

Malibu

THINK  HOLDEN

WHERE DESIGN MEETS DESIRE

Introducing the all-new
Holden Malibu.

The Holden Malibu combines 'coupe-like' standout styling with outstanding driving dynamics. Everything you desire is integrated into the 4-door sedan design.

It has much of the space and sophistication of larger cars with the efficiency and agility of a 4-cylinder petrol or common-rail turbo diesel engine.

Brimming with smart technology, the refined roomy interior redefines what you'd expect from a conventional mid-size sedan.

In fact, 'conventional' just isn't in the Holden Malibu's DNA.

Which is why behind the wheel of a Malibu is really the only place to be.

STRIKING STYLE

From the moment you glimpse the agile 'coupe-like' silhouette, you can see the Malibu has a unique style and composure all of its own.

Advanced aerodynamics drive every aspect of the sculpted body design. Flowing lines, aero-optimised side mirrors and the athletic back shoulders all contribute to its perfectly balanced road presence.

The premium body styling and finish are further emphasised by chrome highlights, 18" alloy wheels and LED tail-lights fully integrated into the Malibu CDX.

REFINED COMFORT

When your sensor key automatically allows passive entry and primes the push-button start you immediately know you are in for something special. The dual cockpit with sports sculpted seats creates an intimate driving feel that blends into the quiet roomy interior. The premium soft-touch materials, low-gloss surfaces and cool ice blue instrument lighting further add to the feeling of refinement.

It is the intelligence of the interior layout that really sets the Malibu apart. Comfort levels and clever space solutions are up there with the very best European sedans. Thoughtful touches include bolstered seats for long distance travelling, map pockets in all four doors with room for one-litre bottles and even a concealed storage area behind the MyLink screen. The 60/40 split-fold rear seat also adds to the versatility of the large 545-litre boot.

INTELLIGENT INNOVATIONS

No detail has been overlooked. This is reflected in the numerous intuitive features intelligently integrated into the Malibu models.

Passive Entry and Push-button Start (PEPS)

This super-convenient 'keyless' feature allows you to unlock, start and lock your Malibu simply by carrying the sensor key with you.

Electric Park Brake

Now it's impossible to drive away with the park brake on. The highly intuitive Electric Park Brake standard across the range never forgets and will automatically disengage on take-off. A big plus when moving off from a standing position on a steep hill.

Rear View Camera

When you select reverse gear, you immediately see what's directly behind you on the large colour touch-screen. The Rear View Camera comes standard across the range.

Rear Park Assist

Rear parking sensors standard across the range help Malibu drivers ease into and out of tight parking spaces. Audible warnings indicate the proximity of potential obstacles.

Malibu CDX

Automatic Headlights

Headlights automatically switch on at dusk or in low light. 'Follow me home' lighting also lets you program the front headlights to remain on for up to three minutes after exiting and locking the car.

Rain Sensing Wipers

Available on the Malibu CDX, this advanced feature automatically activates the wipers to quickly enhance your visibility while keeping your hands safely on the wheel.

Holden MyLink*

The Holden MyLink infotainment system makes accessing apps, streaming internet radio or taking a hands-free call a breeze. From the beach to the city, you've got the world on-board.

Steering Wheel Audio Controls

All your favourite music and incoming phone calls are just one effortless tap away.

Premium 9-speaker Audio

Outstanding sound is produced by the premium 9-speaker sound system.

Single CD Player

Slip in a CD and touch the MyLink screen to listen to your favourite music. The screen displays artist, track and album details when using compatible CDs.

*Certain devices may not be compatible with the vehicle's MyLink system. For a list of compatible devices visit the Owner's Info section of holden.com.au

Holden MyLink[#] takes handsfree connectivity to an all-new level. MyLink lets you and your passengers connect via touch-screen, faceplate buttons, steering wheel controls or a combination of these with equal ease.

There's huge scope for media customisation with Bluetooth[®] and also MyLink's app-based interface with favourites such as Pandora[®] Internet Radio, Stitcher SmartRadio[™] and embedded Gracenote[®] music recognition.

YOUR WORLD CONNECTED

Siri[®] Eyes Free^{*}

If you've got a compatible iOS device you can access the Siri[®] Eyes Free^{*} feature. In this mode you can ask Siri[®] to call people, select and play music, hear and compose text messages, read notifications and add reminders. It's just like having a personal assistant onboard.

Pandora[®] Internet Radio[^]

With Pandora[®] you can create your own personal stations based on your favourite songs, artists or music types. All you need is the app on your compatible smartphone to select and bookmark. Pandora[®] even suggests new artists and songs to you based on your preferences.

Stitcher SmartRadio[™][^]

Streaming favourite podcasts, radio shows and news to your vehicle couldn't be easier. Through the Stitcher SmartRadio[™] app on your compatible smartphone you can create personalised on demand stations, access preferred playlists and more than 5000 radio shows.

Bluetooth[®] connectivity[#]

Bluetooth[®] capabilities include the ability to pair up to 5 phones, store up to 1000 contacts and access missed or recent call history. Calls can also be made by navigating contact listings on MyLink's touch-screen interface or by using steering wheel controls.

Bluetooth[®] audio streaming[^]

Using the touch-screen, audio files can be wirelessly streamed for playback from a paired mobile phone or Bluetooth[®] device.

Enhanced Voice Control[^][#]

Use voice control for hands-free operation of your MyLink infotainment system. With a voice command you can make calls, operate built-in apps, pair a Bluetooth[®] device, create[~] and hear text messages, tune a radio station, play music from your iPod[®] or USB device and much more. Staying connected has never been easier.

Smart Satellite Navigation

The CDX maximises the 7" screen to deliver the high-spec navigation system with full colour mapping, intuitive controls and point-of-interest-functions. Advanced new displays such as zoom view with moving vehicle indicator enable easier navigation through complex road networks.

mylink

[#] Personal mobile phone data plans are used to access apps.

POWER MEETS PRACTICALITY

▲ 2.0L 4-cylinder common-rail turbo diesel engine

▲ 2.4L 4-cylinder petrol engine

Already proven globally, Malibu's super efficient lightweight engines with advanced engine management systems make a world of difference to every drive.

The spirited 2.4 litre 4-cylinder petrol engine provides linear delivery of torque, with near-peak levels over a broad range of revs. Fast to respond, yet slow to 'empty', it makes long journeys a real joy.

The 2.0 litre 4-cylinder common-rail turbo diesel engine delivers renowned diesel efficiency. The easy availability of torque at low revs contributes to the powerful statement Malibu makes on the road.

A stiff structure and wide track create more responsive solid handling, while the finely tuned suspension gives you a smoother and quieter ride.

The electronic power steering on petrol models also enhances the precise responsive handling.

The 6-speed automatic transmission with Active Select also offers the advantage of one-touch shifting between automatic and manual modes. Adding to your driving pleasure, the Malibu's premium ZF steering offers top-of-the-line precision and control.

All of which produces that confident sedan feeling of being well balanced on the road.

SAFETY FIRST AND FOREMOST

You and your passengers are surrounded by advanced preventative and protective safety technologies. Starting with a Rear View Camera as standard you are looked after in so many ways. Malibu also comes with six airbags including full-length side curtain airbags. Integrating features such as these into the ultra-high strength steel safety cage ensures your Malibu achieves the maximum 5-star safety rating from the Australasian New Car Assessment Program (ANCAP).

PARKING

Rear Park Assist
Rear parking sensors standard across the range help Malibu drivers ease into and out of tight parking spaces. Audible warnings indicate the proximity of potential obstacles.

SIX AIRBAGS

Six Airbags
From the front airbags and front seatbelt pretensioners to the full-length side curtain airbags, safety is integrated into all areas of Malibu's design.

Electronic Stability Control (ESC)
If the Malibu begins to skid, ESC will apply brake pressure to individual wheels as appropriate, and trim engine power if required. This dramatically increases turning and cornering safety, particularly in evasive action situations where it helps stop the car skidding out of control.

Rear View Camera
Ideal when reversing into tight spots or out of a driveway. When you select reverse gear, you instantaneously see what's directly behind you on the large colour touch-screen.

Electric Park Brake
Now it's impossible to drive away with the park brake on. The highly intuitive Electronic Park Brake never forgets and will automatically and smoothly disengage on take-off. A big plus when moving off from a standing position on a steep hill.

Rear Child Security Locks
Help stop inquisitive kids opening the rear doors from inside the car. Activation buttons are on the inside rear doors and rear window locks are controlled by a button on the driver's door panel.

Pedal Release System
The brake pedal automatically breaks away in a severe impact to protect your feet and lower legs.

Automatic Headlights
Headlights automatically switch on at dusk or in low light. 'Follow me home' lighting also lets you program the front headlights to remain on for up to three minutes after exiting and locking the car.

CD

The moment the sensor key activates Passive Entry and Push-button Start, there's no denying this is a super stylish mid-size surprise package. From the MyLink infotainment system with the latest apps to the Rear View Camera, this spacious sedan is extra big on intelligence. And of course value.

Key features:

- 2.4L 4-cylinder petrol engine
- 2.0L 4-cylinder common-rail turbo diesel engine (optional)
- 6-speed automatic with Active Select
- Automatic headlights
- 17" alloy wheels
- Passive Entry Push-button Start (PEPS)
- Holden MyLink*
- 7" Colour touch-screen
- Enhanced voice control
- Siri® Eyes Free^
- Bluetooth®*
- Premium 9-speaker sound system
- Steering wheel audio controls
- Cruise control
- Trip computer
- Rear Park Assist
- Rear View Camera
- Power adjusted seat height

CDX

Riding on 18" alloy wheels, from the chrome exterior highlights to the leather appointed heated front seats with 8-way power adjustment, the Malibu CDX raises the benchmark to a level usually reserved for larger luxury cars. Rain sensing wipers, dual zone climate control and MyLink infotainment further emphasise the high priority placed on safety, comfort and connectivity.

CDX includes all CD standard features plus:

- 18" alloy wheels
- Fog lamps
- LED rear brake tail-lamps
- Dual chrome exhaust tips (petrol model only)
- Chrome exterior highlights
- Rain sensing wipers
- Heated leather appointed seats
- Satellite navigation
- 8-way power adjusted seats
- Dual zone climate control
- Leather wrap steering wheel
- Leather wrap gear shifter

Seamless Integration

Genuine Holden Accessories are designed and manufactured in conjunction with the vehicle, which means that their materials, finishes and colours will all match seamlessly with your new Malibu.

Uncompromising Quality

Each and every item in the Genuine Holden Accessories range is rigorously tested by Holden Engineers in the lab and the field, in accordance with Holden's own demanding standards to meet or exceed applicable Australian Design Rules (ADRs).

3 Year/100,000km Warranty

You automatically receive a generous manufacturer's warranty on every Genuine Holden Accessory that is fitted by your Holden Dealer prior to taking delivery of your new Malibu.

Australia-wide Support

Only Genuine Holden Accessories are sold and supported by the nationwide Holden Dealer Network. No matter where you are, or where you're headed, you'll never be far from help or advice should you need it.

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. August 2014.
