branded.
- 09 Boot lip protector Whilst loading and unloading from the boot, this protector folds over to protect the paint from scratches and scraping.
- 10 Cargo organiser
- 11 Locking wheel nuts Provides additional security and can be removed only with the lock nut key supplied as part of the kit.
- 12 Licence plate frames Slimline or standard size to suit all Australian number plates.
- 13 Safety triangle kit Set of 3
- 14 Anti-zap jumper leads A must have for all drivers, in the event of a flat battery.

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

With more than 240 dealerships Australia-wide a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

Call 1800 033 349 (8am - 7pm Mon - Fri, 9am – 1pm on Sat (EST).

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000km whichever comes first. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Holden has one of Australia's largest service networks. Servicing your Holden at an authoris Holden Service Centre gives you complete confidence, knowing that only Holden Dealersl Technicians have access to regular Holden factory training and equipment.

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holde continues to perform to its full potential. Holde Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

ienuine

Add an individual touch to your Holden with ou extensive range of Genuine Holden Accessorie Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs Refer to the enclosed 'Holden Voluntary Warra flyer for full terms, conditions and exclusions.

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network. Refer to holden.com.au or contact your Holden Dealer for details.

* Where ADRs apply for the product

Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).

Cover image: Barna Spark in Fresh Lime Green. A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and / or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subjects to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. Copyright GM Holden Ltd.
