

Colorado 7

THINK  HOLDEN

# TAKE ON MORE WITH COLORADO 7

RED DIRT. BLACK ROCK. WHITE SAND.  
EXPERIENCE IT ALL IN THE HOLDEN  
COLORADO 7. WITH 500NM OF TORQUE  
AND A POWERFUL 3 TONNE TOWING CAPACITY,  
THIS IS ONE SERIOUS 4X4. TOUGH ENOUGH  
TO TAKE YOU AND SIX PASSENGERS PRETTY  
MUCH ANYWHERE.

THE COLORADO 7 HAS CLASS LEADING  
ENTERTAINMENT FEATURES WITHIN MYLINK,  
MAKING THE DRIVE EVERY BIT AS GOOD AS THE  
FINAL DESTINATION. A SEVEN SEATER BIG ON  
SPACE AND PERFORMANCE, YOUR ADVENTURE  
STARTS WITH THE COLORADO 7.

# THE POWER TO GO AND TOW

DRIVEN BY 500NM OF TORQUE, THE COLORADO 7 HOOKS YOU UP TO AN AWESOME 3 TONNES OF PULLING POWER. SO WHEN IT COMES TO TOWING, IT MAKES LIGHT WORK OF MOVING A TRAILER, BOAT OR EVEN A CARAVAN.

And if the going gets tough, you can call on advanced safety technology including **Trailer Sway Control (TSC)**, **Hill Start Assist (HSA)** and **Descent Control System (DCS)**. **Shift on the fly 4WD** and a **five-link live axle rear suspension** further add to the go anywhere attitude of the Colorado 7.

## 500NM OF TORQUE

The new Duramax 2 Diesel with 6-speed automatic transmission as standard produces 500Nm of torque at 2000rpm. That's up there with the best, delivering smooth responsive overtaking.

## FIVE-LINK LIVE AXLE REAR SUSPENSION

Teamed with double wishbones at the front, the five-link live axle rear suspension actively smooths out the varying angles of off-road driving. Letting you take on the harshest terrain – no problems.

## SHIFT ON THE FLY 4WD

Shift on the fly 4WD gives you the option to shift between 4x2 and 4x4 modes. This is a huge plus if you encounter rapidly changing road conditions on your journey.

**TECHNOLOGY  
EVERYWHERE  
YOU LOOK**

Colorado 7 LTZ

**WHEREVER THE COLORADO 7 TAKES YOU, YOU'LL ALWAYS HAVE THE LATEST TECHNOLOGY RIGHT WHERE YOU NEED IT. LIKE HOLDEN'S MYLINK\* KEEPING YOU TUNED IN TO YOUR FAVORITE MUSIC, NEWS, ENTERTAINMENT AND MAPS. OR TECHNOLOGY THAT LOOKS OUT FOR YOU SUCH AS SIRI® EYES FREE † FUNCTIONALITY AND REAR VIEW CAMERA AS STANDARD.**

† Requires compatible iOS device

\* Certain devices may not be compatible with the vehicle's MyLink system. See holden.com.au for more details

^ BringGo Navigation app must be purchased separately

### **STAY CONNECTED**

You'll stay connected all the way with MyLink\*, from accessing apps, to Bluetooth® audio streaming, to keeping you on track with the latest sat nav technology. And it's all available with minimal effort, whether selecting your media by the intuitive 7" touch-screen, or the steering wheel.

### **BRINGGO™ SAT NAV\*~**

Never lose sight of where you're headed with BringGo™. This built-in navigation app gives you access to 3D maps, turn-by-turn directions, points of interest, emergency contacts and more. All brought up on the MyLink 7" colour touch-screen.

### **SIRI® EYES FREE MODE †**

There's no need to take your eyes off the road or the wheel with Siri® Eyes Free Mode. Using this advanced feature, you can pair your compatible Apple smartphone and ask Siri® to select and play music, hear and compose text messages, read notifications and add reminders.

### **REAR VIEW CAMERA & REAR PARK ASSIST**

Take a load off your mind with features such as the Rear View Camera and Rear Park Assist (RPA).

When you select reverse gear, the Rear View Camera gives you a clear picture of what's behind you, viewed on the large colour touch-screen.

With Rear Park Assist (RPA), rear parking sensors help you get in and out of tight spots; an audible warning alerting you when you're getting close to an object.

# KEEPING YOU ENTERTAINED AND CONNECTED

The road ahead just got even better with the extensive entertainment features of MyLink\*. Use your smartphone to connect into built-in apps such as Pandora® Internet Radio, Stitcher™ Smart Radio and TuneIn® Radio, giving you access to your favourite music, news, entertainment and podcasts. Watch movies or view images while the vehicle is stationary. And in Siri® Eyes Free† mode accessed via your compatible iOS device, ask Siri® to take care of things like making calls, sending texts and playing tracks. It's all possible with MyLink.

For more information visit [www.holden.com.au/colorado/mylink](http://www.holden.com.au/colorado/mylink)

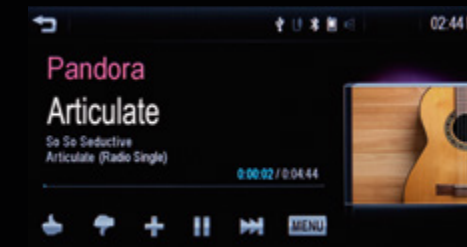

## Features

- Bluetooth® audio streaming\*
- Smartphone app integration
- Satellite navigation compatibility^
- USB and iPod® connectivity
- Watch movies
- View photo slideshows
- Access your contact list without touching your phone\*
- Access device playlists, music files and more

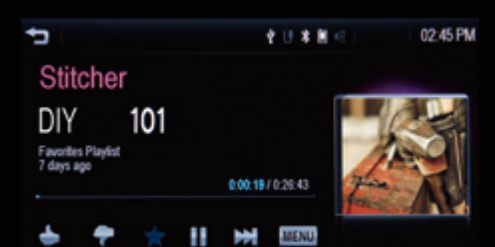

### Siri® Eyes Free†

If you've got a compatible iOS device you can access the Siri® Eyes Free feature. In this mode you can ask Siri® to call people, select and play music, hear and compose text messages, read notifications and add reminders. It's just like having a personal assistant onboard.

### Pandora® Internet Radio\*#

With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. Pandora® even suggests new artists and songs based on your preferences.

### Stitcher™ SmartRadio\*#

Streaming your favourite podcasts, radio shows and news couldn't be easier. Through the Stitcher™ SmartRadio app on your compatible smartphone you can create personalised on-demand stations, access preferred playlists and more than 5000 radio shows.

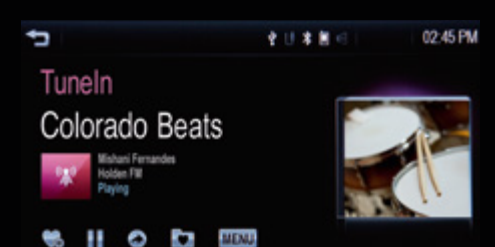

### BringGo™ Navigation\*^

Simply buy the BringGo™ app from your Apple iTunes or Google Play store and you'll be in the know wherever you're headed. The full navigation system let's you access 3D maps, turn-by-turn directions and emergency contacts. The 'Where am I locator?' allows you to find points of interest around you, such as cafes or restaurants.

### Bluetooth® connectivity\*

Using the touch-screen, audio files can be wirelessly streamed for playback from your paired mobile phone or Bluetooth® device. You can pair up to five phones, store up to 1000 contacts and access missed or recent call history. Calls can also be made by navigating contact listings on MyLink's touch-screen interface or by using steering wheel controls.

### TuneIn Radio\*#

TuneIn lets you listen to the world's radio from wherever you are. Whether you love music, sports, news or comedy, TuneIn gives you over 70,000 live radio stations and two million on-demand programs, like podcasts, concerts and interviews.

# INSPIRED BY AUSTRALIA'S VAST INTERIOR

## WITH SEVEN SEATS AS STANDARD, THERE'S SPACE FOR EVERYONE IN THE COLORADO 7.

Whether taking a quick family trip or going on a major adventure, the versatile split fold and tumble seats mean you can simply pack more in. The spacious interior is loaded with storage options, including a storage box that sits flush with the rear seats when folded.

In the Colorado 7 LTZ, added luxury comes in the form of leather appointed trim, and electronic climate control. With all this and 1830 litres of cargo volume, the only thing you'll have trouble fitting in is everything you want to see.

# 5-STAR SAFETY FOR 7

WHETHER YOU'RE OFF-ROAD IN THE GREAT UNKNOWN OR CRUISING DOWN THE HIGHWAY, IT'S GOOD TO KNOW THAT ADVANCED SAFETY FEATURES SURROUND YOU. EVERYTHING IS DESIGNED TO HELP KEEP YOU ON TRACK, EVEN IF YOU'RE OFF IT.

## STEEL CONSTRUCTION & SAFETY CELL

Colorado 7 is built tough from within. Its body and frame are constructed from high strength steel and incorporates full-length frame rails. A safety cell gives maximum protection in a frontal or side collision – and maximum peace of mind for you and your passengers.

## 5-STAR ANCAP SAFETY RATING

The Colorado 7 range comes with a maximum 5-star safety rating from the Australasian New Car Assessment Program (ANCAP). As safe as it gets.

## SUPERIOR AIRBAG PROTECTION

When it comes to airbags, the Colorado 7 has you covered. Front airbags are provided for the driver and front passenger, as well as advanced front seat Side Impact Airbags (SIAB) that activate in certain side crash impacts for additional protection to the chest area. Curtain airbags also run along the length of the vehicle.

Colorado 7 LTZ in Sizzle

## DESCENT CONTROL SYSTEM (DCS)

Descent Control System (DCS) allows for a smooth and controlled hill descent in rough terrain. DCS controls the speed of the vehicle without the need for brake input from the driver.

## HILL START ASSIST (HSA)

Taking on a steep incline or decline is made easier with Hill Start Assist (HSA). It engages automatically when a gradient is detected; then acts to hold the Colorado 7 stationary after the brake is released to give you time to apply the throttle.

## ELECTRONIC STABILITY CONTROL (ESC)

From snow on the High Country to a rogue kangaroo on the Nullarbor – Aussie roads can throw anything at you. Electronic Stability Control (ESC) helps you control oversteer or understeer when demanded, especially in evasive action situations.

## TRAILER SWAY CONTROL (TSC)

Whether pulling a trailer or caravan, this cutting edge feature activates the brakes and reduces engine torque if it detects any towing instability; again, making you safer behind the wheel.

## REAR PARK ASSIST (RPA)

Great at keeping you out of trouble, the rear parking sensors help you get in and out of tight spots; an audible warning alerting you when you're getting close to an object.

## REAR VIEW CAMERA

It's always good to know what's behind you, especially when reversing into a parking space or out of a driveway. So, when you shift into reverse, the Rear View Camera instantly comes to life on the large colour touch-screen.

LT

FROM THE SIGNATURE 'POWER DOME' HOOD TO THE SLEEK REAR STYLING, THE STREAMLINED BODY DESIGN CREATES AN AGILE SPORTY LOOK. THE DYNAMIC ROAD PRESENCE SIGNALS THAT THIS IS ONE SERIOUS 4X4. LOADED WITH FEATURES, THE COLORADO 7 LT COMFORTABLY TAKES EVERYTHING IN ITS STRIDE.
