

Malibu

THINK  HOLDEN

## WHERE DESIGN MEETS DESIRE

Introducing the all-new  
Holden Malibu.

The Holden Malibu combines 'coupe-like' standout styling with outstanding driving dynamics. Everything you desire is integrated into the 4-door sedan design.

It has much of the space and sophistication of larger cars with the efficiency and agility of a 4-cylinder petrol or common-rail turbo diesel engine.

Brimming with smart technology, the refined roomy interior redefines what you'd expect from a conventional mid-size sedan.

In fact, 'conventional' just isn't in the Holden Malibu's DNA.

Which is why behind the wheel of a Malibu is really the only place to be.

## **STRIKING STYLE**

From the moment you glimpse the agile 'coupe-like' silhouette, you can see the Malibu has a unique style and composure all of its own.

Advanced aerodynamics drive every aspect of the sculpted body design. Flowing lines, aero-optimised side mirrors and the athletic back shoulders all contribute to its perfectly balanced road presence.

The premium body styling and finish are further emphasised by chrome highlights, 18" alloy wheels and LED tail-lights fully integrated into the Malibu CDX.

## **REFINED COMFORT**

When your sensor key automatically unlocks the door and primes the push-button start you immediately know you are in for something special. The dual cockpit with sports sculpted seats creates an intimate driving feel that blends into the quiet roomy interior. The premium soft-touch materials, low-gloss surfaces and cool ice blue instrument lighting further add to the feeling of refinement.

It is the intelligence of the interior layout that really sets the Malibu apart. Comfort levels and clever space solutions are up there with the very best European sedans. Thoughtful touches include bolstered seats for long distance travelling, map pockets in all four doors with room for one-litre bottles and even a concealed storage area behind the MyLink screen. The 60/40 split-fold rear seat also adds to the versatility of the large 545-litre boot.

# INTELLIGENT INNOVATIONS

No detail has been overlooked. This is reflected in the numerous intuitive features intelligently integrated into the Malibu models.

### Passive Entry and Push-button Start (PEPS)

This super-convenient 'keyless' feature allows you to unlock, start and lock your Malibu simply by carrying the sensor key with you.

### Electric Park Brake

Now it's impossible to drive away with the park brake on. The highly intuitive Electric Park Brake standard across the range never forgets and will automatically disengage on take-off. A big plus when moving off from a standing position on a steep hill.

### Automatic Headlights

Headlights automatically switch on at dusk or in low light. 'Follow me home' lighting also lets you program the front headlights to remain on for up to three minutes after exiting and locking the car.

### Rain Sensing Wipers

Available on the Malibu CDX, this advanced feature automatically activates the wipers to quickly enhance your visibility while keeping your hands safely on the wheel.

### Holden MyLink

The Holden MyLink infotainment system makes accessing apps, streaming internet radio or taking a hands-free call a breeze. From the beach to the city, you've got the world on-board.

### Steering Wheel Audio Controls

All your favourite music and incoming phone calls are just one effortless tap away.

### Premium 9-speaker Audio

Outstanding sound is produced by the premium 9-speaker sound system.

### Single CD Player

Slip in a CD and touch the MyLink screen to listen to your favourite music. The screen displays artist, track and album details when using compatible CDs.

### Rear View Camera

When you select reverse gear, you immediately see what's directly behind you on the large colour touch-screen. The Rear View Camera comes standard across the range.

### Rear Park Assist

Rear parking sensors standard across the range help Malibu drivers ease into and out of tight parking spaces. Audible warnings indicate the proximity of potential obstacles.

Holden MyLink takes handsfree connectivity to an all-new level. MyLink lets you and your passengers connect via touch-screen, faceplate buttons, steering wheel controls or a combination of these with equal ease.

There's huge scope for media customisation with Bluetooth® and also MyLink's app-based interface with favourites such as Pandora® Internet Radio, Stitcher SmartRadio™ and embedded Gracenote® music recognition.

## YOUR WORLD CONNECTED

### Pandora® Internet Radio^

With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. All you need is the app on your compatible smartphone to select and bookmark. Pandora® even suggests new artists and songs to you based on your preferences.

### Stitcher SmartRadio™^

Streaming favourite podcasts, radio shows and news to your vehicle couldn't be easier. Through the Stitcher SmartRadio™ app on your compatible smartphone you can create personalised on demand stations, access preferred playlists and more than 5000 radio shows.

### Full colour 7" touch-screen

The large colour 7" touch-screen gives you a high-resolution graphic interface. Intuitive functions and streamlined steps make it easy to use with minimum distraction. These range from gives like exterior ambient temperature and air conditioning functions to Rear View Camera and Radio Data System (RDS) displays.

### Bluetooth® connectivity^

Bluetooth® capabilities include the ability to pair up to 5 phones, store up to 1000 contacts and access missed or recent call history. Calls can also be made by navigating contact listings on MyLink's touch-screen interface or by using steering wheel controls.

### Bluetooth® audio streaming^

Using the touch-screen, audio files can be wirelessly streamed for playback from a paired mobile phone or Bluetooth® device.

### Integrated iPod®/iPhone®/ USB connectivity

Pair a smartphone via Bluetooth® with MyLink or plug in a smartphone, iPod/iPhone or USB media device – and the system indexes stored songs. MyLink also incorporates many familiar iPod® functions, including song shuffle and playlist creation. Music file playback is controlled via the touch-screen and the system can display up to 10,000 songs.

### Gracenote® music recognition

Gracenote® is also embedded into the MyLink system. This quickly identifies music, podcasts or audio books stored on smartphones or other devices – making it easy to pick and play tracks. A 'More Like This' feature automatically creates a playlist of up to 30 songs based on the style of song currently playing.

# POWER MEETS PRACTICALITY

▲ 2.0L 4-cylinder common-rail turbo diesel engine

▲ 2.4L 4-cylinder petrol engine

**Already proven globally, Malibu's super efficient lightweight engines with advanced engine management systems make a world of difference to every drive.**

The spirited 2.4 litre 4-cylinder petrol engine provides linear delivery of torque, with near-peak levels over a broad range of revs. Fast to respond, yet slow to 'empty', it makes long journeys a real joy.

The 2.0 litre 4-cylinder common-rail turbo diesel engine delivers renowned diesel efficiency. The easy availability of torque at low revs contributes to the powerful statement Malibu makes on the road.

A stiff structure and wide track create more responsive solid handling, while the finely tuned suspension gives you a smoother and quieter ride.

The electronic power steering on petrol models also enhances the precise responsive handling.

The 6-speed automatic transmission with Active Select also offers the advantage of one-touch shifting between automatic and manual modes. Adding to your driving pleasure, the Malibu's premium ZF steering offers top-of-the line precision and control.

All of which produces that confident sedan feeling of being well balanced on the road.

▼ 6-speed automatic transmission

# SAFETY FIRST AND FOREMOST

You and your passengers are surrounded by advanced preventative and protective safety technologies. Starting with a Rear View Camera as standard you are looked after in so many ways. Malibu also comes with six airbags including full-length side curtain airbags. Integrating features such as these into the ultra-high strength steel safety cage ensures your Malibu achieves the maximum 5-star safety rating from the Australasian New Car Assessment Program (ANCAP).

**PARKING**

**Rear Park Assist**  
Rear parking sensors standard across the range help Malibu drivers ease into and out of tight parking spaces. Audible warnings indicate the proximity of potential obstacles.

**SIX AIRBAGS**

**Six Airbags**  
From the front airbags and front seatbelt pretensioners to the full-length side curtain airbags, safety is integrated into all areas of Malibu's design.

**Electronic Stability Control (ESC)**  
If the Malibu begins to skid, ESC will apply brake pressure to individual wheels as appropriate, and trim engine power if required. This dramatically increases turning and cornering safety, particularly in evasive action situations where it helps stop the car skidding out of control.

**Rear View Camera**  
Ideal when reversing into tight spots or out of a driveway. When you select reverse gear, you instantaneously see what's directly behind you on the large colour touch-screen.

**Electric Park Brake**  
Now it's impossible to drive away with the park brake on. The highly intuitive Electronic Park Brake never forgets and will automatically and smoothly disengage on take-off. A big plus when moving off from a standing position on a steep hill.

**Rear Child Security Locks**  
Help stop inquisitive kids opening the rear doors from inside the car. Activation buttons are on the inside rear doors and rear window locks are controlled by a button on the driver's door panel.

**Pedal Release System**  
The brake pedal automatically breaks away in a severe impact to protect your feet and lower legs.

**Automatic Headlights**  
Headlights automatically switch on at dusk or in low light. 'Follow me home' lighting also lets you program the front headlights to remain on for up to three minutes after exiting and locking the car.

CD

The moment the sensor key activates Passive Entry and Push-button Start, there's no denying this is a super stylish mid-size surprise package. From the MyLink infotainment system with the latest apps to the Rear View Camera, this spacious sedan is extra big on intelligence. And of course value.

**Key features:**

- 2.4L 4-cylinder petrol engine
- 2.0L 4-cylinder common-rail turbo diesel engine (optional)
- 6-speed automatic with Active Select
- Automatic headlights
- 17" alloy wheels
- Passive Entry Push-button Start (PEPS)
- Holden MyLink
- 7" Colour touch-screen
- Bluetooth®
- Premium 9-speaker sound system
- Steering wheel audio controls
- Cruise control
- Trip computer
- Rear Park Assist
- Rear View Camera
- Power adjusted seat height

▲ 17" alloy wheels

- ▲ Passive Entry Push-button Start (PEPS)
- ▲ Steering wheel audio controls
- ▶ Automatic headlights

# CDX

Riding on 18" alloy wheels, from the chrome exterior highlights to the leather heated front seats with 8-way power adjustment, the Malibu CDX raises the benchmark to a level usually reserved for larger luxury cars. Rain sensing wipers, dual zone climate control and MyLink infotainment further emphasise the high priority placed on safety, comfort and connectivity.

**CDX includes all CD standard features plus:**

- 18" alloy wheels
- Fog lamps
- LED rear brake tail-lamps
- Dual chrome exhaust tips (petrol model only)
- Chrome exterior highlights
- Rain sensing wipers
- Heated leather seats
- 8-way power adjusted seats
- Dual zone climate control
- Leather wrap steering wheel
- Leather wrap gear shifter

# HoldenWise

## More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit [www.holden.com.au/holdenwise](http://www.holden.com.au/holdenwise)

Customer Care

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

Call 1800 033 349 8am – 7pm Mon – Fri, 9am – 1pm on Sat (EST).

Capped Price Servicing

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You'll pay no more than a low capped price for the first four standard scheduled log book services\* for the first three years or 60,000km, whichever comes first.

New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000km, whichever comes first. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Holden Leasing

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Genuine Service

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

Holden Rental

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)\*. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Service Express

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.

Roadside Assistance

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

Extended Warranty

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network. Refer to [holden.com.au](http://holden.com.au) or contact your Holden Dealer for details.

<sup>^</sup> Maximum figures as per ECE regulations

\* Where ADRs apply for the product

<sup>^</sup> Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet)
