Fuel tank (litre)	65	65									
Active All Wheel D	ensures to	The All Wheel Drive system is 'Active Torque on Demand'. An electronically controlled electro-hydraulic differential ensures the best possible torque distribution between the front and rear axles. As driving conditions dictate, the rear axle is employed via an electronically controlled electro-magnetic coupling to give increased traction. The torque split ratio between front and rear wheels is variable in real time depending on the driving conditions									
Brakes (mm)		Four whe	Four wheel disc. Ventilated discs – front and rear								
	Front diameter	296	296								
	Rear diameter		303								
Anti-lock Braking S	System (ABS)	4-channe	l, 4 sensor								
Traction Control Sy	ystem (TCS)		When sensors detect imminent wheel spin, engine torque is reduced. If one wheel starts to spin, braking is applied to transfer torque to the wheel(s) with better traction								
Brake Assist (BA)		Provides and there	Provides additional braking assistance by allowing the driver to reach the ABS threshold sooner and therefore help to reduce stopping distances								
Electronic Stability	Assists the driver in emergency situations by providing correction to the intended vehicle path, which may help the driver avoid obstacles and reduce slides. This is accomplished via individual brake application and engine torque management control										
Descent Control S	ystem (DCS)	Utilises th	Utilises the active braking capability of the ESC to maintain a controlled speed when travelling down hill								
Active Rollover Protection (ARP)		ARP is designed to reduce the risk of rollover when lane changing and cornering; working in conjunction with the ESC system									
Hill Start Assist (H	HSA prevents the car from rolling away when trying to pull away on an upward or downward gradient. The system engages automatically when a gradient is detected; it then acts to hold the car stationary after the brake is released giving the driver time to apply the throttle										
Suspension		Front: MacPherson strut, gas pressurised dampers, stabiliser bar. Rear: Independent four-link, gas pressurised dampers, stabiliser bar									
Steering		Rack and	pinion powe	er steering

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You're guaranteed to pay the same low price for the first four standard scheduled log book services for the first three years or 60,000 km, whichever comes first.

Every new Holden comes with a generous New Vehicle Warranty. Refer to your Owner's Handbook, the Holden website or see your Holden Dealer for full terms, conditions and exclusions

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.

For more information, call the Holden Insurance hotline on 1300 784 026.

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*.

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day - you can get it done in around an hour.

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network.

[^] Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).
