THINK  HOLDEN

UNCOVER NEW TRAX

Trax LTZ in Summit White

**Life should be fun, right?
Spontaneous; unexpected.
And definitely never dull.**

The Holden Trax was made for this life – and for you. It's about making the most of every second, whether that's exploring a favourite destination or taking an unexpected detour.

Getting there is half the fun; with the latest technology keeping you connected to your life while you drive in comfort and style. Not to mention all of the handy storage compartments that let you fit as much as you can into every day.

Small enough for zipping around town, and packed with personality and features, you'll experience more in the stunning Holden Trax.

GO YOUR OWN WAY

Whether catching up with friends at your favourite local, or heading to the latest 'in place' that's just opened, life is never dull in the Holden Trax.

Firstly, it looks the part, with its powerful sporty lines paired with alloy wheels making a statement everywhere you go.

Inside the real fun begins; the MyLink infotainment system has a 7" colour touch-screen, built-in app technology, Siri® integration, reverse camera, Bluetooth® connectivity and even the ability to watch movies or view images while stationary.

You'll also find driving a breeze with its cutting-edge aerodynamic sporty design and fuel efficient 1.8 litre petrol engine.

With all this and more, the Holden Trax is a car echoing your appetite for life and discovery.

FEEL THE VIBE

From the moment you slip into the sculpted driver's seat the vibe is pure sporty sophistication; where textured materials, soft-touch finishes, accent stitching and the signature dual cockpit create an undeniable sense of style, comfort and space.

Defining the interior is an abundance of storage compartments, placing everything you need within easy reach. Front and centre is the flow-through integrated stack, with Holden MyLink's 7" colour touch-screen connecting you to built-in apps, Bluetooth®, media and more.

And with a rear view camera also included as standard across the range, getting in and out of tight spaces has never been easier.

LIFE SIMPLY CONNECTED

mylink

Life doesn't stop while you're driving, so why should you? With Holden MyLink, you'll stay connected to everything most important to you and more while you're out and about. Technology for your comfort, convenience and safety is all at your fingertips through the 7" colour touch-screen. Speak to friends and family safely while driving. Enjoy your favourite music or news programs. And that's just the beginning. So what is Holden MyLink? It's your life. Simply connected.

For more information visit www.holden.com.au/about/innovation/mylink/trax

Features

- 7" colour touch-screen
- Built-in app technology
- Siri® Eyes Free mode†
- Bluetooth® audio streaming*
- View photo slideshows~
- Watch movies~
- USB and iPod® connectivity
- Access phone contacts, calendar reminders, playlists and more

Siri® Eyes Free†

If you've got an iPhone 4S or 5 you can access the Siri® Eyes Free feature. In this mode you can ask Siri to call people, select and play music, read aloud and compose text messages, read notifications, update your Facebook status and add reminders. It's just like having a personal assistant onboard.

Pandora® Internet Radio*#

With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. Pandora® even suggests new artists and songs based on your preferences. There's always something new for you to discover in your Trax.

Stitcher™ SmartRadio*#

Streaming your favourite podcasts, radio shows and news to your vehicle couldn't be easier. Through the Stitcher™ SmartRadio app on your compatible smartphone you can create personalised on-demand stations, access preferred playlists and more than 5,000 radio shows.

BringGo™ Navigation*^

Simply buy the BringGo™ app from your Apple iTunes or Google Play store and you'll be in the know wherever you go. The full navigation system lets you access 3D maps, turn-by-turn directions and emergency contacts. BringGo also allows you to find points of interest around you, such as cafes, restaurants or parking.

Bluetooth connectivity®*

Using the touch-screen, audio files can be wirelessly streamed for playback from your paired mobile phone or Bluetooth® device. You can pair up to five phones, store up to 1000 contacts and access missed or recent call history. Calls can also be made by navigating contact listings on MyLink's touch-screen interface or by using steering wheel controls.

TuneIn Radio™*#

TuneIn™ lets you listen to the world's radio from wherever you are. Whether you love music, sports, news or comedy, TuneIn™ gives you over 70,000 live radio stations and two million on-demand programs, like podcasts, concerts and interviews.

* Certain mobile phones may not be compatible with the vehicle's infotainment system. See www.holden.com.au for more details

#Data plan rates apply

† Requires compatible iPhone® running iOS6

^ BringGo™ Navigation app must be purchased separately

~ Vehicle must be stationary

FITS INTO
YOUR
LIFE
STYLE

You want to pack as much as you can into every day. Sport. Work. Play.

Your Holden Trax will make sure you leave nothing behind with its surprisingly roomy interior, aided by vast storage areas and flexible seating options.

Rear cargo volume

Whether it's packing gear for a gig or a barbecue with friends, you'll have plenty of room with 356 litres of rear cargo volume.

Under passenger seat storage*

Out of sight but definitely not out of mind, the storage tray under the front passenger seat offers a very handy place for storing smaller items.

Dual glovebox storage

You can never have enough storage. So that's why we've doubled the glovebox space; with an upper tier offering handy USB and AUX connectivity and below, an oversized compartment perfect for hiding away all those smaller items.

Flexible 60/40 split fold rear seating

Thanks to 60/40 split fold rear seating Trax is designed to fit in with your busy lifestyle. Fold both seats down to fill it to capacity, or just use one side to accommodate passengers as well.

In total there's up to eight different seating configurations.

PLAYING IT SAFE

Hill Start Assist (HSA)
HSA prevents the vehicle from unintentionally rolling backwards or forwards down a slope. The system engages automatically when a gradient is detected; acting to keep the vehicle stationary after the brake is released, giving you time to use the accelerator to pull away

Crash optimised body
This tough SUV is engineered to carry 4.2 times its own weight in rollover events, well exceeding roof crush performance standards

Traction Control System (TCS)
Designed to maximise the vehicle's stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly

Electronic Stability Control (ESC)
ESC assists the driver in emergency situations by applying brake pressure to individual wheels as appropriate if the vehicle is about to skid, and trims engine power if required

Side Impact Airbags
Side impact airbags provide chest and thorax protection for the driver and front passenger

Side Curtain Airbags
Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers

Electronic Brakeforce Distribution (EBD)
EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances

Rear View Camera
When you shift into reverse, the Rear View Camera automatically comes to life, displaying what's directly behind you on the large touch-screen

Descent Control System (DCS)
With the press of a button on the centre console DCS will activate, utilising the active braking capability of ESC to maintain a controlled speed when travelling down a steep hill

Front Airbags
For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger

Brake Assist (BA)
BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance

Anti-lock Braking System (ABS)
ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces

Rear Park Assist
Rear parking sensors help you manoeuvre in and out of tight spaces, with audible warnings indicating the proximity of potential obstacles

With a host of active and passive safety systems as well as structural reinforcements, it's no surprise that the Holden Trax has earned the highest possible 5-star ANCAP safety rating.

Intelligent safety features such as Electronic Stability Control (ESC) and the Traction Control System (TCS) work together with leading brake technologies, including Electronic Brakeforce Distribution (EBD) and Brake Assist (BA), to help you avoid an accident.

Should a collision occur, active safety systems immediately come into play. Six airbags – front, side impact and side curtain – protect passengers in the vehicle. Pyrotechnic seatbelt pretensioners and a collapsible pedal release system further maximise safety, as does the front and rear crumple zones engineered into the structure. And then there's the vehicle's high strength steel unibody construction: a passenger safety cell welded onto full-length frame rails to form a single protective unit.

All this adds up to a small SUV that delivers big on safety.

LS

Trax LS in Snowflake Pearl

Combining style with substance, the compact LS delivers big time on value with its streamlined looks, 16" alloy wheels, fuel efficient 1.8L petrol engine, and an interior brimming with technology, comfort and attitude.

Key features:

- 1.8L 4-cylinder petrol engine
- 5-speed manual transmission
- 6-speed automatic transmission with Active Select (optional)
- MyLink infotainment system with 7" colour touch-screen, built-in apps, Siri® Eyes Free mode and Bluetooth®
- Rear Park Assist
- Rear View Camera
- 16" alloy wheels (4)
- Leather wrap steering wheel with audio controls
- Cruise control
- Cloth trim
- Automatic headlights
- 6 airbags
- 5-star ANCAP safety rating

Leather wrap steering wheel with Siri Eyes Free® controls

Rear View Camera

LTZ

Trax LTZ in Satin Steel Grey

The LTZ adds another level of sports styling and refinement, defined by its athletic form with 18" alloy wheels and front fog lamps as well as a lush interior complete with Sportec seat trim and heated front seats. It's everything you desire and more in a compact SUV.

All the features of the LS plus:

- 6-speed automatic transmission with Active Select

HOLDEN GENUINE ACCESSORIES

Create your own personal Trax by fitting it out with Holden Genuine Accessories. There's a range of Genuine Accessories to suit your interests, from distinctive track stripes and unique 18" alloy wheels to practical solutions like the towbar package* and roof racks.

Seamless Integration

Genuine Holden Accessories are designed and manufactured in conjunction with the vehicle, which means that their materials, finishes and colours will all match seamlessly with your new Trax.

Uncompromising Quality

Each and every item in the Genuine Holden Accessories range is rigorously tested by Holden engineers in the lab and the field, in accordance with Holden's own demanding standards to meet or exceed applicable Australian Design Rules (ADRs).

3 Year/100,000km Warranty

You automatically receive a generous manufacturer's warranty on every Genuine Holden Accessory that is fitted by your Holden Dealer prior to taking delivery of your new Trax.

Australia-wide Support

Only Genuine Holden Accessories are sold and supported by the nationwide Holden Dealer Network. No matter where you are, or where you're headed, you'll never be far from help or advice should you need it.

* Towbar package available late 2013

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

Customer Care

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.

Call 1800 033 349 8am – 7pm Mon – Fri, 9am – 1pm on Sat (EST).

Capped Price Servicing

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You'll pay no more than a low capped price for the first four standard scheduled log book services^ for the first three years or 60,000 km, whichever comes first.

New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000 km, whichever comes first. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Holden Leasing

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Genuine Service

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

Holden Rental

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Service Express

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.

Roadside Assistance

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

Extended Warranty

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network. Refer to holden.com.au or contact your Holden Dealer for details.

*Prestige paints are available at an additional cost and certain colours may not be available from time to time. Trim patterns are not to scale. Indicative only. Variations between colours shown and actual paint colours/interior trim colours may occur due to the brochure printing process. Actual vehicle colours may appear different under certain light conditions. Customers are encouraged to contact their Holden Dealer for current colour availability.

* Where ADRs apply for the product
^ Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).
