THINK  HOLDEN

DISCOVER TRAX

Trax LTZ in Summit White

**Life should be fun, right?
Spontaneous; unexpected.
And definitely never dull.**

The Holden Trax was made for this life – and for you. It's about making the most of every second, whether that's exploring a favourite destination or taking an unexpected detour.

Getting there is half the fun; with the latest technology keeping you connected to your life while you drive in comfort and style. Not to mention all of the handy storage compartments that let you fit as much as you can into every day.

You'll experience even more excitement with the top of the range LTZ with 1.4L iTi turbo engine, small enough for zipping around town, and packed with personality and features.

GO YOUR OWN WAY

Trax LTZ 1.4L iTi Turbo in Boracay Blue

Whether catching up with friends at your favourite local, or heading to the latest 'in place' that's just opened, life is never dull in the Holden Trax.

Firstly, it looks the part, with its powerful sporty lines paired with alloy wheels making a statement everywhere you go.

Inside the real fun begins; the MyLink infotainment system has a 7" colour touch-screen, built-in app technology, Siri® integration, reverse camera, Bluetooth® connectivity and even the ability to watch movies or view images while stationary.

You'll also find driving a breeze with its cutting-edge aerodynamic sporty design featuring an electric sunroof* and your choice of a fuel efficient 1.8 litre petrol engine or 1.4 litre iTi turbo petrol engine in the LTZ model.

With all this and more, the Holden Trax is a car echoing your appetite for life and discovery.

*standard with 1.4L engine only

FEEL THE VIBE

From the moment you slip into the sculpted driver's seat the vibe is pure sporty sophistication; where textured materials, soft-touch finishes, accent stitching and the signature dual cockpit create an undeniable sense of style, comfort and space.

Defining the interior is an abundance of storage compartments, placing everything you need within easy reach. Front and centre is the flow-through integrated stack, with Holden MyLink's 7" colour touch-screen connecting you to built-in apps, Bluetooth®, media and more.

And with a rear view camera also included as standard across the range, getting in and out of tight spaces has never been easier.

LIFE SIMPLY CONNECTED

mylink

Life doesn't stop while you're driving, so why should you? With Holden MyLink, you'll stay connected to everything most important to you and more while you're out and about. Technology for your comfort, convenience and safety is all at your fingertips through the 7" colour touch-screen. Speak to friends and family safely while driving. Enjoy your favourite music or news programs. And that's just the beginning. So what is Holden MyLink? It's your life. Simply connected.

For more information visit www.holden.com.au/about/innovation/mylink/trax

Features

- 7" colour touch-screen
- Built-in app technology
- Siri® Eyes Free mode†
- Bluetooth® audio streaming*
- View photo slideshows~
- Watch movies~
- USB and iPod® connectivity
- Access phone contacts, calendar, reminders, playlists and more

Siri® Eyes Free†

If you've got a Siri® compatible device you can access the Siri® Eyes Free feature. In this mode you can ask Siri® to call people, select and play music, read aloud and compose text messages, read notifications, check your calendar and add reminders. It's just like having a personal assistant onboard.

Pandora® Internet Radio*#

With Pandora® you can create your own personal stations based on your favourite songs, artists or music types. Pandora® even suggests new artists and songs based on your preferences. There's always something new for you to discover in your Trax.

Stitcher™ SmartRadio*#

Streaming your favourite podcasts, radio shows and news to your vehicle couldn't be easier. Through the Stitcher™ SmartRadio app on your compatible smartphone you can create personalised on-demand stations, access preferred playlists and more than 5,000 radio shows.

BringGo™ Navigation*^

Simply buy the BringGo™ app from your Apple iTunes or Google Play store and you'll be in the know wherever you go. The full navigation system lets you access 3D maps, turn-by-turn directions and emergency contacts. BringGo™ also allows you to find points of interest around you, such as cafes, restaurants or parking.

Bluetooth connectivity®*

Using the touch-screen, audio files can be wirelessly streamed for playback from your paired mobile phone or Bluetooth® device. You can pair up to five phones, store up to 1000 contacts and access missed or recent call history. Calls can also be made by navigating contact listings on MyLink's touch-screen interface or by using steering wheel controls.

TuneIn Radio™*#

TuneIn™ lets you listen to the world's radio from wherever you are. Whether you love music, sports, news or comedy, TuneIn™ gives you over 70,000 live radio stations and two million on-demand programs, like podcasts, concerts and interviews.

* Certain devices may not be compatible with the vehicle's MyLink system. See holden.com.au for more details

#Data plan rates apply

† Requires compatible iOS device. See apple.com/au for more details

^ BringGo™ Navigation app must be purchased separately

~ Vehicle must be stationary

FITS INTO
YOUR
LIFE
STYLE

You want to pack as much as you can into every day. Sport. Work. Play.

Your Holden Trax will make sure you leave nothing behind with its surprisingly roomy interior, aided by vast storage areas and flexible seating options.

Rear cargo volume

Whether it's packing gear for a gig or a barbecue with friends, you'll have plenty of room with 356 litres of rear cargo volume.

Under passenger seat storage*

Out of sight but definitely not out of mind, the storage tray under the front passenger seat offers a very handy place for storing smaller items.

Dual glovebox storage

You can never have enough storage. So that's why we've doubled the glovebox space; with an upper tier offering handy USB and AUX connectivity and below, an oversized compartment perfect for hiding away all those smaller items.

Flexible 60/40 split fold rear seating

Thanks to 60/40 split fold rear seating Trax is designed to fit in with your busy lifestyle. Fold both seats down to fill it to capacity, or just use one side to accommodate passengers as well.

In total there's up to eight different seating configurations.

PLAYING IT SAFE

Hill Start Assist (HSA)
HSA prevents the vehicle from unintentionally rolling backwards or forwards down a slope. The system engages automatically when a gradient is detected; acting to keep the vehicle stationary after the brake is released, giving you time to use the accelerator to pull away

Electronic Stability Control (ESC)
ESC assists the driver in emergency situations by applying brake pressure to individual wheels as appropriate if the vehicle is about to skid, and trims engine power if required

Side Impact Airbags
Side impact airbags provide chest and thorax protection for the driver and front passenger

Side Curtain Airbags
Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers

Electronic Brakeforce Distribution (EBD)
EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances

Rear View Camera
When you shift into reverse, the Rear View Camera automatically comes to life, displaying what's directly behind you on the large touch-screen

Rain Sensing Wipers*
Rain sensing wipers automatically detect moisture on the windscreen and activate automatically

Traction Control System (TCS)
Designed to maximise the vehicle's stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly

Descent Control System (DCS)
With the press of a button on the centre console DCS will activate, utilising the active braking capability of ESC to maintain a controlled speed when travelling down a steep hill

Front Airbags
For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger

With a host of active and passive safety systems as well as structural reinforcements, it's no surprise that the Holden Trax has earned the highest possible 5-star ANCAP safety rating.

Intelligent safety features such as Electronic Stability Control (ESC) and the Traction Control System (TCS) work together with leading brake technologies, including Electronic Brakeforce Distribution (EBD) and Brake Assist (BA), to help you avoid an accident.

Should a collision occur, safety systems immediately come into play. Six airbags – front, side impact and side curtain – protect passengers in the vehicle. Pyrotechnic seatbelt pretensioners and a collapsible pedal release system further maximise safety, as does the front and rear crumple zones engineered into the structure. And then there's the vehicle's high strength steel unibody construction: a passenger safety cell welded onto full-length frame rails to form a single protective unit.

All this adds up to a small SUV that delivers big on safety.

Brake Assist (BA)
BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance

Anti-lock Braking System (ABS)
ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces

Rear Park Assist
Rear parking sensors help you manoeuvre in and out of tight spaces, with audible warnings indicating the proximity of potential obstacles

*Rain Sensing Wipers standard on 1.4L iTi petrol only

LS

Trax LS in Orange Rock

Combining style with substance, the compact LS delivers big time on value with its streamlined looks, 16" alloy wheels, fuel efficient 1.8L petrol engine, and an interior brimming with technology, comfort and attitude.

HOLDEN GENUINE ACCESSORIES

Create your own personal Trax by fitting it out with Holden Genuine Accessories. There's a range of Genuine Accessories to suit your interests, from distinctive track stripes and unique 18" alloy wheels to practical solutions like the towbar package and roof racks.

Seamless Integration

Genuine Holden Accessories are designed and manufactured in conjunction with the vehicle, which means that their materials, finishes and colours will all match seamlessly with your new Trax.

Uncompromising Quality

Each and every item in the Genuine Holden Accessories range is rigorously tested by Holden engineers in the lab and the field, in accordance with Holden's own demanding standards to meet or exceed applicable Australian Design Rules (ADRs).

3 Year/100,000km Warranty

You automatically receive a generous manufacturer's warranty on every Genuine Holden Accessory that is fitted by your Holden Dealer prior to taking delivery of your new Trax.

Australia-wide Support

Only Genuine Holden Accessories are sold and supported by the nationwide Holden Dealer Network. No matter where you are, or where you're headed, you'll never be far from help or advice should you need it.

Genuine Service

Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform as it should. In addition, all Holden Genuine parts are covered by a generous 2 year / 50,000 km warranty.

Roadside Assistance

Every new Holden comes with 1 year Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing a tailor-made, customised policy just for you.

For more information, call the Holden Insurance hotline on 1300 784 026.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*.

Extended Warranty

The Holden Extended Factory Warranty is issued and fully supported by Holden and its Dealer network, covering all parts and workmanship originally covered by the New Vehicle Warranty in addition to what is covered by the Australian Consumer Law.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, GM Holden Ltd ABN 84 006 893 232 (Holden), reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. August 2014.
