

BARINAST

HOLDEN
DRIVE ON

holden.com.au

bend the rules
The new Barina turns the corner in small car value. It bends the rules for greater passenger comfort and the sheer fun of zipping about. Choose between 3 Door hatch, 5 Door hatch or sedan to discover a new level of handling, power and interior space. Standard features include power windows (front only on 3 Door hatch), keyless entry, air conditioning and heated power mirrors. Dual front airbags, a passenger safety cell and optional ABS brakes all provide additional safety. The distinctive high roof styling, rounded lines and rear hatchback spoiler add to the refreshing good looks of this sporty performer. The new Barina is longer, wider, zippier and even better value than ever before – while its new 1.6 litre engine makes it a real street performer. And for added peace of mind, all Barina models come standard with a 3 year or 100,000km (whichever comes first) Holden Warranty as well as a complimentary year, 24 hour Holden Roadside Assistance.

go your own way

From the outside, the new Barina hatch sets the style with its sporty rear spoiler and subtle exterior body kit (3 Door hatch only). And underneath its contemporary lines, the Barina has got what it takes to zip around town with real small car agility thanks to its rigid chassis design and 76kW of power. Power steering makes it easy to slip into the tightest of parking spaces. You'll find all models have a long list of safety features and extra passenger protection to put safety first every time. Inside, the new Barina is as practical as it is stylish with loads of handy compartments, smart grey upholstery and silver-look accents.

great all-round
The all new Barina sedan lets you move into a whole new comfort zone. From the outside, it offers you the convenience of 4 doors in a body that asserts itself as a true style leader. But it's on the inside where the Barina leaves other compact sedans for luxury and comfort and will make driving a pleasure. You'll also love the ability to carry up to five people in comfort and its capacity to swallow up to 1097 litres of luggage. It's the compact sedan that gives you room to move.

access all areas

interior design

Inside, the combination of charcoal trim and matching instrument panel is smart and stylish. It's all complemented by modern circular surrounds on the air vents and dashboard instruments.

stretch out

By making the new Barina wider and longer than ever before, there's more hip and leg room for your taller friends.

stereo sound

The new Barina takes sound seriously with its 6-speaker AM/FM stereo and CD player with MP3 compatibility so you can sing along with great sound.

power windows and mirrors

All Barina models come standard with power windows (front only on 3 Door hatch) and heated power mirrors to make your driving experience that much more convenient.

steering wheel mounted stereo controls

Imagine the convenience and safety of operating the sound system without taking your hands off the wheel. Switch between radio, CD and MP3 at the flick of a finger.

air conditioning

Keep your cool on the hottest days with 4-speed air conditioning and variable temperature control.

storage options

There's a place for just about everything in the new Barina with lots of handy compartments for coins, tickets, coffees, your mobile phone and sunglasses. The 60/40 rear folding seat gives you serious storage options for those awkward loads.

sedan interior

5 Door hatch interior

drive safely

Safety is designed into all Barina models with the use of high-strength steel in the passenger safety cell and crumple zones. The high seating position provides a better view of the road while clever ergonomics put the driver in command with fingertip control of everything from the power mirrors to the stereo system. On winding roads or city lanes, the Barina is highly responsive and well balanced with an exceptional array of safety features.

powerful engine
An all-new engine that is responsive and zippy gives you power when you need it. The lively 1.6 litre, 16-valve engine delivers 76kW of power through the 5-speed manual transmission or optional 4-speed automatic transmission.

safer braking
An Anti-lock Braking System (ABS) is optional on all Barina models. It can help maintain directional stability and control under emergency braking – particularly on slippery roads.

dual airbags
Dual front airbags deploy to protect the driver and front passenger in certain serious frontal collisions while the optimised front crumple zone acts as a first line of defence. Safety is everything.

power up
Power steering makes parking easier while the height-adjust steering column ensures the best driving position. Take control.

stay seated
Height adjustable front seatbelts with pre-tensioners automatically take up seatbelt slack early, minimising forward motion of passengers in an impact.

safety cell
The Barina's passenger safety cell and critical underbody sections feature high strength steel to ensure maximum protection.

peace of mind
Front and rear head restraints, child restraint anchorages and childproof rear door locks* are standard on all Barina models.

Holden-tuned
Both front and rear suspension systems have been tuned for Australian driving conditions. The rigid chassis design and wider track enhance the Barina's small car agility.

*Childproof rear door locks not available on 3 Door hatch

better from every angle

Whichever way you look at it, Barina has always represented exceptional value. But now the new Barina goes even further with extra features for additional safety, comfort and performance. It's all packaged in a streamlined body with jewel effect headlamps, sporty rear spoiler (hatch models only) and a distinctive high roof line. Inside, the picture is completed with fingertip controls, plenty of interior room and a very non-standard list of standard features. Barina really is the one that comes with it all.

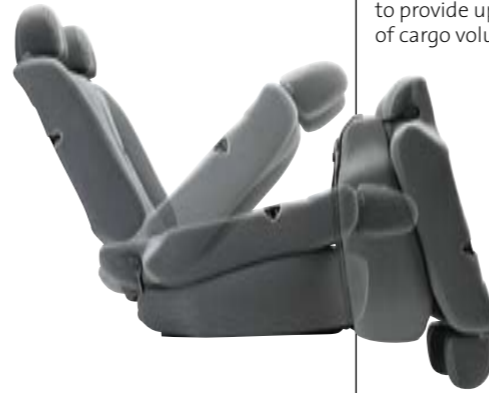

keyless entry

Lock all the doors and tailgate or boot with the click of a button. The Barina also comes with an engine immobiliser for better theft protection.

sporty spoiler

Both the hatch models are distinguished by the sporty spoiler which lets the world know that this is a vehicle made to zip along and look good.

room for more

When you've got a full load, the hatch rear seats fold forward, then flip down to provide up to 1190* litres of cargo volume.

power mirrors

The external power mirrors are heated to avoid fogging in damp conditions.

choice of wheels

Stylish 15" steel wheels come as standard. Or you can choose an optional pack with eye-catching 15" alloys (steel spare) and ABS brakes to complete the picture.

specifications

there are rewards to buying a Holden that go beyond the joy of driving one

Easy Purchase Options

Finance

SmartChoices, provided by GMAC Financial Services, is an array of automotive finance products designed to help the dream of driving a new Holden become a reality. Just select the product, term and payment structure that best suits your lifestyle and your Holden Dealer can provide more information.

Insurance

Holden Insurance offers a range of competitively priced insurance products, providing tailor-made protection, at whatever level of cover you need. For more information, call the Holden Insurance hotline on 1300 784 026.

Holden Leasing

Whatever the size of your fleet, Holden Leasing offers a range of flexible, value driven, specialist fleet leasing products. Years of experience means they can provide the best solution for you. Call Holden Leasing on 03 9693 0400 for more information.

Holden MasterCard

Holden MasterCard can assist you to get into a new Holden sooner. 10% of credit purchases on this card goes towards a Rebate of up to \$3,000 on your new Holden! That's a \$1 saving towards a new Holden for every \$10 spent. There are a range of extra features including up to 45 days interest free² on credit purchases and a competitive interest rate. Apply³ online at www.holden.com.au/mastercard or call Holden MasterCard's 24 hour help line 131 200.

Ownership Benefits

Holden Service

With over 300 Holden Dealers, Holden can supply an enviable level of customer care. Our Service Network is one of the largest in the country. Only Holden Dealership technicians have access to regular Holden factory training.

Holden Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years or 100,000 kilometres, whichever comes first. This factory backed warranty covers items including the engine, transmission, interior and exterior components. For support after that, a Holden Extended Warranty can be purchased for vehicles that have travelled less than 100,000 kilometres and prior to the vehicle being registered for 3 years from date of first registration. Refer to your owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.

24 Hour Roadside Assistance

Provided for the first year of your new Holden's life!⁴ Holden 24 Hour Roadside Assistance is one of Australia's most comprehensive assistance packages with over 3000 Roadside Assistance patrols nationwide.⁵ There to help with even the smallest service, the toll-free Roadside Assistance hotline is always open, 1800 817 100.

Club Holden

Owning a Holden has another great benefit – Club Holden. It's a free online service that provides exclusive vehicle and owner information tailored to your Holden. Register today at www.club.holden.com.au⁶

For more information contact Holden Customer

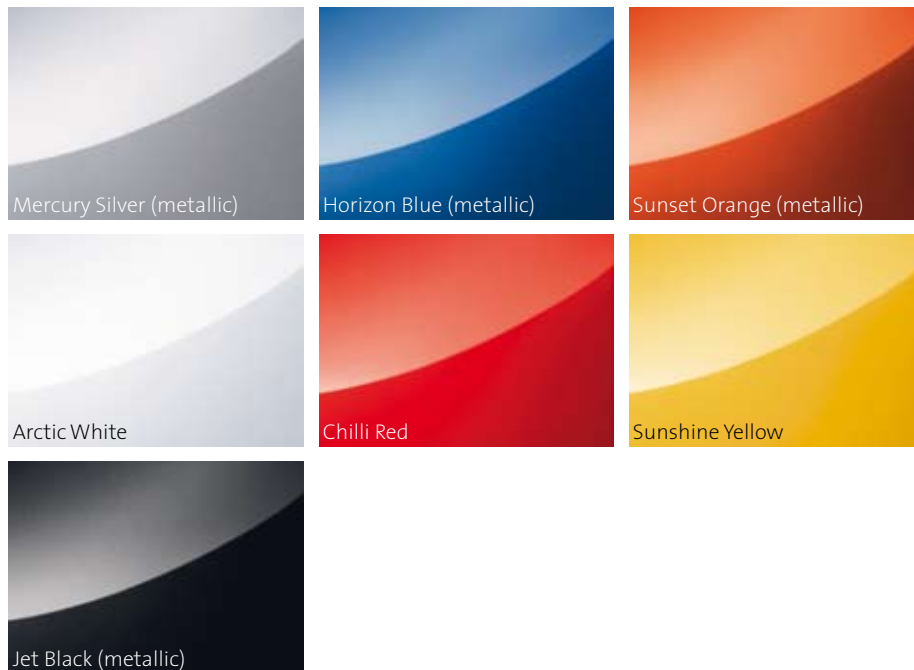

Assistance on 1800 033 349 Monday to Friday

8am to 7pm or Saturday 9am to 1pm EST or visit

www.holden.com.au

1 A total of \$3000 in the form of Holden Card 'Core Rebate' (plus additional 'Bonus Rebate' accumulated via the Partner Program) accrued over a maximum of five years may be applied per eligible vehicle purchased. Vehicle sales for which a fleet allowance is paid are not eligible for Holden MasterCard Rebate. Earning and redemption of Rebate towards a new Holden is subject to the Holden Card Rebate Program Rules. **2** The interest-free period applies where the card account is fully paid by the due date each month. **3** Applications are subject to Westpac's normal lending criteria. **4** From date of first registration. **5** In remote or sparsely populated areas you may experience delay in obtaining Roadside Assistance. Refer to the Roadside Assistance brochure in your glovebox for full terms and conditions of this service. **6** Most Holden vehicles from 1997 can be registered for Club Holden.
