

easy purchase options

Insurance

Holden Insurance offers a range of competitively priced insurance products, providing tailor-made protection, at the level of cover you need. For more information, call the Holden Insurance hotline on 1300 784 026.¹

Holden Leasing

Businesses of all sizes are now accessing vehicle leasing options with Holden Leasing. We operate nationally through the Holden Dealer Network and our dedicated service and support team. Our people are responsive professionals who understand your business and what it means to deliver total fleet management solutions. To find out how Holden Leasing can help you, call us on 1800 022 077.

GM Holden Card

The GM Holden Card can assist you to get into a new Holden sooner. 10% of your credit card purchases go towards a Rebate of up to \$3,000 on your new Holden² (depending on model). That's up to \$1 saving on your new Holden for every \$10 spent. There are a range of extra features including up to 45 days interest free³ on credit card purchases and a competitive interest rate. Apply⁴ online at www.holden.com.au/mastercard, or call the GM Holden Card 24hr helpline on 131 200.

ownership benefits

Holden Service

With one of the largest Service Networks in the country, Holden Dealers can supply an enviable level of customer care. Only Holden Dealership technicians have access to regular Holden factory training and equipment.

Holden New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years⁵ or 100,000 kilometres, whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components. Refer to your Owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.

Holden PLUS Extended Factory Warranty

Holden also offers Holden PLUS Extended Factory Warranty. Holden PLUS is a complete extension of your New Vehicle Warranty, giving you peace of mind because your car is factory backed for up to 3 additional years. The very same items covered under the New Vehicle Warranty will continue to be covered under Holden PLUS, without exclusion. The Holden PLUS Extended Factory Warranty can be purchased through your local Holden Dealer at the same time as your Holden vehicle purchase. See your Holden Dealer or call 1300 308 062 for full terms and conditions.

24 Hour Roadside Assistance

Provided for the first year of your new Holden's life⁶, Holden Roadside Assistance is one of Australia's most comprehensive assistance packages with over 3,000 Roadside Assistance patrols nationwide⁶. There to help with even the smallest service, the toll-free Roadside Assistance hotline is always open, 1800 817 100.

For more information contact Holden Customer Assistance on 1800 033 349 Monday to Friday 8am to 7pm or Saturday 9am to 1pm EST or visit www.holden.com.au

¹ Subject to approval. ² The maximum GM Holden Card 'Core Rebate' (plus additional 'Bonus Rebate' accumulated via participating Holden Dealers) applicable for each vehicle, accrued over a maximum of five years may be applied per eligible vehicle purchased. For the maximum Rebate applicable for each vehicle refer to the 'Maximum Rebate Levels' table at www.westpac.com.au/holden. Vehicle sales for which a fleet allowance is paid are not eligible for GM Holden Card Rebate. Earning and redemption of Rebate towards a new Holden is subject to the GM Holden Card Rebate Program Rules. ³ The interest-free period applies where the card account is fully paid by the due date each month. ⁴ GM Holden Card is approved by Westpac. Applications are subject to Westpac's normal lending criteria. ⁵ From date of first registration. ⁶ In remote or sparsely populated areas you may experience delay in obtaining Roadside Assistance. Refer to the Customer Care brochure in your glovebox for full terms and conditions of this service.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 883 232, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. Get in. And play _____ Plug into Barina
Get in. Close the door. And turn the dial all the way to fun _____

Play it loud. CD or MP3 – your choice, your music, your way, plugged into the six speaker sound system. Without taking your hands off the wheel, you can get to your favourite sounds as easily as you get to where you're going. This is a car for the streets.

Go on. Take the short cut. Up that alley. Down that lane. When it comes to nimble, this car is totally buttoned down. Tight spaces seem roomier – even with four friends in the car. When it comes to zip, the 1.6 litre engine has “enthusiastic” written all over it. This is choice. 3 door hatch. 5 door hatch. Sedan. Take your pick. And, with front and side airbags standard across the range, you know safety is not just an option. This is a car for today.

It's practical, petite and perfectly proportioned.

If you're looking for a big value small car, Barina is the tight turning, city living, bundle of fun that's waiting for you. Take a closer look. It's right up your alley.

Life is full of surprises

We've left dull on the kerb

There's a whole lot of clever inside Barina. Get in, buckle up and get organised. It's not just what you've got, it's how you use it. Coffee in the pop out holders, sunnies in their place, check the hair, fine tune the side mirrors – electrics are so convenient – power down the window, wave good-bye, flick on the air con – the driver friendly design means the comfort controls are right where you need them – and go.

The surprises keep coming. There's room for thousands of songs inside this Barina – with an input jack for your MP3 player in the audio fascia. And if you want even more, you'll find the Style Pack comes with 15" alloys (steel spare), and ABS – to add substance to the statement.

This car can keep you smiling all the way to wherever.

Gotta go. Gotta get there

Get your hustle on. Get the green light.
And get gone. Barina is ready when you are _____

Once you've made up your mind where you need to be, you just want to get there – and you can. With a zippy 1.6 litre engine, Barina leaves boredom wondering where on earth you got to.

It's an engine designed for the agile minded driver – stop, start, duck down a shortcut, dive into an alley, zip into a gap – it's an engine you'll quickly fall for. Then, once you get going, you don't have to strain to keep it up. This pocket dynamo has all the gears you need – five in the manual, four in the auto – so you can hold your own on the long stretches. And fuel isn't a stretch either. Barina won't have you standing around at the pump. In. Fuelled up. And gone.

When it comes to reliability, this car has Holden stamped all over it – backed by a 3 year or 100,000km Warranty – plus a year's free 24 hour Holden Roadside Assistance.

A savvy choice, Barina is a car for today.

Beautiful on the inside

Big thinking helps you make even more of the fun.

Smart style starts the story. The two-tone trim, highlighted with silver accents is the first thing you notice

Then take in the vanity mirror, linger on the comfortably bolstered seats (with adjustable headrests) before settling on the heated power side mirrors.

Yes. Barina has the practical questions answered.

Clever design means more room than you expect. Especially when you tumble forward the 60/40 folding rear seat – giving you space for extra shopping, extra bags or all the gear you didn't realise your friends were going to bring along.

Need to change the mood? Power down the windows or power up the 4 speed air con. Every trip has its own theme song. With steering wheel mounted audio controls you can change track as easily as you can change your plans. Pick the song. Play along.

The steering wheel isn't just the drum, it's the whole band. With an MP3 input jack in the audio fascia and six speakers, you're surrounded by music the way you like it – loud, soft, AM, FM, CD, MP3, Funk, Soul, House, whatever...

3 door, 5 door, sedan

Heads will turn. Eyes will pop. Barina's got what it takes. From the classic styling of the sedan to the stylish swept-back headlamps on the hatch, Barina gives people a whole new reason to stare a little longer. It's got that confident look.

At the front, the hatch's bold fascia design blends smoothly into the bonnet and sweeps up towards the side vents. Envious eyes have just enough time to take in the subtle side curves before the realisation there's a tightly styled back end, topped with a sporty rear spoiler and eye catching rear lights, dashing around the next corner.

And, if you opt for the Style Pack, the 5-twin spoke 15" alloy wheels (steel spare) will put even more green into the eyes of the people you pass

Features include:

- 1.6 litre, DOHC 16 valve 4 cylinder engine
- 5-speed manual transmission or optional 4-speed automatic transmission
- Front airbags for driver and front passenger
- Side impact airbags for driver and front passenger
- Front seatbelt pretensioners
- Front seatbelt sash height adjust
- 15" steel wheels with full flush covers
- Body coloured side mirrors
- Body coloured door handles
- Body coloured bumpers front and rear
- Body coloured rear spoiler (hatch only)
- Power side mirrors (heated)
- CD audio system with MP3 compatibility and auxiliary input jack
- Steering wheel mounted audio controls
- Full face cloth seat trim
- 6-way adjustment of driver's seat
- Air conditioning with variable temperature control
- Power windows
- Twin cupholders in dash
- Twin vanity mirrors
- 60/40 split fold rear seat back
- Sunglasses holder
- Keyless entry to doors

Style Pack includes:

- 15" alloy wheels (4)
- Anti-lock Braking System (ABS)

safety

When you sit behind the wheel of any new Holden Barina you are surrounded – every kilometre of every trip – by a reinforced passenger safety cell, and a driving defence system designed to help prevent injury should a collision occur.

In an accident, it's the impact energy of the collision versus your vehicle's safety features. That's why every Barina is equipped with an array of sophisticated occupant protection systems, including:

- front airbags for driver and front passenger
- side impact airbags for driver and front passenger
- safety cell, crumple zones and load paths
- front seatbelt pretensioners
- front seatbelt force limiters

Co-ordination of passive safety features
In a collision, the Barina uses forward and side sensors to detect the direction and severity of impact. In response to certain collisions, the vehicle can co-ordinate and deploy the appropriate safety measures in just a few thousandths of a second – about the same time it takes to snap your fingers.

ABS Anti-lock Braking System (with optional Style Pack)
If wheel 'lock up' is detected under forceful braking, ABS momentarily reduces brake pressure at the affected wheel(s). This improves braking efficiency – reducing stopping distances on most surfaces – and helps the vehicle remain steerable and directionally stable. ABS is available as part of the optional Style Pack on all Barina models.

Holden tuned suspension
Australian roads are different. So, both front and rear suspension systems have been tuned for Australian driving conditions. The rigid chassis design and wide track enhance the Barina's small car agility.

Safety cell, crumple zones and load paths
In frontal and rear collisions, impact energy is absorbed by crumple zones and channelled away from the driver and occupants via multiple load paths. The Barina's multiple load path strategies are also integral to side impact protection, as is the vehicle's safety cell. Strategically reinforced, it offers protection against passenger safety cell intrusion.

Front airbags
For maximum protection in certain frontal collisions, Barina will deploy front airbags for driver and front passenger. The 60 litre driver airbag can fully inflate in 45 milliseconds, while the front passenger airbag, can inflate to a full 125 litres in just 55 milliseconds.

Side impact airbags
Now standard on all Barinas, the side impact airbags feature an enlarged 'Head-Thorax' design to help protect the lower and upper body of both driver and front seat passenger.

Front seatbelt pretensioners
When an impact of sufficient severity is detected, small explosive charges force the front seatbelt anchors towards the cabin floor. This tightens the seatbelts and helps hold both driver and front passenger firmly against their seats.

Front seatbelt force limiters
Following airbag deployment, force limiters unspool the front seatbelts incrementally to minimise seatbelt related injury.

Front seatbelt height adjusters
To maximise seatbelt effectiveness, the driver and front passenger can each lower or raise their seatbelt sash to ensure it sits correctly in the point between their neck and the point of their shoulder.

Peace of mind
Front and rear head restraints, child restraint anchorages and childproof rear door locks (not available on 3 door hatch) are standard on all Barina models.

Stopping distance will depend on road surface and vehicle load conditions
