

## Captiva 5

### exterior colours

Olympic White

Nitrate Metallic\*

Ironite Metallic\*

Midnight Blue Metallic\*

Merlot Metallic\*

Carbon Flash Black Metallic\*

Variations between colours shown and actual paint colours/interior trim colours may occur due to the brochure printing process. Actual vehicle colours may appear different under certain light conditions. \*Metallic paints are available at an additional cost.

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and / or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. Copyright GM Holden Ltd. #### Journey and destination rolled into one

All style on the outside. All space and comfort on the inside. All go – on and off road. Compact in size, expansive in features, new Holden Captiva 5 is the SUV that makes getting where you're going as enjoyable as being there.

Long trip ahead? Engage cruise control, switch on your air conditioning, run your favourite tracks through the 6-disc CD player, relax and enjoy. The high driving position provides you with a commanding view of the road. The contoured seating balances cushioning with support to maximise your comfort. While the power steering and classic Holden suspension setup ensures precise, responsive handling and a refined yet dynamic, sedan-like ride across Australia's myriad of driving conditions.

Want to share the journey? With rear seats up, Captiva 5 has room enough for five adults to come along for the ride, plus up to 430 litres of storage for their cargo. Fold those seats down flush and that high, wide and handy cargo space expands to a massive 865 litres – all of it easily accessed via the high load floor and wide opening tailgate.

Under the bonnet, you'll find a locally made 2.4 litre 4-cylinder petrol engine. Spirited on the open road, zippy round the city, it comes paired with your choice of five-speed powertrain options: two-wheel drive with manual transmission, or Active All Wheel Drive with automatic transmission.

Add to that its distinctive bodywork and sweeping lines, standard features that comparable vehicles offer only as options, plus comprehensive safety features – including Electronic Stability Control and side curtain airbags – and you have an SUV package unlike any other.

Form and function. Pleasure and practicality. The fun you want now, the flexibility you need for tomorrow. Journey and destination rolled into one, the new Holden Captiva 5 is here.

### Safely ahead for standard features

Be it around the block or beyond the black stump, the new Captiva 5 is designed to make your every journey as safe as it is enjoyable.

Every time you're behind the wheel, everywhere you drive, the vehicle surrounds and protects you with a comprehensive range of state-of-the-art active and passive safety systems.

To help you avoid an accident, there is everything from Electronic Stability Control (ESC), Active Rollover Protection and 4-wheel disc brakes with ABS Anti-lock braking, to Traction Control, Brake Assist and Electronic Brakeforce Distribution.

Should a collision occur, Captiva 5 instantly determines the force and direction of impact and activates any required occupant protection systems, including up to four airbags – front driver and passenger, and dual side curtain.

Front and rear crumple zones further maximise your safety, as do the multiple load paths that help absorb the energy from impact.

Get behind the wheel and you'll also find yourself surrounded with a host of driver focused enhancements and stylish extras, all as standard. Like front and rear park assist, 17" alloy wheels (4), fog lamps, leather wrap steering wheel and roof rails.

6-disc CD

## features

<b>engine and transmission</b>	
2.4 litre 4-cylinder petrol engine and 5-speed manual transmission, and Two Wheel Drive (2WD)	●
2.4 litre 4-cylinder petrol engine and 5-speed automatic transmission with Active Select, and Active All Wheel Drive (AWD)	○
<b>control and handling</b>	
4-channel Anti-lock Braking System (ABS)	●
4 wheel disc brakes, front and rear ventilated	●
Active Rollover Protection (ARP)	●
Brake Assist (BA)	●
Descent Control System (DCS)	●
Electronic Brakeforce Distribution (EBD)	●
Electronic Stability Control (ESC)	●
Traction Control System (TCS)	●
Four-link Independent Rear Suspension (IRS)	●
Rack and pinion power steering	●
<b>wheels</b>	
17" x 7" 5 spoke alloy wheels. 235/65 R17 104H (road biased) tyres (4)	●
16" x 6.5" steel spare wheel. 215/70 R16 100T	●
Locking wheel nuts – alloy (set of 4)	A
<b>exterior</b>	
Anti-corrosion protection	●
Bonnet protector	A
Centre high-mount stop lamp	●
Chrome exhaust tip	●
Body colour exterior door handles	●
Front fog lamps	●
Headlamp protectors	A
Licence plate frames – standard height or slimline (set of 2)	A
Metallic paint	○
Moulded mudflaps, front	A
Moulded mudflaps, rear	●
Rear reflectors	●
Side fender vents	●
Silver decorative skid plates, front and rear	●
Wheel arch mouldings	●
<b>cabin comfort</b>	
Air conditioning with particle filter	●
Ashtray, front	A
Cargo area lamp	●
Carpet floor mats, front and rear (set of 4)	A
Centre dome lamp	●
Front passenger and 2nd row overhead folding assist handles	●
Front reading lamps	●
Power windows with auto up/down feature (front and rear)	●
Rear window interior sunshade	A
Rubber floor mats, front and rear (set of 4)	A
Sill plates – black	●
Tinted windows	●
Vanity mirror, driver and front passenger. Illuminated, with cover	●
Weathershields, front – standard size (set of 2)	A
Weathershields, front and rear – slimline size (set of 4)	A
<b>seating</b>	
Fold-flat 2nd row seat	●
Seat cover, rear – protective fabric	A
Seat trim – full cloth	●
Three height adjustable 2nd row seat head restraints	●
<b>driver</b>	
Audible warning if headlamps left on	●
Bluetooth® for compatible mobile phones	A
Cruise control	●
Digital clock	●
Driver Information Display	●
Front Park Assist	●
Rear Park Assist	●
<b>driver continued</b>	
Leather wrap steering wheel	●
Power side mirrors	●
Rear window wiper/washer	●
Steering wheel height and reach adjust	●
Variable instrument dimming	●
Variable intermittent road speed sensitive wipers	●
<b>sound system</b>	
AM/FM stereo electronic tune radio. Speakers:	7
CD player – 6 disc in-dash.	●
Roof mounted radio antenna	●
Sound system remote controls on steering wheel	●
<b>storage and cargo</b>	
12 Volt power outlet, front, 2nd row and cargo compartment	●
60/40 split fold 2nd row rear seat back	●
Bike carrier – roof mounted	A
Car fridge – 31 litres	A
Cargo blind	●
Cargo entry protector	A
Cargo liner – moulded	A
Cargo liner, reversible – carpet/rubber	A
Cargo organiser	A
Cargo restraint barrier – flexible	A
Centre console compartment with dual lid	●
Coat hooks	●
Flexible cargo net	A
Front and rear door storage bins	●
Hot/cold cup holder	A
Load tie-down strap kit	A
Roof cross bars	A
Roof rails – satin chrome	●
Roof storage pod	A
Roof tray	A
Ski carrier – roof mounted (universal or scissor type)	A
Sunglasses holder	●
Tow ball	A
Tow ball cover	A
Towing package	A
Trailer harness – 7 pin flat	A
<b>occupant safety</b>	
Driver and front passenger airbags	●
Curtain airbags	●
Child-proof rear door locks	●
Child restraint anchor fittings (3) fixed to 2nd row seatback	●
Pyrotechnic front seatbelt pretensioners	●
Front seatbelt force limiter, controls maximum force on chest	●
Front seatbelt sash height adjust	●
Seatbelts retracting lap/sash	●
<b>security</b>	
Audible warning if key left in ignition and driver's door opened to exit	●
Engine immobilised automatically when key removed from ignition	●
Key has security code	●
Radio frequency remote key operates:	●
Interior lighting	●
Central locking for keyless entry	●
Tailgate	●
Radio security PIN coding	●
Fully retractable flip key	●
<b>road safety</b>	
Anti-zap jumper leads	A
First aid kit	A
Safety triangles (set of 3)	A
● standard ○ optional A Holden accessory	

## technical specifications

<b>103kW 2.4 litre petrol engine</b>	
Engine	4-cylinder, DOHC multi-point fuel injection 4 valves per cylinder
Capacity (cc)	2405
Compression ratio (:1)	9.6
Maximum power (ECE, kW)*	103 @ 5200rpm
Maximum torque (ECE, Nm)*	220 @ 2400rpm
Gear ratios (:1)	5sp Auto
	5 sp Man
1st	4.575
2nd	2.979
3rd	1.947
4th	1.318
5th	1.00
Final drive ratio	2.606
4.357	
Combined fuel economy (L/100km)^	AWD: 10.7
	2WD: 9.7
Recommended petrol octane rating	91 RON (ULP) 95 RON (PULP or higher may result in improved engine performance and efficiency)
Fuel tank (L)	65
All Wheel Drive (AWD)*	The All Wheel Drive system is 'Active Torque On Demand'. An electronically controlled electro-hydraulic differential ensures the best possible torque distribution between the front and rear axles. As driving conditions dictate, the rear axle is employed via an electronically controlled electro-magnetic coupling to give increased traction. The torque split ratio between front and rear wheels is variable in real time depending on the driving conditions
Brakes (mm)	Four wheel disc. Ventilated discs – front and rear
	front diameter 296
	rear diameter 303
Anti-lock Braking System (ABS)	4-channel, 4 sensor
Traction Control System (TCS)	When sensors detect imminent wheel spin, engine torque is reduced. If one wheel starts to spin, braking is applied to transfer torque to the wheel(s) with better traction
Brake Assist (BA)	Provides additional braking assistance by allowing the driver to reach the ABS threshold sooner and therefore help to reduce stopping distances
Electronic Stability Control (ESC)	Assists the driver in emergency situations by providing correction to the intended vehicle path, which may help the driver to avoid obstacles and reduce slides. This is accomplished via individual brake application and engine torque management control
Descent Control System (DCS)	Utilises the active braking capability of the ESC to maintain a controlled speed when travelling down hill
Active Rollover Protection (ARP)	ARP is designed to reduce the risk of rollover when lane changing and cornering; working in conjunction with the ESC system
Suspension	Front: MacPherson strut, gas pressurised dampers, stabiliser bar Rear: Independent four-link, gas pressurised dampers, stabiliser bar
Steering	Rack and pinion power steering
Roof Load (kg)	75
Turn circle (kerb to kerb, m)	12.4
Cargo volume seats up/folded (L)	430 seats upright
	865 rear seats folded
Towing (kg)	750 unbraked
	1500 braked
Service	The complimentary inspection is due at 3,000km or 3 months (whichever occurs first). The first service is due at 15,000km or 12 months (whichever occurs first) and then every 15,000km or 12 months (whichever occurs first) since the last service. Additional services may be required under certain driving conditions such as when towing (refer to owner's handbook)

<b>dimensions</b>			
Track	Front: 1562	Rear: 1572	
Wheelbase	2707		
Exterior dimensions	Length 4570	Width (excluding mirrors) 1850	Width (including mirrors) 2085
			Height 1700
Ground clearance	200		
Interior dimensions	Leg front 1036	Shoulder 1424	Head 1026
	rear 939	1422	1003
			Hip 1338
			1344
